

Sociology: Perspectives and Core themes

NB: Keep this booklet in your folder as it will prove useful throughout the whole course!

Key terms:

A **sociological perspective** involves a set of theories which influences what is looked at when studying society. The main sociological perspectives include: Functionalism, Marxism, Feminism, New Right, Postmodernism, Social action (Interpretivist theories) and Realist.

Consensus theories assume that society is primarily harmonious, and social order is maintained through widespread agreement (consensus) between people on important goals, values and norms of society. Consensus theory is primarily associated with functionalist theory.

Conflict theories are perspectives in sociology that emphasize

Tourism Studies and the Social Sciences Andrew Holden, 2004-12-30 Based upon a social science approach to understanding the significance of tourism in contemporary society Andrew Holden's fascinating book highlights tourism as a multidisciplinary area of study with rich and varied theoretical underpinnings Here Holden introduces social science disciplines and applies relevant theories to the understanding of tourism He investigates how the economic and political structures of society influence the manifestation of tourism at a global level and subsequently considers a variety of topical issues including citizenship and social exclusion tourism as a form of trade consumerism the consequences of tourism and feminism and ethics Each chapter includes a brief introductory summary of the discipline a critique of its main theories and concepts which have relevance to tourism a discussion of how the theories and concepts have been applied to tourism using cases and examples international case studies and examples Punctuated with study and teaching aids chapter summaries and think points to encourage reflection this excellent broad ranging textbook provides a wider understanding of tourism's role in society

Sociological Interpretations of Education David Blackledge, Barry Hunt, 2019-08-13 This book first published in 1985 provides a clear readable account of the principal sociological approaches to education It is organised around the three main sociological perspectives on education the Durkheimian and Functionalist the Marxist and the Interpretative It concentrates on the most important and interesting writers within each Bringing Children Back into the Family Sam Frankel, Sally McNamee, 2020-09-25 Theorists in the UK have offered a new perspective through which to understand the interrelationship of the individual within the structure of the family This volume's desire is to re-apply such thinking in the context of children's lives in the family

Classical Theorists in the Social Sciences Dejo Abdulrahman, 2023-05-05 This book is a useful companion to every social science student who desires an understanding of classical theoretical

developments in and evolution of the disciplines *Theory and Method* Mel Churton, Anne Brown, 2017-09-16 Knowledge of theory is essential to study but it often seems quite abstract and distant from the real world Research methods on the other hand are strategies that allow us to gather evidence from the people around us to help explain social phenomena This book explores these two key areas and shows new sociologists how they can understand appreciate and use both theory and method Written with student needs firmly in mind this new edition begins by exploring the most important theories and debates that are essential to understanding sociology It then goes on to examine the concepts techniques and trends in research methods and explains how these link back to theory Whilst continuing to cover traditional ideas debates and methodologies the book has also been updated to address recent thinking and research techniques It explains how sociologists have responded to contemporary developments in sociology including postmodernists views on science and introduces contemporary research techniques such as cyberethnography Exploring the basics of quantitative and qualitative methods and explaining how to choose the right method the book combines practical and theoretical coverage throughout Part of the Skills Based Sociology series *Theory and Method* continues to encourage an active approach to learning Each chapter uses a variety of tasks activities and practice questions that promote critical thinking and develop interpretation analysis and evaluation skills It is an invaluable guide for those learning about theory and research for the first time

Knowledge-building Karl Maton, Susan Hood, Suellen Shay, 2015-10-08 Education and knowledge have never been more important to society yet research is segmented by approach methodology or topic Legitimation Code Theory or LCT extends and integrates insights from Pierre Bourdieu and Basil Bernstein to offer a framework for research and practice that overcomes segmentalism This book shows how LCT can be used to build knowledge about education and society Comprising original papers by an international and multidisciplinary group of scholars Knowledge building offers the first primer in this fast growing approach Through case studies of major research projects Part I provides practical insights into how LCT can be used to build knowledge by enabling dialogue between theory and data in qualitative research bringing together quantitative and qualitative methodologies in mixed methods research relating theory and practice in praxis conducting interdisciplinary studies with systemic functional linguistics Part II offers a series of studies of pressing issues facing knowledge building in education and beyond encompassing diverse subject areas including physics English cultural studies music and design educational sites schooling vocational education and higher education practices of research curriculum pedagogy and assessment both education and informal learning contexts such as museums and masonic lodges Carefully sequenced and interrelated these chapters form a coherent collection that gives a unique insight into one of the most thought provoking and innovative ways of building knowledge about knowledge building in education and society to have emerged this century This book is essential reading for all serious students and scholars of education sociology and linguistics **Conflict in the Miracle Stories** Evert-Jan Vledder, 1997-10-01 Matthew s Gospel is a witness to conflicting interests The leaders of Israel

are part of the so called retainer class who pursue their own interests by promoting the interests of the Roman rulers Jesus and the Matthaean community on the contrary acts on behalf of the marginalized in society Jesus challenges the underlying values of the leaders who contrary to what is expected do not forgive and act mercifully The leaders try to resolve the conflict negatively by labelling Jesus as possessed by the devil At the same time the conflict spirals onward the Matthaean community is called to act in the interests of the marginalized It is Vledder s special contribution to Matthaean study that he brings to light the underlying dynamics of this conflict in a stimulating sociological study

Disciplinary Discourses, Michigan Classics Ed. Ken Hyland, 2004-07-22 Why do engineers report while philosophers argue and biologists describe In the Michigan Classics Edition of Disciplinary Discourses Social Interactions in Academic Writing Ken Hyland examines the relationships between the cultures of academic communities and their unique discourses Drawing on discourse analysis corpus linguistics and the voices of professional insiders Ken Hyland explores how academics use language to organize their professional lives carry out intellectual tasks and reach agreement on what will count as knowledge In addition Disciplinary Discourses presents a useful framework for understanding the interactions between writers and their readers in published academic writing From this framework Hyland provides practical teaching suggestions and points out opportunities for further research within the subject area As issues of linguistic and rhetorical expression of disciplinary conventions are becoming more central to teachers students and researchers the careful analysis and straightforward style of Disciplinary Discourses make it a remarkable asset The Michigan Classics Edition features a new preface by the author and a new foreword by John M Swales

Sociology Themes Perspectives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sociology Themes Perspectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociology Themes Perspectives has opened up a world of possibilities. Downloading Sociology Themes Perspectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociology Themes Perspectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociology Themes Perspectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociology Themes Perspectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociology Themes Perspectives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociology Themes Perspectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
