*SOE Singapore, 1941-42* Richard Gough, 1985      **Special Operations Singapore, 1941-42** Richard Gough, 1987 When Special Operations Executive was set up in the summer of 1940 Singapore seemed far from any likely war zone But Lt Colonel Alan Warren was sent there in early 1941 to take charge of all SOE operations in the Far East His job was far from easy as both the native population and the military saw little purpose in his mission Yet a year later Britain's empire in the Far East had collapsed like a pack of cards suffering disaster at sea and on land This is the story of that year for the Orient Mission the name given to this section of SOE as this small number of men tried desperately to achieve results against the Japanese advance through Asia Page 4 of cover      *The Japanese Occupation of Malaya and Singapore, 1941-45* Paul H. Kratoska, 2018-04-30 Japanese forces invaded Malaya on 8 December 1941 and British forces surrendered in Singapore 70 days later Japan would rule the territory for the next 3 years Early efforts to maintain pre war standards of comfort gave way to a grim struggle for survival as the vibrant economy ground to a halt and residents struggled to deal with unemployment shortages of consumer goods sharp price rises a thriving black market and widespread corruption People were hungry dressed in rags and falling victim to treatable diseases for which medicines were unavailable and there was little reason to hope for better in the future Using surviving administrative papers oral materials intelligence reports and post war accounts by Japanese officers this book presents a picture of life in occupied Malaya and Singapore It shows the impact of war and occupation on a non belligerent population and creates a new understanding of the changes and the continuities that underlay the post war economy and society The book was first published in 1998 and is now re issued in new edition that incorporates information from newly translated Japanese documents and other recent discoveries      **The Special Operations Executive in Malaya** Rebecca Kenneison, 2019-05-30 During World War II agents of the Special Operations Executive SOE infiltrated Japanese occupied Malaya There they worked with Malayan guerrilla groups including the communist sponsored Malayan Peoples Anti Japanese Army MPAJA regarded as the precursor of the communist insurgent army of the Malayan Emergency This book traces the development of SOE's Malayan operations and analyses the interactions between SOE and the various guerrilla groups It explores the reasons for and the extent of Malay disillusionment with Japanese rule and demonstrates how guerrilla service acted as a training ground for some later Malay leaders of the independent nation However the reports written about the MPAJA by SOE operatives just after the war failed to draw out the likely future threat posed by the communists to the returning colonial administration Rebecca Kenneison shows that the British possessed a wealth of local information but failed to convert it into active intelligence in the period prior to the Malayan Emergency In doing so she provides new insights into the impact of SOE on Malayan politics the nature of Malayan communism's challenge to colonial rule and British post war intelligence in Malaya      **Special Operations South-East Asia 1942-1945** David Miller, 2015-11-30 Many books have been written about Second World War special forces operations

in Europe and the Middle East Much less has been said about such operations in South East Asia those launched against the Japanese in Sumatra and the Andaman Islands and the Germans in Goa These operations and the exceptional men who took part in them have been almost forgotten David Miller in this gripping account sets the record straight His book is based on extensive original research including long hidden family documents revealing much information for the first time and his narrative is fascinating reading for anyone who is interested in special operations and the war against the Axis powers in South East Asia His history is the first general account of these operations it is a landmark in the field

**The Global Infrastructure of the Special Operations Executive** Derwin Gregory,2021-12-23 During the Second World War the British government established the Special Operations Executive SOE for the purpose of coordinating all action by way of subversion and sabotage against the enemy overseas Although the overseas operations of this branch of the British Secret Services are relatively well known few studies have explored the backroom sections of this organisation This book draws together the infrastructure developed to support an agent s journey from recruitment to despatch to the field At the start of the Second World War there were few existing facilities established within the UK to support clandestine operations As the conflict progressed in parallel to learning the operational procedures of their trade SOE also had to rapidly expand their support infrastructure around the world The organisation could effectively support their agents only by establishing facilities dedicated to training research and development supply transportation communication and command and control By predominately focusing on the organisation s agent facing infrastructure this book provides a backdrop to the brave men and women who conducted operations abroad In addition it gives an overview of the facilities in which SOE s backroom staff lived and worked The book will be of interest to students and scholars of archaeology history and war studies

**The Battle For Singapore** Peter Thompson,2010-10-07 The Fall of Singapore on 15 February 1942 is a military disaster of enduring fascination For the 60th anniversary of the liberation of the island Peter Thompson tells the explosive story of the Malayan campaign the siege of Singapore the ignominious surrender to a much smaller Japanese force and the Japanese occupation through the eyes of those who were there the soldiers of all nationalities and members of Singapore s beleaguered population An enthralling and perceptive account which never loses sight of the human cost of the tragedy Yorkshire Evening Post An insightful and dramatic analysis The Good Book Guide

**Historical Dictionary of Singapore** Justin Corfield,2010-12-02 In spite of Singapore s small size it has long had a major impact on the world because of its geographical location and its wealth The British initially made the island a major port for the shipping of goods and later as an airline hub for the region These factors along with a steady government have helped to contribute to the country s affluence This multicultural multiracial and multi religious island nation is the envy of many countries in the world which have tried to emulate the economic success of Singapore The new edition of the Historical Dictionary of Singapore has been completely rewritten since the first edition was released 20 years ago It relates the history of this

country through a chronology an introductory essay an expansive bibliography and over 500 cross referenced dictionary entries on significant persons events places organizations and other aspects of Singapore history from the earliest times to the present

**The Japanese Occupation of Malaya** Paul H. Kratoska, 1997-01-01 Japan attacked British ruled Malaya on 8 December 1941 as part of a wave of military actions that toppled the British Dutch and American colonial regimes in Southeast Asia Within seventy days the conquest of Malaya was complete and British forces in Singapore surrendered on 15 February 1942 The three and a half years of Japanese rule are generally considered to mark a profound transition in the history of the Malay peninsula but little is known about this period This book uses the limited administrative papers that survived in Malaya oral sources and accounts written by Japanese officers involved in the Malayan campaign to flesh out the story

their tenuous grasp on reality and hold to the truth even if it costs them their lives      Our Man in Malaya Margaret Shennan, 2015-04-01 The career of John Davis was inextricably and paradoxically intertwined with that of Chin Peng the leader of the Malayan Communist Party and the man who was to become Britain's chief enemy in the long Communist struggle for the soul of Malaya When the Japanese invaded Malaya during WWII John Davis escaped to Ceylon sailing 1 700 miles in a Malay fishing boat before planning the infiltration of Chinese intelligence agents and British officers back into the Malayan peninsula With the support of Chin Peng and the cooperation of the Malayan Peoples Anti Japanese Army Davis led SOE Force 136 into Japanese occupied Malaya where he operated from camps deep in the jungle with Freddy Spencer Chapman and fellow covert agents Yet Davis was more than a wartime hero Following the war he was heavily involved in Malayan Emergency affairs squatter control the establishment of New Villages and vitally of tracking down and confronting his old adversary Chin Peng and the communist terrorists Historian and biographer Margaret Shennan born and raised in Malaya and an expert on the British in pre independence Malaysia tells the extraordinary untold story of John Davis CBE DSO an iconic figure in Malaya's colonial history Illustrated with Davis personal photographs and featuring correspondence between Davis and Chin Peng this is a story which truly deserves to be told      *Historical Dictionary of British Intelligence* Nigel West, 2014-02-18 British Intelligence is the oldest most experienced organization of its kind in the world the unseen hand behind so many world events and glamorized by James Bond Despite the change in role from a global power controlling an Empire that covered much of the world to a mere partner in the North Atlantic Treaty Organization NATO and the European Union the country's famed security and intelligence apparatus continues largely intact and recognized as punching above its weight Feared by the Soviets admired and trusted by the Central Intelligence Agency CIA British Intelligence has provided the hidden dimension to the conduct of domestic and foreign policy with the added mystique of Whitehall secrecy a shroud that for years protected the identities of the shadowy figures who recruited the sources broke the codes and caught the spies This second edition of *Historical Dictionary of the British Intelligence* covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on specific operations spies and their handlers the moles and defectors top leaders and main organizations This book is an excellent access point for students researchers and anyone wanting to know more about the British Intelligence      **The Heroes of Rimau** Lynette Silver, 1991-10-01 On September 11 1944 the British submarine Porpoise slipped quietly from Fremantle Harbour bound for Indonesia It was carrying the 23 Australian and British members of Operation Rimau who under the leadership of the remarkable Lieutenant Colonel Ivan Lyon of the Gordon Highlanders intended to repeat the successful Jaywick raid of 1943 by blowing up 60 ships in Japanese occupied Singapore Harbour 19 days later the preliminary part of the operation successfully completed the submarine commander bade farewell to the raiders at Pedjantan Island promising to return to pick them up in 38 days time A handful of Chinese and Malays and the conquering Japanese

**Forgotten Armies** Christopher Alan Bayly, Timothy Norman Harper, 2005 In the early stages of the Second World War the vast crescent of British ruled territories stretching from India to Singapore appeared as a massive Allied asset It provided scores of soldiers and great quantities of raw materials and helped present a seemingly impregnable global defense against the Axis Yet within a few weeks in 1941-42 a Japanese invasion had destroyed all this sweeping suddenly and decisively through south and southeast Asia to the Indian frontier and provoking the extraordinary revolutionary struggles which would mark the beginning of the end of British dominion in the East and the rise of today's Asian world More than a military history this gripping account of groundbreaking battles and guerrilla campaigns creates a panoramic view of British Asia as it was ravaged by warfare nationalist insurgency disease and famine It breathes life into the armies of soldiers civilians laborers businessmen comfort women doctors and nurses who confronted the daily brutalities of a combat zone which extended from metropolitan cities to remote jungles from tropical plantations to the Himalayas Drawing upon a vast

range of Indian Burmese Chinese and Malay as well as British American and Japanese voices the authors make vivid one of the central dramas of the twentieth century the birth of modern south and southeast Asia and the death of British rule
