Preying on the State Venelin I. Ganey, 2013-08-15 Immediately after 1989 newly emerging polities in Eastern Europe had to contend with an overbearing and dominant legacy the Soviet model of the state At that time the strength of the state looked like a massive obstacle to change less than a decade later the state's dominant characteristic was no longer its overweening powerfulness but rather its utter decrepitude Consequently the role of the central state in managing economies providing social services and maintaining infrastructure came into question Focusing on his native Bulgaria Venelin I Ganey explores in fine grained detail the weakening of the central state in post Soviet Eastern Europe Ganey starts with the structural characteristics of the Soviet satellites and in particular the forms of elite agency favored in the socialist party state As state socialism collapsed Ganey demonstrates its institutional legacy presented functionaries who had become accustomed to power with a matrix of opportunities and constraints In order to maximize their advantage under such conditions these elites did not need a robust state apparatus in fact all of the incentives under postsocialism pushed them to subvert the infrastructure of governance Throughout *Preying on the State* Ganey argues that the causes of state malfunctioning go much deeper than the policy preferences of free marketers who deliberately dismantled the state He systematically analyzes the multiple dimensions implications and significance of the institutional and social processes that transformed the organizational basis of effective governance

Banking and Finance in the Mediterranean John A. Consiglio, Juan Carlos Martinez Oliva, Gabriel Tortella, Monika Pohle Fraser, Iain L. Fraser, 2016-12-05 This volume presents a panoramic picture of the many national and international trends and developments factors customs and events that have characterised banking in the Mediterranean area over the past two centuries During this period banking in the Mediterranean evolved distinct characteristics several going well beyond the restricted realities of colonial relations The range of issues covered by the book is extensive and includes both national banking evolution and pan regional topics The chapters touch upon various aspects of Iberian Italian French Greek Maltese Moroccan and Ottoman banking history focusing particularly on issues relating to central banking numismatics archival recording and pan Mediterranean economic dynamics The history of certain specific institutions is also considered including the Imperial Ottoman Bank The Ionian Bank The Banque d'Etat du Maroc and others Bringing together papers by

leading banking and finance historians which were first presented at the European Association for Banking History conference held in Malta in June 2007 this volume offers an invaluable insight towards a wider and more detailed understanding of the roles of banking and finance in Mediterranean economic history Seen in a context of what has hitherto been something of a historical vacuum in terms of the coverage of much writing on European banking and financial history and the importance given to the Mediterranean region s banking history in its own right this is an innovative book that both contributes towards our knowledge the subject and establishes a pattern for further work in this important area of European economic history **The Statesman's Year Book** ,1907 *The American Annual Cyclopedia and Register of Important Events of the Year ...* ,1893
