Soft Voice Of The Serpent Other Storie:

Animals and Women Carol J. Adams,Josephine Donovan,1995-11-14 Animals and Women is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense Offering a feminist perspective on the status of animals this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species Furthermore it demonstrates that such a focus does not distract from the struggle for women s rights but rather contributes to it This wide ranging multidisciplinary anthology presents original material from scholars in a variety of fields as well as a rare early article by Virginia Woolf Exploring the leading edge of the species gender boundary it addresses such issues as the relationship between abortion rights and animal rights the connection between woman battering and animal abuse and the speciesist basis for much sexist language Also considered are the ways in which animals have been regarded by science literature and the environmentalist movement A striking meditation on women and wolves is presented as is an examination of sexual harassment and the taxonomy of hunters and hunting Finally this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse and that to deny this connection is to participate in the continued mistreatment of animals and women The Soft Voice of the Serpent and Other Stories Nadine Gordimer,1964 Jump and Other Stories Nadine Gordimer,2012-03-15 In this collection of sixteen stories Gordimer brings unforgettable characters from every corner of society to life a child refugee fleeing civil war in Mozambique a black activist s deserted wife longing for better times a rich safari party indulging themselves while lionesses circle their lodge Jump is a vivid disturbing and rewarding portrait of life in South Africa under apartheid Short Story Index Dorothy Elizabeth Cook,Estelle A. Short Story Index ,1956 **The Short Story** Charles May,2013-10-14 The short story is one of the most difficult types of prose to write and one of the most pleasurable to read From Boccaccio s Decameron to The Collected Stories ofReynolds Price Charles May gives us an understanding of the history and structure of this demanding form of fiction Beginning with a general history of the genre he moves on to focus on the nineteenth century when the modern short story began to come into focus From there he moves on to later nineteenth century realism and early twentieth century formalism and finally to the modern renaissance of the form that shows no signs of abating A chronology of significant events works and figures from the genre s history notes and references and an extensive bibliographic essay with recommended reading round out the volume

Human Rights and Nadine Gordimer's Fiction Mateti Prabhakar,Kanugula Ram Mohan,2024-07-02 The book explores the complex problem of apartheid racial segregation in South African society and the struggle against the colour bar represented in the fictional world of Nadine Gordimer the Nobel Laureate of the South African Letters It shows how

Gordimer a crusader for the human rights of black people has launched a lifetime battle against the apartheid regime s unjust and heartless censorship of creative writing and freedom of speech in South Africa by virtue of fictionalizing her human rights activism thereby teaching humanity It demonstrates how black people are denied their basic human rights from the cradle to the grave by the white chauvinistic apartheid regime This volume is a space for scholars writers and activists to debate issues related to race class and human rights **The Cambridge Companion to the English Short Story** Ann-Marie Einhaus,2016-06-06 This Companion provides an accessible overview of the contexts periods and subgenres of English language short fiction outside of North America **Postcolonial African Writers** Siga Fatima Jagne,Pushpa Naidu Parekh,2012-11-12 This reference book surveys the richness of postcolonial African literature The volume begins with an introductory essay on postcolonial criticism and African writing then presents alphabetically arranged profiles of some 60 writers including Chinua Achebe Nadine Gordimer Bessie Head Doris Lessing Tsitsi Dangarembga Tahbar Ben Jelloun among others Each entry includes a brief biography a discussion of major works and themes that appear in the author s writings an overview of the critical response to the author s work and a bibliography of primary and secondary sources These profiles are written by expert contributors and reflect many different perspectives The volume concludes with a selected general bibliography of the most important critical works on postcolonial African literature A Reader's Companion to the Short Story in English Erin Fallon,R.C. class parents in a small gold mining town in South Africa As Helen comes of age so does her awareness grow of the African life around her Her involvement as a bohemian student with young blacks leads her into complex relationships of emotion and action in a culture of dissension **A World of Strangers** Nadine Gordimer,2012-03-15 Toby Hood a young Englishman shuns the politics and the causes his liberal parents passionately support Living in Johannesburg as a representative of his family s publishing company Toby moves easily carelessly between the complacent wealthy white suburbs and the seething vibrantly alive black townships His friends include a wide variety of people from mining directors to black journalists and musicians and Toby s colonial style weekends are often interspersed with clandestine evenings spent in black shanty towns Toby s friendship with Steven Sithole a dashing embittered young African touches him in ways he never thought possible and when Steven s own sense of independence from the rules of society leads to tragedy Toby s life is changed forever **The Pickup** Nadine Gordimer,2001-09-12 The Nobel Laureate s psychologically penetrating story of the love affair between a rich South African and the illegal alien she picks up on a whim Who picked up whom Is the pickup the illegal immigrant desperate to evade deportation to his impoverished desert country Or is the pickup the powerful businessman s daughter trying to escape a priveleged background she despises When Julie Summers car breaks down in a sleazy street at a garage a young Arab emerges from beneath the chassis of a vehicle to aid her The consequences develop as a story of unpredictably relentless emotions that overturn each one s notion of the other and of the solutions life demands for different circumstances She insists on leaving the country with him The love affair becomes a marriage that state she regards as a social convention appropriate to her father s set and her mother remarried in California but decreed by her grease monkey in order to present her respectably to his family In the Arab village while he is dedicated to escaping again to what he believes is a fulfilling life in the West she is drawn by a counter magnet of new affinities in his close family and the omnipresence of the desert A novel of great power and concision psychological surprises and unexpected developments The Pickup is a story of the rites of passage that are emigration immigration where love can survive only if stripped of all certainties outside itself **Living in Hope and History** Nadine Gordimer,2025-09-23 Internationally celebrated for her novels Nadine Gordimer has devoted much of her life and fiction to the political struggles of the Third World the New World and her native South Africa Living in Hope and History is an on the spot record of her years as a public figure an observer of apartheid and its aftermath a member of the ANC and the champion of dissident writers everywhere In a letter to fellow Nobel laureate Kenzaburo Oe Nadine Gordimer describes Living in Hope and History as a modest book of some of the nonfiction pieces I ve written a reflection of how I ve looked at this century I ve lived in It is in fact an extraordinary collection of essays articles and addresses delivered over four decades including her Nobel Prize Lecture of 1991 *A Guest of Honour* Nadine Gordimer,2002-10-07 Brilliant and shocking novel set in South Africa by the Nobel Prize winner A Comparative Analysis of the South African and German Reception of Nadine Gordimer's, Andre Brink's and J.M. Coetzee's

Works Eva-Marie Herlitzius,2005 Concert of Voices Victor J. Ramraj,1994-12-30 Concert of Voices combines poetry fiction drama and essays in a wide ranging anthology of world literature in English The collection includes a number of established writers who despite their great reputations have often been perceived as standing apart from the main currents of English literature and have rarely found their way into English Department reading lists Most selections though are by a remarkable range of much less established authors In addition to the selections the editor has provided a general introduction and a brief biographical note on each author The intention in Concert of Voices is both to provide an alternative text to anthologies of traditional and established writings in which the new writings in English invariably are displaced and marginalized and to complement these anthologies In this regard the word other which points up apartness and division was found wanting and dropped from the provisional main title Its omission draws attention to a concept and conviction operative in the construction of the anthology despite historical and cultural specificities the focus of cross cultural and multicultural studies commonalities and affinities exist among these writings and between writing on both sides of the hegemonic divide The anthology then is not intended simply as an offering of sociological or anthropological insights into these different peoples The pieces in Concert of Voices also demonstrate that imaginative writings can evolve from a cocoon of particularities into what can be called modifying a catch phrase of certain other disciplines Literature Without Borders from the introduction
