Soft Shoulders:

Soft Shoulder Robert Baty, 2024-11-18 Obituary writer Max McQuinn runs into trouble when he falls for Daphne Swan the seductive widow of Archie Gibbs a thief who took the secret of an armored car heist with him to the grave Daphne pleads ignorance about the money but Archie's crew suspect he told Daphne where to find it Meanwhile Max is getting in way too deep He wants the story but he also wants Daphne And is willing to cover up murder because of her But is she playing straight with him Or is she just using him to protect her so she can find the treasure Caught between deception and desire Max learns the hard way that the next obit he writes may be his own **Soft Shoulders** Christopher Morley, 1934

western end of Lake Erie and how it s life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I ve been told that it s good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness *Annual Report* Rhode Island.
