**The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the

reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada     *Humoresques* Lucie Joubert, 2007-02 Les textes sont unis dans le volume présentant un panorama diversifié de l'humour québécois Cet ensemble d'articles permet de remonter aux sources de cet humour et de suivre les moments importants de son évolution jusqu'à l'époque contemporaine     *Yale French Studies*, 1983     **Du comique dans le texte littéraire** Denise Jardon, 1988     **Littérature québécoise contemporaine** Patrick Coppens, 1982 Riche de près de cinq cents notices cet outil bibliographique est divisé en quatre sections principales Documents pour se rappeler La poésie la chanson Le théâtre le monologue Le roman la nouvelle le conte Par les textes d'introduction ces sections aussi bien que par le choix des titres retenus et par l'appréciation qui en est faite il constitue un véritable panorama critique de la littérature québécoise des dernières années Ainsi que l'a écrit Gaston Miron en préface l'ouvrage répond des besoins certes précis pratiques d'information et de synthèse d'abord mais il sert également d'outil indispensable sans équivalent la promotion et la diffusion des œuvres du Québec Bien sûr certains oubliés ne manqueront pas de nous surprendre quelques uns et l'on s'amusera avec un peu d'ingéniosité à retracer les affinités littéraires de l'auteur C'est que la meilleure volonté du monde ne pouvait sans doute empêcher qu'une sélection limitée quelques centaines de titres soit partielle Rappelons aussi qu'il est une certaine partialité dans laquelle il ne saurait y avoir d'engagement et de jugement critiques véritablement fiables     *Bibliographie du Québec*, 1997     **Guide culturel du Québec** Jean-François Chassay, 1982     *Les Livres disponibles canadiens de langue française*, 1999-12     **Dictionnaire Guérin des poètes d'ici** Marc-Aimé Guérin, Réginald Hamel, 2005 Enrichie de 300 pages cette édition a aussi fait l'objet d'assez nombreuses corrections Mais dans l'ensemble ce que nous disions de l'édition de 2000 reste vrai pour l'essentiel fiabilité variable des notices pour la période postérieure à 1970 titres sans mention d'édition erreurs flottements et oubliés T Langlais etc attributions de citations erronées p 73 318 etc abus du mot pédagogique etc Quoi qu'il en soit ce dictionnaire constitue un ouvrage imparfait sans doute mais impressionnant et d'une grande utilité SDM     **Bibliographie de la France**, 1981 Vols for 1979 contain Bibliographie officielle previously issued as part 1 of Bibliographie de la France Biblio     *Livres hebdo*, 1979     **Des mots pour décomprendre** Michèle Nevert, 1993     *Bibliographie nationale française*, 1981     **Bibliographie officielle**, 1981
