Soldier James Gibbore, 2001 An original intense story of that war like it really was **Soldier** James Gibbore, 2001 An original intense story of that war like it really was **Sniping Rifles on the Eastern Front 1939-45** Martin Pegler, 2019-03-21 The Soviet Union had developed a significant sniping force by 1939 but the extraordinary skill and cunning displayed by Finnish snipers during the Winter War forced the Soviets to innovate On the other side German sniping suffered from a lack of standardization of weapons and a lack of marksmen deployed at the start of the Great Patriotic War 1941 45 There were few heroes in the conflict but on both sides the snipers were idolized especially on the Soviet side gaining almost mythical status As well as traditional bolt action weapons both sides used several types of semi automatic rifle such as the SVT 38 and the Gew 41 Offering greater firepower at the expense of long range accuracy such weapons would be profoundly influential in the postwar world Fully illustrated this absorbing study investigates the development of sniping weapons and techniques on World War II s Eastern Front **The Soldiers' Story** Ron Steinman, 2015-07-01 Veteran journalist Ron Steinman gathers candid reminiscences from seventy six men including Senator John McCain who lived through the brutalities of combat in the Vietnam War A Soldiers Story provides a vivid and gripping oral history of the fear fellowship trauma and triumph of these Marine Army Air Force and Navy veterans Complete with maps and battlefield photographs these indispensable first hand accounts provide a unique front line record of Vietnam from its surreal horrors to the comradeship and courage forged in battle From the jungles of Southeast Asia to life back in the United States as veterans of an unpopular war A Soldiers Story also includes complete and updated biographies of the brave men who are profiled This is a book that goes beyond the military and political implications of Vietnam to the truth of what the war cost and who actually paid the price The True Story of the Vietnam War and One Man's Sufferings George Konaf, 2020-03-26 This is a true story about what George Konaf thought about the truth of the Vietnam War before he would die of Agent Orange He now walks with a cane for support He wanted to tell you how the PX and the man who ran the Army who was in charge of the whole Army and every Marine and Air Force the general who assisted the president of the US and how crooked he was and all the other generals who made millions from every war In my mind all of them didn t care for the people of the US What made me sick was that some of these kids went to war but only a few actually went The general and commander never told the US how Vietnam s Agent Orange kills desert wars had bad effects on the soldiers and uranium was the only weapon that would kill the enemy Afghanistan and other enemies that fought in the desert They never told the soldiers of each war that within two to three years they would be impotent for the rest of the lives I George Konaf have been impotent now for thirty years and in my mind I should have been killed in Vietnam But now I am glad I was not and can tell the true story of these men high ranking and millionaires The crooks who run this country At last I am writing to die I am getting weaker every day and now I need a cane to hold me up If I had to do it again I would for my country and for my fellow Americans who are living

Jackie Robinson's pre MLB career Had he been found guilty he would not have been the man who broke baseball's color barrier Had the incident never happened he would've gone overseas with the Black Panther tank battalion and who knows what after that Having survived this crucible of unjust prosecution as an American soldier Robinson already a talented multisport athlete became the ideal player to integrate baseball This is a dramatic story deeply engaging and enraging It's a Jackie Robinson story and a baseball story but it is also an army story as well as an American story The Truth behind Historical Films Tom May, *A Story for All Americans* Frank L. Grzyb, 2000 *A Story for All Americans* Vietnam Victims and Veterans formerly titled *Touched by the Dragon* details wartime accounts of average servicemen and women some heroic some frightening some amusing some nearly unbelievable The work is a historical compendium of fascinating and compelling stories woven together in a theme format What makes this book truly unique however is its absence of literary pretentiousness Relating oral accounts the veterans speak in a no nonsense matter of fact way As seen through the eyes of the veterans the stories include first person experiences of infantry soldiers a flight officer a medic a nurse a combat engineer an intelligence soldier and various support personnel Personalities emerge gradually as the veterans discuss their pre war days their training and preparation for Vietnam and their actual in country experiences The stories speak of fear and survival the paranoia of not knowing who or where the enemy was the bullets rockets and mortars that could mangle a body or snuff out a life in an instant and going home with a CMH not the Congressional Medal of Honor but a Casket with Metal Handles The veterans also speak of friendships and simple acts of kindness But more importantly they speak of healing both physical and mental *Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited!* Earl Dusty Trimmer, 2019-05-16 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America's history He brings it all home with his down to earth style and considerable knowledge In *Unbreakable Hearts* Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy's amazing resolve He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars Always defending their country to remain free became an art In Chapter 7 Dusty describes the Vietnamese women fighters as Hellcats My own experience with the formidable Vietnamese Viet Cong women's skills and expertise closely mirrors Dusty's Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam's famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer's descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare

conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers *Pulp Vietnam* Gregory A. Daddis,2020-10-22 Explores how Cold War men s magazines idealized warrior heroes and sexual conquerors and normalized conceptions of martial masculinity **The Sniper** Jim Lindsay,2023-03-07 Jim Lindsay s *The Sniper* reveals for the first time ever the full story of the deadliest sniper in Marine Corps history Chuck Mawhinney who served in the Vietnam war at age 18 written with his full cooperation and participation Charles Chuck Mawhinney is a United States Marine who holds the Corps record for the most confirmed sniper kills and the second most of any US service member in history having recorded 103 confirmed kills in 16 months during the Vietnam War He was also the youngest killing the enemy as a teenager In 1967 at the age of 18 Mawhinney joined the Marines and began his ascent from recruit to the Marine Corps deadliest sniper During his tours in one of the most dangerous war zones of Vietnam his character and charisma helped him deal with life and death in a hell hole with other young men a long way from home After Vietnam Mawhinney married and settled into his post war life raised a family and was content that no one knew of his accomplishments in war Then in 1991 he was startled and dismayed when outed by a fellow Marine sniper Joseph Ward who spoke of Mawhinney s number of kills in his book *Dear Mom* Newspapers picked up the story and Mawhinney s life changed forever The notoriety troubled him at first but then he accepted the fame and used the opportunity to train service men and lawmen in the art of long distance shooting At last Chuck s full story is told including his heroic exploits in battle and the terrible toll that taking a life exerts on a human being **Stories About Marine Snipers During The Vietnam War** Jacqueline Bolado,2021-05-27 This relatively short read is worth the short time it requires for a quick visit to Nam with a sniper team plying their skills to keep our boys safe over there in the jungles Then off to Belize we go for a touching tense and fun story of pirates drug smugglers and paradise found lost and then found again The author s detailed telling puts you there so that your mind can experience it all When done the story feels almost like your own memories
