Soldier Me A Story Of Suspense:

A Soldier's Saga Harry Garner, 2011 Twenty thousand young American men were drafted into the Armed Forces during the final month of 1965 *A Soldier's Saga* tells the story of a newly married young man who receives his draft notice on December 2nd which leaves him with only twelve days to get his affairs in order before taking the oath of induction on December 15th During the first few days and weeks in the Army his emotions are assailed with fears and uncertainties during the ramping up of U S military forces in a little known country named Vietnam What started out as a police action is turning into a war For those who have never served in the military the account offers insights into the strict regimen of Army basic combat training and gives a private look into the innermost thoughts of a man who faces the possibility of having to leave everybody and everything he holds dear in America and venture into the hostile environment of a jungle combat zone For the veteran of the Armed Forces this book is a stark reminder of the personal sacrifices that we all made when we left civilian life and entered military service whether by induction or by enlistment *The Story of a Soldier's Life* Garnet Wolseley Wolseley (Viscount), 1904 **A Soldier's Story of the War** Napier Bartlett, 1874 Numbers 141 142 omitted in pagination [Soldier's Pregnancy Protocol](#) Beth Cornelison, 2012-05-22 Survival Danger Living on the edge It's what Alec is all about But crawling on his belly through the South American jungle is child's play next to babysitting the mother to be with the bad luck to get caught in the cross fire Safeguarding Erin Bauer and her baby is Alec's top priority Only now the Special Ops soldier is falling for this brave vulnerable woman with the melting mahogany eyes Alone with Alec in a remote Rocky Mountain hideaway Erin knows her life depends on the rugged enigmatic stranger Alec makes her feel protected Cherished Complete But he lives a life of risk and deadly danger How much is Erin willing to risk for a love that could give them both what they need and desire most *Soldiers of Salamis* Javier Cercas, 2008-12-10 In the final moments of the Spanish Civil War a writer and founding member of Franco's Fascist Party is about to be shot and yet miraculously escapes into the forest When his hiding place is discovered he faces death for the second time that day but is spared this time by a lone soldier The POW becomes a national hero and a member of Franco's first government while the soldier is forgotten Sixty years later Cercas's novel peels back the layers of truth and propaganda in order to discover who the real hero was Elegantly constructed and told with self-deprecating melancholy humor *Soldiers of Salamis* is a wholly original work of literature by a modern master **Soldier of Courage, Soldier of Compassion: The Story of Captain Bennett L. Munger Company C, 44th New York State Infantry** Brian Stuart Kesterson, 2017-06-02 *Soldier of Courage Soldier of Compassion* is drawn from the letters and diaries of Captain Bennett L Munger of company C 44th New York state volunteer infantry Munger's regiment was known as Ellsworth's Avengers in honor of their fallen comrade Col Elmer Ellsworth The regiment was a seasoned fighting unit and saw action in many important battles during the civil war Munger's career would eventually place him in the position of prison inspector for the north's most notorious Confederate prisoner of war camp Elmira Elmira was little

better than a death camp that in some ways was on par with the horror of Andersonville Munger's letters and diaries give an important firsthand account and insight into a moment in time that otherwise would be lost without this small volume that is dedicated to his unwavering service to his country and his steadfast compassion to ease the sufferings of his fellow man

The Soldier's Casket, 1865 *The Story of a Common Soldier of Army Life in the Civil War, 1861-1865* Leander Stillwell, 2019-12-04 In *The Story of a Common Soldier of Army Life in the Civil War 1861-1865* Leander Stillwell offers a poignant and unvarnished account of the day to day experiences of a soldier in the American Civil War The narrative is marked by its vivid detail and naturalistic style reflecting the harsh realities of camp life combat and the psychological toll of war Anchored in the time honored tradition of war memoirs Stillwell's work stands out for its authenticity and immediacy offering scholars and readers alike a unique window into the struggles and camaraderie of those who fought often in anonymity for their beliefs and their country His firsthand account captures not just the battles but the mundane and often overlooked aspects of military service thereby enriching the historical discourse surrounding the Civil War Leander Stillwell a soldier in the 66th Illinois Volunteer Infantry draws from his own formative experiences during a tumultuous period in American history His perspective is shaped by the grueling conditions of service the loss of comrades and the ethical quandaries faced by soldiers This deeply personal narrative reflects the voice of common soldiers whose stories have often been eclipsed by the grand narratives of military leaders and battles Stillwell's commitment to documenting his experiences showcases his desire to provide a more nuanced understanding of the war and its impact on ordinary lives Recommended for both scholars of military history and general readers interested in the human experience of war Stillwell's memoir serves as an essential text for understanding the complex realities of the Civil War Its engaging prose allows readers to connect emotionally with the soldier's journey emphasizing the shared humanity that persists amidst the chaos of conflict This book is a powerful tribute to the lives affected by war and a testament to the enduring strength of the human spirit *The Story Of A Soldier's Life* Field Marshal Viscount Garnet Wolseley, 2014-08-15 Few men in the Victorian Age achieved the stature of Field Marshal Garnet Wolseley a dedicated soldier man of foresight and vision colonial administrator and up holder of the Pax Britannica from India to Africa Viscount Wolseley started his military career in the little known Second Anglo Burmese War 1852 before being plunged into the bloody senseless conflict of the Crimean War 1854-55 His disgust of the mismanagement and amateurish conduct of the British army left him with a lifelong dedication to efficiency his men and victory Distinguished for his bravery during the Indian Mutiny 1857-1858 at Alambagh and Lucknow and again during an expedition to China His globetrotting career led him to North America where he was present during the early battles of the Civil War and his anecdotes of this time are pithy and worthy enough to be quoted even to this day Duty called him away north to Canada to re-establish British dominion over the Red River province which he did with aplomb He was now among the top generals of the British army and was sent to bring the Ashanti campaign to a successful conclusion He took over

command from Lord Chelmsford in 1878 after the disastrous start to the Zulu war which he ruthlessly won with tenacity and dedication However his finest hour was yet to come in Egypt he destroyed the rebellion of Urabi Pasha in short order after the battle of Tel el Kebir and commanded the ill fated but ultimately brilliant effort to relieve General Gordon in Khartoum His two volume memoirs recount his brilliant career to his famous victory in the Ashanti War 1873 1874 and are a must read for anyone interested in the Victorian age or the British Empire
