offers a comprehensive and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this Handbook underscores the centrality of gender to critical examinations of war [Brentano's Book Chat](#) ,1917 **Soldiers and Civil Power** Thijs Brocades Zaalberg,2006 Since the Cold War peace operations have become the core focus of many Western armed forces In these operations the division between civil and military responsibilities often rapidly blurs Among policy makers and in military circles a debate has erupted regarding the scope of the military in stabilizing and reconstructing war torn societies Should soldiers who primarily prepare for combat duties observe a strict segregation between the military sphere and the civilian sphere or become involved in nation building Should soldiers be allowed to venture into the murky arena of public security civil administration humanitarian relief and political and social reconstruction In *Soldiers and Civil Power* Thijs Brocades Zaalberg draws on military records and in depth interviews with key players to examine international operations in the 1990 s in Cambodia Somalia Bosnia and Kosovo Focusing his historical analysis on the experiences of various battalions in the field he reveals large gaps between this tactical level of operations political strategic decision making and military doctrine By comparing peace operations to examples of counterinsurgency operations in the colonial era and military governance in World War II he exposes the controversial but inescapable role of the Western military in supporting and even substituting civil authorities during military interventions At a time when US forces and its allies struggle to restore order in Iraq and Afghanistan Brocades Zaalberg s in depth study is an invaluable resource not only for military historians but anyone interested in the evolving global mission of armed forces in the twenty first century *The Bloomsbury Handbook of Popular Music and Social Class* Ian Peddie,2020-02-06 *The Bloomsbury Handbook of Popular Music and Social Class* is the first extensive analysis of the most important themes and concepts in this field Encompassing contemporary research in ethnomusicology sociology cultural studies history and race studies the volume explores the intersections between music and class and how the meanings of class are asserted and denied confused and clarified through music With chapters on key genres traditions and subcultures as well as fresh and engaging directions for future scholarship the volume considers how music has thought about and articulated social class It consists entirely of original contributions written by internationally renowned scholars and provides an essential reference point for scholars interested in the relationship between popular music and social class *A Warrior's Guide to Psychology and Performance* George Mastroianni,2011 This timely well organized and practical guide for the warfighter offers the collaborative contributions of dedicated military and civilian experts Each chapter examines specific demands of military life and service such as nutrition and its role in physical and cognitive performance including details about military rations like Meals Ready to Eat MREs It also explores sleep why you need it how much you need what happens when you are deprived of it and how to recognize deprivation s effects The authors also discuss various aspects of stress

what it is what its effects are on your body and mind and how to recognize it prevent it and handle it The book devotes an extensive discussion to hardiness and resilience focusing on preparing yourself and your family and friends for stressful military deployments in order to avoid or minimize their associated pressures Finally the authors address common problems experienced after a deployment and offer tips on how to make your transition back home as smooth as possible for yourself and your family In each case the expert contributors have emphasized specific skills strategies behavior and support measures that you can apply to benefit your own overall psychological health performance and longevity If Only That Tree Could Talk ... Kevin A. Rodrigue, 2020-08-20 Have you ever driven down a country road and noticed a majestic old tree Have you ever wondered what stories that tree could tell about the things it has seen If Only That Tree Could Talk addresses that very question presenting the history of Louisiana from the perspective of a plantation live oak When Rodney is in a car accident a massive tree rescues him Of course at first he can't believe the live oak is talking to him but soon that tree begins to share its many stories Although fictionalized the tree's stories are based on actual historical pictures letters and speeches featuring real people who had tremendous impacts on the Pelican State As a history teacher and native Louisianan author Kevin Rodrigue uses the wisdom of an ancient tree to share the things that fascinate him about the culture of his surroundings He hopes to not only entertain but also inspire readers to look into their own pasts and embrace the things that make them unique **The British National Bibliography** Arthur James Wells, 2006 Books in Print Supplement, 2002 **Metropolitan**, 1910 The Military Surgeon, 1912 *Military Medicine*, 1912 **The Publishers' Circular and General Record of British Literature**, 1859 **Squaddies** John Hockey, 1986 This remarkable book is the first ever sociological study of an operational army unit The author himself a former regular soldier observed a group of raw recruits to the British Army during their basic training accompanied a unit on an exercise in Canada and also went with it to the dangerous bandit country of South Armagh John Hockey paints a memorable picture of the subculture of private soldiers in today's regular infantry and he shows vividly how this conforms and conflicts with the formal demands of the military organisation Anyone who wants to know more about the working of the army at grass roots level will find this book essential reading *United States Army Combat Forces Journal*, 1951
