Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement

Spencer C. Tucker

Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement:

Soldiers of Peace Thomas F. Curran, 2003 Curran studies the perfectionist pacifists radical northerners who took an extreme pacifist stand during the Civil War After the war they created the Universal Peace Union UPU which worked throughout the rest of the century to abolish war and confront the shortcomings of both government and society The Oxford Handbook of Peace History Charles F. Howlett, Christian Philip Peterson, Christian Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves

The Abolitionist Civil War Frank J. Cirillo, 2023-11 Winner of the 2024 Wiley Silver Prize in Civil War History Finalist for the 2024 Gilder Lehrman Lincoln Prize The astonishing transformation of the abolitionist movement during the Civil War proved enormously consequential both for the cause of abolitionism and for the nation at large Drawing on a cast of famous and obscure figures from Frederick Douglass to Moncure Conway Frank J Cirillo s *The Abolitionist Civil War* explores how immediate abolitionists contorted their arguments and clashed with each other as they labored over the course of the conflict to create a more perfect Union Cirillo reveals that immediatists efforts to forge a morally transformed nation that enshrined emancipation and Black rights shaped contemporary debates surrounding the abolition of slavery but ultimately did little to achieve racial justice for African Americans beyond formal freedom *Daily Lives of Civilians in Wartime Early America* David S. Heidler, Jeanne T. Heidler, 2007-01-30 While soldiers were off fighting on the fields of war civilians on the home front fought their own daily struggles sometimes removed from the violence but often enough from deep within the maelstrom of conflict Chapters provide readers with an excellent detailed description of how women children slaves and Native Americans coped with privation and looming threat and how they often used or tried to use periods of turmoil to their own advantage

While it is the soldiers who are often remembered for their strength honor and courage it is the civilians who keep life going during wartime This volume presents the lives of these brave citizens during the early colonial era the American Revolution the War of 1812 the Mexican War and the Civil War This volume begins with Armstrong Starkey s detailed description of wartime life during the American Colonial era beginning with the Jamestown VA settlement of 1607 Among his discussions of civilian lives during the Pequot War King Philip s War and the Seven Years War Starkey also examines Native American attitudes regarding war Puritan lives and Salem witchcraft and its connection to war Wayne E Lee continues with his chapter on the American Revolution investigating how difficult it was for civilians to choose sides including a telling look at soldier recruitment strategies He also surveys how inflation and shortages adversely affected civilians in addition to disease women s roles slaves and Native Americans as civilians Richard V Barbuto discusses the War of 1812 taking a close look at life on the ever expanding frontier rural homes and families and jobs and education in city life Gregory S Hospodor observes American life during the Mexican War examining how that conflict amplified domestic tensions caused by sharply divided but closely held beliefs about national expansion and slavery Continuing James Marten looks at southern life in the South during the Civil War examining the constant burden of supporting Confederate armies or coping with invading northern ones Paul A Cimbala concludes this volume with a look at northerner s lives during the Civil War offering an outstanding essay on a home front mobilized for a titanic struggle and how the war no matter how remote became omnipresent in daily life

Civil Disobedience Mary Ellen Snodgrass, 2015-04-08 Throughout American history people with strong beliefs that ran counter to society s rules and laws have used civil disobedience to advance their causes From the Boston Tea Party in 1773 to the Pullman Strike in 1894 to the draft card burnings and sit ins of more recent times civil disobedience has been a powerful force for effecting change in American society This comprehensive A Z encyclopedia provides a wealth of information on people places actions and events that defied the law to focus attention on an issue or cause It covers the causes and actions of activists across the political spectrum from colonial times to the present and includes political social economic environmental and a myriad of other issues Civil Disobedience ties into all aspects of the American history curriculum and is a rich source of material for essays and debates on critical issues and events that continue to influence our nation s laws and values It explores the philosophies themes concepts and practices of activist groups and individuals as well as the legislation they influenced It includes a detailed chronology of civil disobedience listings of acts of conscience and civil disobedience by act and by location a bibliography of primary and secondary sources and a comprehensive index complete the set

Busy Hands Patricia L. Richard, 2003 Focusing on middle class women s contributions to the northern Civil War effort Patricia Richard shows how women utilized their power as moral agents to shape the way men survived the ravages of war Busy Hands investigates the ways in which white and African American women used images of family and domestic life in their relief efforts to counter the effects of prostitution gambling profanity and drinking threatening men s postwar civilian fitness

Drawing on letters diaries and memoirs of Civil War nurses sanitary workers soldiers and the soldiers aid societies Richard develops a new perspective on domestic influence on the war as women sought to save soldiers from the dangers of the military world

CQ Press Guide to Radical Politics in the United States Susan Burgess,Kate Leeman,2016-03-11 This unique guide will provide an overview of radical U S political movements on both the left and the right sides of the ideological spectrum with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics The work is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U S history Each chapter will include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy For movements that have arisen multiple times throughout U S history nativism religious radical labor separatists the chapter will trace the history over time but the analysis will emphasize its most recent manifestations Sidebar features will be included in each chapter to provide additional contextual information to facilitate increased understanding of the topic

Books, Not Bombs Charles F. Howlett,Ian Harris,2010-12-01 Books Not Bombs Teaching Peace Since the Dawn of the Republic is an important work relevant to peace scholars practitioners and students This incisive book offers an exciting and comprehensive historical analysis of the origins and development of peace education from the creation of the New Republic at the end of the Eighteenth Century to the beginning of the Twenty First century It examines efforts to educate the American populace young and old both inside the classroom and outside in terms of peace societies and endowed organizations While many in the field of peace education focus their energies on conflict resolution and teaching peace pedagogically Books Not Bombs approaches the topic from an entirely new perspective It undertakes a thorough examination of the evolution of peace ideology within the context of opposing war and promoting social justice inside and outside schoolhouse gates It seeks to offer explanations on how attempts to prevent violence have been communicated through the lens of history

American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government

relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict Excommunicated from the Union William B. Kurtz,2015-12-01 Concise engaging A superb study of the US Catholic community in the Civil War era Civil War Book Review Anti Catholicism has had a long presence in American history When the Civil War broke out in 1861 many Catholic Americans considered it a chance to prove their patriotism once and for all Exploring how Catholics sought to use their participation in the war to counteract religious and political nativism in the United States Excommunicated from the Union reveals that while the war was an alienating experience for many of the 200 000 Catholics who served they still strove to construct a positive memory of their experiences in order to show that their religion was no barrier to their being loyal American citizens A masterful interrogation of the fusion of faith national crisis and ethnic identity at a critical moment in American history This is a notable and welcome contribution to Catholic Civil War and immigrant history Journal of Southern History *Exploring Lincoln* Harold Holzer,Craig L. Symonds, Frank J. Williams,2015-03-02 In these 16 essays Lincoln scholars offer fresh perspectives and revealing new research on the life and times of America s greatest president Ubiquitous and enigmatic the historical Lincoln the literary Lincoln even the cinematic Lincoln have all proved both fascinating and irresistible Though some 16 000 books have been written about him there is always more to say new aspects of his life to consider new facets of his persona to explore Exploring Lincoln offers a selection of sixteen enlightening and entertaining papers presented at the Lincoln Forum symposia over the past three years Shining new light on particular aspects of Lincoln s life and his tragically abbreviated presidency from his work on the campaign trail to his fraught relationship with General McClellan to Mary Lincoln s mental health Exploring Lincoln presents a compelling snapshot of current Lincoln scholarship and a fascinating window into understanding America s greatest president The North and the Nation in the Era of the Civil War Peter J. Parish,2003 In this rich collection a leading historian argues that in order to fully understand the Civil War we need to grasp the relationship between American national identity and the values of Northern society Northerners shaped nationalism into an ideology to justify and sustain a war against the South Parish explores politics and religion as sinews that connected Northerners to the Union cause *A Visitation of God* Sean A. Scott,2011 When Abraham Lincoln expressed gratitude for the northern churches in the spring of 1864 it had nothing to do with his appreciation of doctrine liturgy or Christian fellowship Collectively the churches earned the president s admiration with rabid patriotism and support for the war Ministers publicly proclaimed the righteousness of the Union condemned slavery and asserted that God favored the federal army Yet all of this would have amounted to nothing more than empty bravado without the support of the men and women sitting in the pews This outstanding book examines the Civil War from

the perspective of the northern laity those religious civilians whose personal faith influenced their views on politics and slavery helped them cope with physical separation and death engendered by the war and ultimately enabled them to discern the hand of God in the struggle to preserve the national Union From Lincoln s election to his assassination the book weaves together political military social and intellectual history into a religious narrative of the Civil War on the northern home front Packed with compelling human interest stories this account draws on letters diaries newspapers and church records along with published sources to conclusively demonstrate that many devout civilians regarded the Civil War as a contest imbued with religious meaning In the process of giving their loyal support to the government as individual citizens religious Northerners politicized the church as a collective institution and used it to uphold the Union so the purified nation could promote Christianity around the world Christian patriotism helped win the war but the politicization of religion did not lead to the redemption of the state

The Color of Christ Edward J. Blum, Paul Harvey, 2012 Explores the dynamic nature of Christ worship in the U S addressing how his image has been visually remade to champion the causes of white supremacists and civil rights leaders alike and why the idea of a white Christ has endured

Breaking the War Habit Scott Harding, Charles Howlett, Seth Kershner, 2022-07-15 The Pentagon currently spends around 1.4 billion per year on recruiting and hundreds of millions annually on other marketing initiatives intended to convince the public to enlist costly efforts to ensure a steady stream of new soldiers The most important part of this effort is the Pentagon s decades long drive to win over the teenage mind by establishing a beachhead in American high schools and colleges Breaking the War Habit provides an original consideration of the militarization of schools in the United States and explores the prolonged battle to prevent the military from infiltrating and influencing public education Focused on the Junior Reserve Officer Training Corps JROTC in high schools and the Reserve Officer Training Corps ROTC in higher education the authors expose the pervasive influence and economic leverage bestowed on the military as it recruits children and youth Breaking the War Habit highlights those who have resisted the privileged status of the military and successfully challenged its position on campuses across the country A scrappy band of activists the Committee on Militarism in Education CME initiated this work following World War I publicizing the rise of school militarism and its implications For two decades CME s activism shaped public debate over the meaning of militarism in U S society and education settings resulting in numerous victories against ROTC and JROTC programs The authors also explore how since the mid 1970s military counter-recruiters have contested military recruiters largely unchecked access to high school students raising awareness of a school to military pipeline that concentrates recruitment in urban predominantly Black and low income regions

Upon the Altar of the Nation Harry S. Stout, 2007-03-27 A profound and timely examination of the moral underpinnings of the War Between the States The Civil War was not only a war of armies but also a war of ideas in which Union and Confederacy alike identified itself as a moral nation with God on its side In this watershed book Harry S Stout measures the gap between those claims and the war s

actual conduct Ranging from the home front to the trenches and drawing on a wealth of contemporary documents Stout explores the lethal mix of propaganda and ideology that came to justify slaughter on and off the battlefield At a time when our country is once again at war *Upon the Altar of the Nation* is a deeply necessary book Benjamin Franklin Butler Elizabeth D. Leonard, 2022-03-10 Benjamin Franklin Butler was one of the most important and controversial military and political leaders of the Civil War and Reconstruction eras Remembered most often for his uncompromising administration of the Federal occupation of New Orleans during the war Butler reemerges in this lively narrative as a man whose journey took him from childhood destitution to wealth and profound influence in state and national halls of power Prize winning biographer Elizabeth D Leonard chronicles Butler s successful career in the law defending the rights of the Lowell Mill girls and other workers his achievements as one of Abraham Lincoln s premier civilian generals and his role in developing wartime policy in support of slavery s fugitives as the nation advanced toward emancipation Leonard also highlights Butler s personal and political evolution revealing how his limited understanding of racism and the horrors of slavery transformed over time leading him into a postwar role as one of the nation s foremost advocates for Black freedom and civil rights and one of its notable opponents of white supremacy and neo Confederate resurgence Butler himself claimed he was always with the underdog in the fight Leonard s nuanced portrait will help readers assess such claims peeling away generations of previous assumptions and characterizations to provide a definitive life of a consequential man *A More Civil War* D. H. Dilbeck, 2016-09-13 During the Civil War Americans confronted profound moral problems about how to fight in the conflict In this innovative book D H Dilbeck reveals how the Union sought to wage a just war against the Confederacy He shows that northerners fought according to a distinct moral vision of war an array of ideas about the nature of a truly just and humane military effort Dilbeck tells how Union commanders crafted rules of conduct to ensure their soldiers defeated the Confederacy as swiftly as possible while also limiting the total destruction unleashed by the fighting Dilbeck explores how Union soldiers abided by official just war policies as they battled guerrillas occupied cities retaliated against enemy soldiers and came into contact with Confederate civilians In contrast to recent scholarship focused solely on the Civil War s carnage Dilbeck details how the Union sought both to deal sternly with Confederates and to adhere to certain constraints The Union s earnest effort to wage a just war ultimately helped give the Civil War its distinct character a blend of immense destruction and remarkable restraint **Freedom, Union, and Power** Michael S. Green, 2004 *Freedom Union and Power* analyzes the beliefs of the Republican Party during the Civil War how those beliefs changed and what those changes foreshadowed for the future The party s pre war ideology of free soil free labor free men changed with the Republican ascent to power in the White House With Lincoln s election Republicans faced something new responsibility for the government With responsibility came the need to wage a war for the survival of that government the country and the party And with victory in the war came responsibility responsibility for saving the Union by ending slavery and for pursuing policies that fit into their belief in a

strong free Union Michael Green shows how Republicans had to wield federal power to stop a rebellion against freedom and union Crucial to their use of federal power was their hope of keeping that power the intersection of policy and politics

Yours for the Union John Webster Chase, 2004 Of his letters 172 that have survived are included in this book they cover a four year period from October 1861 until the war ended in April 1865 The letters are divided into chapters covering the different arenas where Chase served during the war from Alexandria the Peninsula Campaign Maryland Fredericksburg and Chancellorsville to Gettysburg Warrenton and Brandy Station the Overland Campaign the Shenandoah Valley and finally to Petersburg

Getting the books **Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement** now is not type of inspiring means. You could not lonesome going as soon as books increase or library or borrowing from your links to entrance them. This is an certainly simple means to specifically get lead by on-line. Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement has opened up a world of possibilities. Downloading Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement. Some websites may offer pirated or illegally obtained copies of

copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement is one of the best book in our library for free trial. We provide copy of Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement. Where to download Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement online for free? Are you looking for Soldiers Of Peace Civil War Pacifism And The Postwar Radical Peace Movement PDF? This is definitely going to save you time and cash in something you should think about.
