Soldiers Of The Mists Minutemen Of The Alaska Frontier:

Soldiers of the mists Cliff A. Salisbury, 1992 **The Thousand-Mile War** Brian Garfield, 2010-04-15 The Thousand Mile War is a powerful story of the battles of the United States and Japan on the bitter rim of the North Pacific that has been acclaimed as one of the great accounts of World War II Author Brian Garfield a novelist and screenwriter whose works have sold some 20 million copies was searching for a new story when he came upon this forgotten war in Alaska He found the history of the brave men who had served in the Aleutians so compelling that he wrote the first full length history of the Aleutian campaign The book remains a favorite among Alaskans and WWII history buffs The war in the Aleutians was fought in some of the worst climatic conditions on earth for men ships and airplanes The sea was rough the islands craggy and unwelcoming but the most fearful enemy was the weather the savage wind fog and rain of the Aleutian chain The fog seemed to reach even into the minds of the military commanders on both sides as they directed their men into situations with often had tragic results Frustrating befuddling and still the subject of debate the Aleutian campaign nevertheless marked an important turn of the war in favor of the United States More than half a century after the war ended more of the fog has been lifted In this updated edition Garfield supplements his original account drawn from statistics personal interviews letters and diaries with more recently declassified photographs and significant additional illustrations *The American Home Guard* Barry M. Stentiford, 2002 Since colonial times Americans have used the militia to maintain local order during both war and peacetime States have intermittently created maintained deployed and disbanded countless militia organizations outside the scope of the better known National Guard Barry M Stentiford tells the story of these militia units variously called home guards State Guard National Guard Reserve and State Defense Forces Stentiford traces the evolution of the militia over the past century demonstrating its transformation from an amalgamation of state militia units into the National Guard a reserve of the army Ironically the very existence of the National Guard made the creation of other militia forces necessary during periods of war The home guards or State Guard were organized to fill the vacuum left when the National Guard was called up depriving states of an organized militia that could be mobilized for repelling invasions suppressing riots controlling strikes or guarding the waterfront Stentiford carefully analyzes the challenges that faced the State Guards as states sought to build their new militia with leftover men and material He also examines the role of the State Guard providing relief during and after natural disasters providing military training for future draftees and broadening participation in military units during wartime by giving a role to men who because of their age or occupation could not join the federal forces The State Guard gained a new significance in the Cold War especially as the political unpalatability of a draft and reductions in the size of the full time military expanded the functions of the National Guard in military policy Today modern state militias born to an ancient tradition must define a role for themselves in a society that increasingly views them as anachronistic They must also compete ideologically with so called unorganized militias for the title of true heir to the American militia tradition **Alaska**

Outer Continental Shelf, Seismic Surveys in the Beaufort and Chukchi Seas, 2007 *Melting the Ice Curtain* David Ramseur, 2017-06-15 Just five years after a Soviet missile blew a civilian airliner out of the sky over the North Pacific an Alaska Airlines jet braved Cold War tensions to fly into tomorrow Crossing the Bering Strait between Alaska and the Russian Far East the 1988 Friendship Flight reunited Native peoples of common languages and cultures for the first time in four decades It and other dramatic efforts to thaw what was known as the Ice Curtain launched a thirty year era of perilous yet prolific progress *Melting the Ice Curtain* tells the story of how inspiration courage and persistence by citizen diplomats bridged a widening gap in superpower relations David Ramseur was a first hand witness to the danger and political intrigue having flown on that first Friendship Flight and having spent thirty years behind the scenes with some of Alaska's highest officials As Alaska celebrates the 150th anniversary of its purchase and as diplomatic ties with Russia become perilous *Melting the Ice Curtain* shows that history might hold the best lessons for restoring diplomacy between nuclear neighbors

Alaska at War, 1941-1945 Fern Chandonnet, 2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback *Alaska at War* brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you're a historian or a novice student interested in this pivotal period of American history *Alaska at War* provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront

Aunt Phil's Trunk Laurel, Bill, 2016-07-09 Author Laurel Downing Bill continues to bring Alaska history alive in Aunt Phil's Trunk Volume Four Following in the fast paced and entertaining footsteps of the previous three volumes Volume Four captures the essence of life in Alaska between 1935 and 1960 Its easy to read nonfiction short stories and more than 350 historical photographs highlight major events of World War II the Cold War era and Alaska's struggle for statehood

Women and War Bernard A. Cook, 2006-05-19 In this unique encyclopedia 120 leading scholars from around the world provide comprehensive treatment of the role of women in war from the first written history to the present This authoritative encyclopedia presents the work of leading scholars from all over the world to give the first detailed coverage of the role of women in wars throughout history Histories of war are typically histories of men great leaders and heroic fighters Yet the roles of women often receive only limited coverage Except for such notables as Joan of Arc traditional histories give short shrift to women as leaders and fighters Similarly the direct victimization particularly sexual abuse as a weapon of terror and domination and cultural dislocations women suffer in war float as background without detailed coverage This work represents a first devoted in its entirety to thorough examination of all aspects of women in war For the first time readers

have a single source for information on the scope of women s role in war and war s effects on them Outer Continental
