Michael Benson

Soldiers Live:

Soldiers Live Glen Cook, 2007-04-01 Glen Cook's epic fantasy noir *Chronicles of the Black Company* continues with *Soldiers Live*. When sorcerers and demigods go to war, those wars are fought by mercenaries, dog soldiers, grunts in the trenches. And the stories of those soldiers are the stories of Glen Cook's hugely popular *Black Company* novels. If the Joseph Heller of *Catch 22* were to tell the story of *The Lord of the Rings*, it might read like the *Black Company* books. There is nothing else in fantasy like them. Now at last Cook brings the *Glittering Stone* cycle within the *Black Company* series to an end, but an end with many other tales left to tell. As *Soldiers Live* opens, Croaker is military dictator of all the Taglias, and no *Black Company* member has died in battle for four years. Croaker figures it can't last. He's right. For of course many of the Company's old adversaries are still around. Narayan Singh and his adopted daughter, actually the offspring of Croaker and the Lady, hope to bring about the apocalyptic Year of the Skulls. Other old enemies like Shadowcatcher, Longshadow, and Howler are also ready to do the Company harm. And much of the Company is still recovering from the fifteen years many of them spent in a stasis field. Then a report arrives of an evil spirit, a forvalaka, that has taken over one of their old enemies. It attacks them at a shadowgate, setting off a chain of events that will bring the Company to the edge of apocalypse, and as usual, several steps beyond. Soldiers, 1997 **Life in the U.S. Army** Mo Barrett, 2024 The Army is the oldest branch of the U.S. military, even older than the country itself. Find out what daily life is like for these heroic fighters. Learn what they wear, where they live, and how they serve. *The U.S. Army* Michael Benson, 2004-02-01 Presents the history of the U.S. Army and facts about its soldiers and officers, the high-tech weapons used in its operations, and what a typical day in the U.S. Army is like. **My Life, Our Lives** Roger Molina, 2011-04-18 This autobiography is about a young man growing up during the Great Depression who fought in WW2, came home, and started a family. Retired from the military, he pursued a second civilian career. You hear his frustration and joy in his own words, as if he was speaking to us. **The Three Meter Zone** J. D. Pendry, 2008-12-30 A pocket-sized guide to being a good leader for non-commissioned officers (NCOs). Discusses U.S. Army values in user-friendly terms from the perspective of a former member of the NCO core. Introduces three different types of leadership styles for 3-meter, 50-meter, and 100-meter soldiers. Praise for *The Three Meter Zone*: I have read plenty of leadership books and find this one to be the most realistic. This book is down to earth with plenty of scenarios, quotations, and situations that can easily be related to a reader's past, present, and future. I highly recommend this book. *Army Magazine* Pendry's book is both timely and useful. I encourage all battalion and brigade commanders to add it to their unit's professional reading list. Read this book, take up his challenge to critically examine ourselves and our styles. *Armor Magazine* J. D. Pendry does a superb job of relating his own personal experiences and tying them into everyday leadership and management principles. It is not too difficult to transfer the lessons presented here to any other military service or civilian application. *U.S. Naval Institute Proceedings*

Business and corporate leaders would do well to take Pendry's lessons to heart Ocala Florida Star Banner **Department of Defense appropriations for 1991** United States. Congress. House.
