A Soldier's Play Charles Fuller, 1981 In a Louisiana army camp in 1944 Capt Taylor the white C O has a problem He commands a Black company whose sergeant has been murdered He is worried the murderer may be a white officer or the local Klan A Black captain Richard Davenport is assigned to investigate Taylor tries to discourage him because he feels the assignment of a Black investigator means the case is to be swept under the rug Capt Davenport perseveres and as he probes deeper he finds the Black soldiers are as corrupted with hatred as the whites Each one had a motive for the killing Davenport solves the case and the truth is even more shocking than the murder itself *A Soldier's Play* Charles Fuller, 1982-09 A black sergeant cries out in the night They still hate you then is shot twice and falls dead Set in 1944 at Fort Neal a segregated army camp in Louisiana Charles Fuller's forceful drama which won the Pulitzer Prize in 1982 and has been regularly seen in both its original stage and its later screen version tracks the investigation of this murder **The Soldier's**

Reward Jennifer Ngaire Heuer, 2024-12-03 A sweeping history of intimacy and family life in France during the age of revolution The French Revolution and Napoleonic Wars devastated Europe for nearly a quarter of a century The Soldier's Reward recovers the stories of soldiers and their relationships to family and domestic life during this period revealing how prolonged warfare transformed family and gender dynamics and gave rise to new kinds of citizenship In this groundbreaking work combining social cultural gender and military history Jennifer Ngaire Heuer vividly describes how men fought for years with only fleeting moments of peace Combatants were promised promotion financial gain and patriotic glory They were also rewarded for their service by being allowed to return home to waiting families and love interests and with marriages that were arranged and financially supported by the state Heuer explores competing ideas of masculinity in France as well as the experiences of the men and women who participated in such marriages She argues that we cannot fully understand the changing nature of war and peace in this period without considering the important roles played by family gender and romantic entanglements Casting new light on a turbulent era of mass mobilization and seemingly endless conflict The Soldier's Reward shows how from the Revolution through the Restoration war intimacy and citizenship intersected in France in new and unexpected ways

Soldiers, 1986 **Marlowe's Soldiers** Alan Shepard, 2018-02-06 This title was first published in 2002 In the topsy turvy 1580s and 1590s as the episodic Anglo Spanish war became the greatest threat to English security since circa 1066 Marlowe rose up in the London theatres like some Phaeton of the entertainment industry taking war itself as a central subject of his art This book reads his plays especially Tamburlaine Edward II The Massacre at Paris and Doctor Faustus as part of a bright new conversation then taking place in London about the nature of state security and martial law the decorum of playing the soldier on stage the rhetoric of warfever and the necessity for draconian prescriptions about English manhood Those public conversations spilling out of Whitehall the church pulpits and the pubs took center stage during the few years the playwright worked in London The author argues that the Marlowe plays wrestle with the

philosophical assumptions about the nature of war and the role and status of soldiers in English culture *Military Review*, 2007

Child's Play Silken Laumann, 2010-05-21 From one of Canada's most inspiring and gifted sports heroes an urgently needed guide to getting our kids active and healthy Like many of us Silken Laumann's fondest childhood memories are of play staying outside until that final call for dinner neighbourhood wide games of Capture the Flag and road hockey that went on for hours But as a parent Silken knows the world has changed We are afraid to let our children out of sight our streets don't feel safe neighbours don't know and rely on each other like they used to While we recognize the need for our kids to be active our fears along with our busy lives and the enormous societal pressure to simultaneously make athletes academics and artists out of our children have led us to schedule their every activity driving them to and from soccer practice piano lessons tutorials We have forgotten just how important unstructured play is for our children's development and well being It keeps kids healthy creative and active it teaches them valuable life skills and most importantly it lets our kids be kids worry free unfettered Child's Play is a call for action a guide to reconnecting with our kids and a blueprint for building safe supportive communities and healthy schools Above all it's a book of simple ideas for parents desperate for change **Ebony**, 1984-11
