Phillips, 2009-04-28 The former commander of coalition forces in Iraq reports back from the front lines of the global war on terror to provide a comprehensive and chilling exploration of America's historic military and foreign policy blunder With unflinching candor Lieutenant General Ricardo S Sanchez describes the chaos on the Iraqi battlefield caused by the Bush administration's misguided command of the military as well as his own struggle to set the coalition on the path toward victory Sanchez shows how minor insurgent attacks grew into synchronized operations that finally ignited into a major insurgency and all out civil war He provides an insider's account of the Abu Ghraib prison scandal explaining the circumstances that led to the abuses who perpetrated them and what the formal investigations revealed Sanchez also details the cynical use of the Iraq War for political gain in Washington and shows how the pressure of an around the clock news cycle drove and distorted critical battle decisions The first book written by a former on site commander in Iraq **Wiser in Battle** is essential reading for all who wish to understand the Iraqi incursion and the role of America's military in the new century **The Soldier's Story** Samuel B. Wing, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1898 edition Excerpt which had been the cause of the death of so many soldiers First they would begin to talk discouragingly and to look very melancholy and then would be idle a good part of the time about their tents sad and despondent and in a short time they would answer to the doctor call and soon be admitted to the hospital and after that it was not long before they would be carried out with muffled drums It was best for us nay it was absolutely necessary for us to use every means to be cheerful and hopeful and to be busily employed for these would be the means of driving the blues far far away At times the soldiers would get together and sing and how heartily they would sing When this cruel war is over we sang again and again praying that we might all meet again As the spring drew near we were kept quite busy in drilling target shooting picket and other duties which consumed the most of our time and gave no time for the blues April was a cool month for that climate with considerable wind We moved our camp about two miles out This was for the purpose of getting out of winter quarters and preparing for the field This was on the 26th of April CHAPTER VII THE BATTLE FIELD The second of May at night we received orders to march So we thought we must have another dish of the good old army beans These were baked in the ground and I believe no better way has ever been found for baking beans as the moisture of the ground keeps them from drying up They were cooked until they were cherry red and were delicious The army beans to this day are held in reverence by the old soldiers We did not get much sleep that night for some were taking down their tents and putting their things together although no orders had been **SOLDIERS STORY** Samuel B. ***The Battle of Long Tan*** Peter FitzSimons, 2022-10-26 From the bestselling author of Kokoda and Gallipoli comes the epic story of Australia's deadliest Vietnam War battle 4 31 pm Enemy on left flank Could be serious 5 01 pm Enemy penetrating both flanks and to north and south 5 02 Running short of ammo Require drop through trees It was the afternoon of 18 August 1966 hot humid with grey monsoonal skies D Company 6RAR were four kilometres east of their Nui Dat base on patrol in a rubber plantation not far from the abandoned village of Long Tan A day after their base had suffered a mortar strike they were looking for Viet Cong soldiers Then just when they were least expecting they found them Under withering fire some Diggers perished some were grievously wounded the rest fought on as they remained under sustained attack For hours these men fought for their lives against the enemy onslaught The skies opened and the rain fell as ferocious mortar and automatic fire pinned them down Snipers shot at close quarters from the trees that surrounded them The Aussie Kiwi and Yankee artillery batteries knew it was up to them but outnumbered and running out of ammunition they fired loaded fired as Viet Cong and North Vietnamese Army forces just kept coming And coming Their only hope was if Armoured Personnel Carriers APCs could reach them before they were wiped out The APCs did their best but low cloud and thunderstorms meant air support was stalled A daring helicopter resupply mission was suggested but who would want to fly that The odds against this small force were monumental By far the deadliest battle for Australian forces in Vietnam the Battle of Long Tan has a proud place in the annals of Australian military history and every ANZAC who fought there could hold his head high Peter FitzSimons Australia's greatest storyteller tells the real story of this classic battle He reveals the horror the bravery the wins and the losses that faced our soldiers He brings to life the personal

When Johnny and Jane Come Marching Home Paula J. Caplan,2018-11-06 Why are those devastated by war or other military experiences called mentally ill The standard treatment of therapy and drugs can actually be harmful and huge numbers of suffering veterans from earlier eras demonstrate its inadequacy Most of us are both war illiterate and military illiterate

Caplan proposes that we welcome veterans back into our communities and listen to their experiences one on one Beginning a long overdue national discussion about the realities of war and the military will help us bridge the dangerous chasms between veterans and nonveterans
