David and Solomon, Including Saul and Rehoboam, Gallaudet's Series** Horace Hooker,1843      **Divided Isles** Edward Acton Cavanaugh,2024-04-09 In 2019 Solomon Islands made international headlines when the country severed its decades old alliance with Taiwan in exchange for a partnership with Beijing The decision prompted international condemnation and terrified security experts who feared Australia s historical Pacific advantage would come unstuck This development was framed as another example of China s inevitable capture of the region but this misrepresents how and why the decision was made and how Solomon Islanders have skilfully leveraged global angst over China to achieve extraordinary gains Despite Solomon Islands strategic importance most outsiders know little about the country a fragile island nation stretching over a thousand islands and speaking seventy indigenous languages In *Divided Isles* Edward Cavanaugh explains how the switch played out on the ground and considers its extraordinary potential consequences He speaks with the dissidents and politicians who shape Solomon Islands politics and to the ordinary people whose lives have been upended by a decision that has changed the country and the region forever
