Michaels, 2009-08-01 In the late summer months of 2000 on a cool dark night in the foothills of Boulder Colorado a seventeen year old boy was murdered by a young man he once considered his best friend The calamity nearly crippled the boy s parents especially the father who struggled mightily with grief anger and guilt With the help of a very special elderly sage the father of the boy struggled to survive the tragedy and recover from the heartbreaking ordeal The story begins with the funeral of Michael s son reveals the pain of a grief stricken father on the verge of self destruction and ends with his redemption and return to a meaningful life Michael is referred by a close friend to an elderly gentleman named Solomon Solomon is a wise irreverent white haired seer living in the small coastal village of Carlsbad California where he teaches his own very special brand of spiritual therapy for lost souls His office is a coffee shop and the beach where he and Michael meet and together try to find a way to recover Michael s lost life after his son s death The relationship that develops between Michael and Solomon reaches a depth rarely found between two men **Forgiveness A Christian Growth Mindset** Charles B, 2024-03-14 The book refreshingly examines the history consistency and logic in God s design of forgiveness for humanity from the Garden of Eden to the Garden of Gethsemane The book is full of stories from a forgiveness perspective including the Bible real life examples and Hollywood movies This quest starts with the brief history of forgiveness right from Adam to all

the patriarchs right up to Jesus's teachings on forgiveness. You will uncover some of the greatest jewels of forgiveness: reconciliation and growth mindset, and also see the Christian response to some of the most common questions asked on the Internet. The book combines psychological concepts with Christian theology, offering a unique perspective on forgiveness. It integrates these areas effectively, addressing questions asked by millions worldwide about forgiveness, reconciliation, and the growth mindset. The book delves deep into the Old Testament and modern views on forgiveness, removing the clutter of the internet, AI, and secular definitions to provide a comprehensive understanding of this complex yet vital human asset. The author also covers all possible scenarios in which one can find oneself in the forgiveness journey, questions like "I forgive only when I am asked to forgive" or "How to live when someone does not forgive me." The next section covers why obedience, love, forgiveness, and justice are interrelated and its importance against secular worldviews. Charles exposes and shows the need for this interplay to be understood as a prerequisite for a Christian growth mindset in the context of forgiveness. The section on restoration and reconciliation begins with various definitions and examines the nuances between forgiveness and reconciliation from both the secular and Christian worldviews. Also, some of the most asked questions on reconciliation on the internet are discussed in great detail, including how we need to take care of God's creation. The last section connects all these concepts and ties them to the Christian growth mindset compared with the fixed mindset and the secular definitions. The author explains these concepts with some good analogies of real-life examples. At the end of the book, you will get a good view of how God's design of forgiveness is far better logically and natural than the secular worldview. Plenty of insights on the various facets of the Christian growth mindset along the forgiveness journey, ability to discern and calibrate your response to hurting and been hurt in a manner that protects you from guilt.

Solomon's Noose Steve Harris, 2018-09-01

The story of a young convict Solomon Blay who became Her Majesty's hangman in Van Diemen's Land, the man who personally had to deliver an Empire's judgment on 200 men and women and endured his own noose of personal demons and demonisation in order to survive all in the context of the great struggles of good, evil, life, death, hope, despair, which drew the attention of Darwin, Twain, Trollope, and Dickens as Van Diemen's Land evolved from a Hades of Evil to sow the seeds of nationhood. The book paints a vivid picture of the society and poverty from which Blay's character was forged in England and the desperate, brutal nature of being a convict in Van Diemen's Land. *Solomon's Noose* is an important book in exposing the dark underbelly in the formation of modern Australia. From the furthest corner of that foreign country, the past comes the haunting story of the convict who became the British Empire's youngest executioner. Beware the shock of the true Andrew Rule award-winning journalist and author. Impressive research and a story that challenges the imagination, except that it's true. A prisoner elects to become a hangman to improve his lot in life. All this set against the Gothic world of Van Diemen's Land in the time of convicts, bushrangers, and rough justice. Les Carlyon, bestselling author of *Gallipoli* and *The*
