Sociology Through Literature:

Sociology through literature : an introductory reader Lewis A. Coser, 1965 Sociology Through Literature Lewis A. Coser, 1963 *SOCIOLOGY THROUGH LITERATURE. ED. BY LEWIS A. COSER.*, 1972 **Sociology Through Literature** Wroe Alderson, 1963 *Doing Sociology Through Film and Literature* John Goodwin, Laurie Parsons, 2024-04-02 This book is primarily a research informed textbook aimed at any reader with an interest in using film and literature in sociological and social science research **Sociology Through Literature** Lewis A. Coser, 1972 **Emotions through Literature** Mariano Longo, 2019-07-23 Engaging with the wide sociological literature on emotions this book explores the social representation of emotions their management and their effects by making reference to creative sources With a specific focus on literary narrative including the works of figures such as Dante Austen Manzoni Tolstoy and Kundera the author draws out the capacity of literary works to describe and represent both the external aspects of social relations and the inner motivations of the involved actors An interdisciplinary study that combines sociology narratology philosophy historical analysis and literary criticism Emotions through Literature invites us to re think the role of emotions in sociological analysis employing literary narratives to give plausible intellectual responses to the double nature of emotions their being both individual and social Sociology Through Literature S. Devadas Pillai, 2019-07-05 This book presents a comprehensive study of nearly 100 of Kaaroor s short stories Kaaroor Neelakanta Pillai is one among the Big Six of the new wave in Malayalam literature which began in the mid 1940s The Big Six and their immediate followers wrote about the common man peasants pavement dwellers fishermen rickshaw pullers underpaid school teachers their lives aspirations and vulnerabilities By treating Kaaroor s stories as case studies the book takes a sociological approach to understanding the representation of a wide array of themes romantic overtones erotic pursuits marital episodes issues of family lives of children behavioural patterns shades of greed the idea of spirituality and politics in Malayalam literature With its annotated transcreation and detailed commentary this book brings Kaaroor s works to the general reader and will be useful to scholars and researchers of South Asian literature English literature linguistics cultural studies besides those interested in Malayalam literature and the Malayali Indian diaspora across the world *Sociological Insights of Great Thinkers* Christofer R. Edling, Jens Rydgren, 2010-11-18 In this book leading sociologists expand the scope of their discipline by revealing the sociological aspects of the works of great philosophers scientists and writers Sociologists have long recognized that sociological insight can be gleaned from creative thinkers outside their formal discipline Sociological Insights of Great Thinkers Sociology through Literature Philosophy and Science captures and examines those insights in 32 essays that discuss scholars and writers not normally associated with any sociological school of thought Following a tradition of enriching the sociological toolkit by finding influence in philosophy and literature the volume s contributors an international group of renowned scholars eschew biography to focus solely on sociological interpretations that can be drawn from the work of many of history

s preeminent thinkers Among the book s subjects are philosophers such as Aristotle Plato Kant and Cassirer scientists such as Darwin and Galileo and authors such as Kafka Proust and Shakespeare The essays not only allow readers to see such thinkers in a new light but underscore the fact that sociological questions have lain at the very heart of humanity throughout history

Teaching Ethics through Literature Suzanne S. Choo,2021-07-01 Teaching Ethics through Literature provides in depth understanding of a new and exciting shift in the fields of English education Literature Language Arts and Literacy through exploring their connections with ethics The book pioneers an approach to integrating ethics in the teaching of literature This has become increasingly relevant and necessary in our globally connected age A key feature of the book is its integration of theory and practice It begins with a historical survey of the emergence of the ethical turn in Literature education and grounds this on the ideas of influential Ethical Philosophers and Literature scholars Most importantly it provides insights into how teachers can engage students in ethical concerns and apply practices of Ethical Criticism using rich on the ground case studies of high school Literature teachers in Australia Singapore and the United States

Teaching the Novel across the Curriculum Colin C. Irvine,2007-11-30 Instructors at all levels are being encouraged to teach writing in their courses even in subjects other than English Because the novel reflects a broad set of human experiences and history it is the ideal vehicle for learning about a wide range of issues This book helps educators learn how to incorporate novels in courses in English the humanities social and behavioral sciences and professional studies The chapters focus on using the novel to explore ethical concerns multiculturalism history social theory psychology social work and education The book looks at major canonical works as well as graphic novels and popular literature Language arts are at the forefront of education these days Instructors at all levels are being encouraged to teach writing in their courses even if those courses cover subjects other than English Literature instructors have long used fiction to teach composition But because the novel reflects a broad range of human experiences and historical events it is the ideal medium for learning about contemporary social issues This book helps educators learn how to use the novel in courses in English the humanities social and behavioral sciences and professional studies The book is divided into broad sections on general education classes multiculturalism literature classes humanities courses classes in social behavioral and political sciences and professional studies such as social work and teacher training Each section includes chapters written by gifted teachers and provides a wealth of theoretical and practical information While the book examines major canonical works such as *Hard Times* *Billy Budd* and *Invisible Man* it also looks at graphic novels science fiction and popular contemporary works such as *Finishing School* and *Jarhead* Chapters reflect the personal successes of their authors and cite works for further reading

Sociologists in a Global Age Mathieu Deflem,2016-04-01 Sixteen leading international sociologists are brought together in this volume to share their experiences of becoming practitioners in the field Selected for their comparative and transnational interests and experiences the contributors include Martin Albrow Karin Knorr Cetina Diane E Davis Pierpaolo

Donati Leon Grunberg Horst J Helle Eiko Ikegami Tiankui Jing Hyun Chin Lim Ewa Morawska Richard M nch Saskia Sassen Joachim J Savelsberg Piotr Sztompka Edward A Tiryakian and Ruut Veenhoven Each contributor provides an auto biographical review of their journey into the discipline with special attention paid to the intellectual and social political contexts in which their work matured Each chapter concludes with a commentary on the anticipated future direction of that particular sociological area These original and reflective contributions provide fascinating and rare insights into the careers of sociologists living in a global age

Sociology Through Literature Nick Corona Vaca,1975 *Imaginative Methodologies in the Social Sciences* Michael Hviid Jacobsen,Michael S. Drake,Anders Petersen,2017-05-15 *Imaginative Methodologies in the Social Sciences* develops expands and challenges conventional social scientific methodology and language by way of literary poetic and other alternative sources of inspiration as sociologists social workers anthropologists criminologists and psychologists all rethink provoke and reignite social scientific methodology Challenging the mainstream orthodoxy of social scientific methodology which closely guards the boundaries between the social sciences and the arts and humanities this volume reveals that authors and artists are often engaged in projects parallel to those of the social sciences and vice versa thus demonstrating that artistic and cultural production does not necessarily constitute a specialist field but is in fact integral to social reality As such it will be of interest to scholars and students in the social sciences and across the arts and humanities working on the philosophy of social science methodology social theory creativity poetics pedagogy and other related topics

Shock and Naturalization in Contemporary Japanese Literature Carl Cassegård,2007-03-29 This study introduces the concepts of naturalization and naturalized modernity and uses them as tools for understanding the way modernity has been experienced and portrayed in Japanese literature since the end of the Second World War Special emphasis is given to four leading post war writers Kawabata Yasunari Abe Kobo Murakami Haruki and Murakami Ryu The author argues that notions of shock in modern city life in Japan as exemplified in the writings of Walter Benjamin and George Simmel while present in the work of older Japanese writers do not appear to hold true in much contemporary Japanese literature it is as if the shock impact of change has evolved as a naturalized or Japanized process The author focuses on the implications of this phenomenon both in the context of the theory of modernity and as an opportunity to reevaluate the works of his chosen writers

The Family Through Literature Nicholas Tavuchis,William Josiah Goode,1975 **Methods of Exploring Emotions** Helena Flam,Jochen Kleres,2015-03-24 Gathering scholars from different disciplines this book is the first on how to study emotions using sociological historical linguistic anthropological psychological cultural and mixed approaches Bringing together the emerging lines of inquiry it lays foundations for an overdue methodological debate The volume offers entrancing short essays richly illustrated with examples and anecdotes that provide basic knowledge about how to pursue emotions in texts interviews observations spoken language visuals historical documents and surveys The contributors are respectful of those being researched and are mindful of the effects of their own feelings on the conclusions

The book thus touches upon the ethics of research in vivid first person accounts Methods are notoriously difficult to teach this collection fills the gap between dry methods books and students need to know more about the actual research practice

A Misfit's Manifesto Donna Gaines, 2007 Gaines is a self described bourbon guzzling pill popping penis addicted workaholic tattooed Jew with a Ph D and a pistol permit A Misfit's Manifesto is about living with the contradictions This is how she did it and found God in all the unlikely places like Ramones songs

Utopian Thinking and Social Work Chris Horsell, 2025-02-03 This book highlights the importance of employing imaginative sensibilities to thinking and action in social work and social policy practice Exploring the question of how ideas about utopia and utopian method can be used in social work practice and policy practice to address social inequalities it shows that central to this critique is the argument that contemporary social policy responses and subsequent social work interventions to a range of policy problems e g homelessness poverty family violence need to acknowledge the failure of dominant neoliberal discourses in addressing these issues The COVID 19 pandemic has highlighted and in many ways exacerbated existing inequalities and the post pandemic future provides opportunities to put utopian ideas into action Showing how utopian thinking can challenge fundamental assumptions regarding welfare dependency and unitary identities in policy settings this book will be of interest to all scholars students and professionals working in social work and social policy

Counter-Narratives and Organization Sanne Frandsen, Timothy Kuhn, Marianne Wolff Lundholt, 2016-07-15 Counter Narratives and Organization brings the concept of counter narrative into an organizational context illuminating these complex elements of communication as intrinsic yet largely unexplored aspect of organizational storytelling Departing from dialogical emergent and processual perspectives on organization the individual chapters focus on the character of counter narratives along with their performative aspects by addressing questions such as how do some narratives gain dominance over others how do narratives intersect relate and reinforce each other how are organizational members and external stakeholders engaged in the telling and re telling of the organization The empirical case studies provide much needed insights on the function of counter narratives for individuals professionals and organizations in navigating challenging negotiating and replacing established dominant narratives about who we are what we believe what we do as a collective The book has an interdisciplinary scope drawing together ideas from both storytelling in organization studies the communicative constitution of organization CCO from organizational communication and traditional narratology from humanities Counter Narratives and Organization reflects an ambition to spark readers imagination recognition and discussion of organization and counter narratives offering a route to bring this important concept to the center of our understandings of organization

Adopting the Song of Term: An Mental Symphony within **Sociology Through Literature**

In a global used by screens and the ceaseless chatter of fast interaction, the melodic elegance and emotional symphony developed by the prepared term usually diminish in to the back ground, eclipsed by the persistent noise and distractions that permeate our lives.
