Music Sociology Sara Towe Horsfall, Jan-Martijn Meij, Meghan Probstfield, 2015-11-17 Music Sociology explores 16 different genres to demonstrate that music everywhere reflects social values organisational processes meanings and individual identity Presenting original ethnographic research the contributors use descriptions of subcultures to explain the concepts of music sociology including the rituals that link people to music the past and each other Music Sociology introduces the sociology of music to those who may not be familiar with it and provides a basic historical perspective on popular music in America and beyond

A Sociology of Knowledge of European Integration Rebecca Adler-Nissen, Kristoffer Kropp, 2017-10-02 This book addresses the important but understudied question of how social scientific knowledge is entangled in the process of European integration More specifically it provides the first systematic introduction to a sociology of knowledge approach to European integration and demonstrates the value of such an approach through empirical illustrations Drawing on new research in the intersection of sociology of knowledge and political sociology the book is the first to analyse the entanglement of social scientific knowledge and the development of the EU The book provides the first systematic mapping of the relations between social scientific knowledge and particular aspects of European integration such as the Euro and monetary governance constitution and treaty negotiation education policy enlargement and external relations The book imports key ideas from the sociology of knowledge sociology of science and political sociology to cast new light on the field of EU studies and its relation to the EU The result is a fresh account of European integration shaped in often surprising ways by relatively small groups of people and their particular ideas about economy law culture and politics This book was published as a special issue of the Journal of European Integration

Hawking Hits on the Information Highway Laura L. Finley, 2008 This book examines the phenomenon of online drug and drug paraphernalia sales drug recipes and information about drugs Discussing the availability of products and advice regarding prescription drugs steroids and illicit drugs the book also offers a profile of who is buying selling and sharing these products and this information Additionally Hawking Hits on the Information Highway examines the rise of drug testing as a vehicle of the war on drugs and looks at how the Web has been used to market products and tips for cheating on drug tests The book identifies the challenges for law enforcement and other bodies in policing the Web and details how

Internet based sales are altering the war on drugs This groundbreaking book will particularly benefit students in college courses specifically addressing drugs criminology and law enforcement and will be useful in any course examining wider social issues

SOCIOLOGY OF MASS MEDIA Dr. Rajashree S. Maranoor,2022-05-13 Broad communications humanism of A medium is a method for correspondence like print radio or TV The broad communications are characterized as huge scope associations which utilize at least one of these advancements to speak with enormous quantities of individuals The Sociology of Media and Communication Division is worried about the interchange of media change and social change and spotlights on the complex connections between interceded correspondence and social relations on the miniature meso and full scale degree of society The pessimistic impacts of broad communications on society can lead individuals towards destitution wrongdoing nakedness brutality awful mental and actual wellbeing problems and others as such serious results For instance horde hitting honest people by getting out of hand from the tales spread on the web has been normal All About Science: Philosophy, History, Sociology & Communication Lui Lam,Maria Burguete,2014-10-15 There is a lot of confusion and misconception concerning science The nature and contents of science is an unsettled problem For example Thales of 2 600 years ago is recognized as the father of science but the word science was introduced only in the 14th century the definition of science is often avoided in books about philosophy of science This book aims to clear up all these confusions and present new developments in the philosophy history sociology and communication of science It also aims to showcase the achievement of China s top scholars in these areas The 18 chapters divided into five parts are written by prominent scholars including the Nobel laureate Robin Warren sociologist Harry Collins and physicist turned historian Dietrich Stauffer

Communication Carol Lea Clark,2001 **How and What Marketing Algorithms Think** Roberto Brognara,2022-10-27 This book argues that the apparent omnipotence of algorithms today is not what it seems particularly in marketing where they actually offer less than they could Considering the reasons behind this it also notes that Big Data has relaunched a kind of data glorification and automated procedures that culturally marketing has already recognized and overcome at least once This first generation of programmatic marketing which the giants of the digital economy launched 15 years ago and consolidated worldwide can be significantly improved with corresponding business results as well but first as this book shows we need to know which strategic and cultural boundaries impact Big Data **Research Methods** Steve Chapman,Patrick McNeill,Patrick McNeill,2005-04-25 Since its first edition in 1985 Patrick McNeill s Research Methods has become a classic introductory text for students of sociology at A level and in undergraduate courses as well as for a range of specialists in education business social care and medicine who need a brief but authoritative account of how sociologists set about conducting research After a brief overview of the history of sociological research which introduces key concepts this new edition co authored with Steve Chapman describes the main sociological research methods and includes sections on theory science and values as well as references to research studies developments in relevant sociological theory

developments in research methodology new material on the presentation of research findings Including an appendix of questions which students should ask when they are evaluating accounts of research this lasting text retains the clarity of style of the second edition and brings the content up to date **Navigating the Internet with Prodigy** Ned Johnson,1995 Introducing the reader to the Internet and its concepts this book then steps the reader through all the Internet tools that are available through Prodigy The coverage of each tool includes numerous real life examples of things to do on the Internet with that particular tool A listing of the best Internet resources available in each category is included Acrobatic Modernism from the Avant-garde to Prehistory Jed Rasula,2020 Moving through a vast geographical cultural and artistic terrain and juxtaposing numerous modernist works this volume explores the multiplicity of modernism and provides in depth case studies including of James Joyce's *Finnegans Wake* the reception of jazz music in Europe and the Cubist movement in the visual arts

Web-Based Education: Concepts, Methodologies, Tools and Applications Management Association, Information Resources,2010-02-28 This comprehensive collection offers a compendium of research on the design implementation and evaluation of online learning technologies addressing the challenges and opportunities associated with the creation and management of Web based applications and communities instructional design personalized learning environments and effective educational delivery Provided by publisher *ABA Journal* ,1998-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association The Effectiveness of Domestic Human Rights NGOs Scott Calnan,2008 Although human rights NGOs and especially domestic human rights NGOs have become crucial to the human rights movement over the years very little literature exists which describes their operations or sets out a framework in which they can be critically examined This book sets out to begin to fill this gap by focusing on how NGOs mobilise the law and how their effectiveness could be measured Focusing on case studies of actual domestic human rights NGOs and using a comparative methodology this book focuses its analysis on the real life problems of human rights NGOs The result is a revealing snapshot of the legal work of human rights NGOs and a vision of how they could become even more important in the future Politics, Policies and Pedagogies in Education Bob Lingard,2013-07-24 In the World Library of Educationalists international experts compile career long collections of what they judge to be their finest pieces of work extracts from books key articles salient research findings major theoretical and practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the field Bob Lingard has spent the last 30 years researching and writing in universities in Australia England and Scotland about changing education policy issues His work is written from a sociological perspective and with a commitment to social justice He is the co editor and co author of 17 books and more than 100 journal articles and book chapters In *Politics Policies and Pedagogies in Education* Bob Lingard provides critical sociological engagement with the politics of education The focus is education policy and the

impact of globalization including epistemological and methodological issues necessary for researching education policy today
 Topics analyzed include educational restructuring new accountabilities and testing mediatization of education policy policy
