Beaver, John Wright, 2009-05-07 Over the past two centuries many aspects of criminal behavior have been investigated Finding this information and making sense of it all is difficult when many studies would appear to offer contradictory findings The Handbook of Crime Correlates collects in one source the summary analysis of crime research worldwide It provides over 400 tables that divide crime research into nine broad categories Pervasiveness and intra offending relationships Demographic factors Ecological and macroeconomic factors Family and peer factors Institutional factors Behavioral and personality factors Cognitive factors Biological factors Crime

victimization and fear of crime Within these broad categories tables identify regions of the world and how separate variables are or are not positively or negatively associated with criminal behavior Criminal behavior is broken down into separate offending categories of violent crime property crime drug offenses sex offenses delinquency general and adult offenses and recidivism Accompanying each table is a description of what each table indicates in terms of the positive or negative association of specific variables with specific types of crime by region This book should serve as a valuable resource for criminal justice personnel and academics in the social and life sciences interested in criminal behavior *Sociology and Social Research* ,1987-10 *Proceedings of the 4th Annual Civic Education Conference (ACEC 2022)* Dede Iswandi,Dwi Iman Muthaqin,Baeihaqi,Pitria Sopianingsih,Nida Mujahidah Fatimah,Sri Maesaroh,Akhmad Fauzi,Sarah Fadilah Zein,Diexy Inkha Pradana,2023-08-26 This is an open access book The development of the industrial revolution era 4 0 and society 5 0 changed the ways of thinking and pedagogical practices in Civic Education toward a critical digital pedagogy In this context pedagogical practices focuses on both community and collaboration It remains open to the development of diverse information ways of communication and collaboration across cultural and political boundaries various perspectives in formulating definitions and solving problems It further requires instructional practices to use some applications beyond traditional educational institutions and contemporary digital technology in learning Therefore it is necessary to reprogram civic education in Indonesia within the framework of Critical Digital Pedagogy practice to shape students becoming good citizens in the digital era The Fourth Annual Civic Education Conference is an interdisciplinary and multidisciplinary platform that aims to bring leadingexperts educators policymakers researchers lecturers teachers and students to examine and take strategic roles in developing Critical Digital Pedagogy and its implications for civic education Welcome to the 4th International Annual Civic Education Conference ACEC 2022 **Third Survey of Research in Sociology and Social Anthropology** ,2000 Coverage for years 1980 1987 Homicide and Violent Crime Mathieu Deflem,2018-08-22 This edited volume includes chapters written by experts in the field dealing with the social scientific study of the causes patterns and consequences of violent crime and homicide in the contemporary world The themes range from domestic abuse to racial violence and killings in the United States and across the world **Indian Social Problems (Vol-1)** G.R. Madan,1966-07-02 This work is a comprehensive study of the social problems facing India at present It is the first study of its kind and provides a coordinated picture of social problems confronted by India particularly after Independence The revised editions now divided into five volumes Volume One presents an analysis of the causes of Social and Personal Disorganization and deals with the problems of crime and juvenile delinquency major social vices maladjustment in institutions resulting in poverty and unemployment population explosion undernutrition mass illiteracy students indiscipline moral degeneration misuse of leisure corruption family disintegration and community conflicts in the form of casteism provincialism lingualism and communalism Criminological Theory Matt DeLisi,Kevin M. Beaver,2014 A Fully Updated Second Edition of a Groundbreaking Text The

only textbook of its kind Criminological Theory A Life Course Approach Second Edition includes original chapters written by an interdisciplinary group of scholars and experts The unique collection of contributors comes from the fields of psychology social work epidemiology criminology psychiatry and sociology Unlike other criminology textbooks which focus exclusively on environmental and social correlates to criminal behavior Criminological Theory uses a multi disciplinary approach that synthesizes multiple factors and presents a more comprehensive picture of life course antisocial behavior Rather than concentrating exclusively on adolescence and adulthood Criminological Theory examines the development of offending behaviors from birth through death Each chapter incorporates a glossary of key terms to facilitate comprehension of topics and disciplines that might be unfamiliar to criminologists The revised and updated second edition includes critical overviews of current research and presents avenues for future research as well as empirical chapters featuring quantitative analyses and more traditional overview pieces Innovative and groundbreaking Criminological Theory A Life Course Approach Second Edition is an essential text for students of criminology criminal justice and sociology

Women Criminals Vickie Jensen, 2011-11-10 A unique two volume study that examines female crime and the women who commit it The two volume Women Criminals An Encyclopedia of People and Issues addresses both key topics and key figures in women s crime The first volume provides topical essays about areas critical to the understanding of female criminals such as the definition of women s crime explanations of women s criminality ethnic and age diversity in female criminals and responses of the criminal justice system The second volume comprises biographical entries profiling women who are obviously criminals such as Aileen Wuornos and Myra Hindley and also women who were victims of circumstance unjust laws or narrowly applied definitions of crime such as Rosa Parks Harriet Tubman and Sophie Scholl In addition to highlighting the breadth of women s criminality these portraits provide a holistic multifaceted understanding of the dynamics of women s crime and why it occurs connecting the individual stories to the larger social scientific perspectives Care has been taken to include the women s own voices and perspectives where possible and to address the intentions and reasoning of the system that responded to their criminality

The Theoretical Foundations of Criminology Jayne Mooney, 2019-12-06 To confront the challenges criminologists face today and to satisfactorily critique the theories on which criminology is founded we need to learn from the past To do this we must give context to both theorist and theory Written from a critical perspective this book brings criminological theory to life It presents the core theories of criminology as historical and cultural products and theorists as producers of culture located in particular places writing in specific historical periods and situated in precise intellectual networks and philosophical controversies This book illustrates that theory does not arise out of the blue and highlights the importance of understanding how and why ideas emerge at certain points in time why they gained currency and the influence that they have had It follows the trajectory of criminology from pre Enlightenment society through to the present day and the proliferation of criminological thinking It explores Setting the Stage for the Emergence of Criminology Classicist Criminology The Search for Justice Equality and the Rational Man The Positivist Revolution Physiognomy Phrenology and the Science of Othering Chicago School of Sociology An Explosion of Ideas Developing a Sociological Criminology Durkheim Du Bois Merton and Tannenbaum Feminism Redressing the Gender Imbalance Confronting the Establishment The Emergence of Critical Criminology From Theoretical Innovations to Political Engagement The Theoretical Foundations of Criminology provides an invaluable contribution to the growing conversation about criminology s origin story and the level that this is grounded in the idiosyncrasies of the North Atlantic world and its historical development This book will be invaluable reading to students and academics engaged in studies of criminology and criminal justice
