

A black and white photograph of Soekarno and a young boy in a garden. Soekarno, on the left, is wearing a dark military-style uniform with a peaked cap and is looking down at his hands. The boy, on the right, is wearing a light-colored double-breasted suit and is reaching out to pet a large dog. The dog is sitting and looking towards the boy. In the foreground, there is a large field of white tulips. The background shows a grassy area and some trees.

B. Hering,2003 **Soekarno** B. B. Hering,2002 This biography describes the life of Soekarno who proclaimed Indonesian independence on August 17 1945 and led his country as its first president until an unsuccessful coup in 1965 when he was gradually stripped of his power by his successor the army general Soeharto "Face the Nation" ... Guest CBS Television Network,Soekarno,1965 **Sukarno** L.J. Giebels,2015-08-01 Sukarno a biography is the first English language biography on Sukarno 1901 1970 the founding father and first president of Indonesia The book is both a biography of Sukarno and an account of the birth and ascent of the state of Indonesia The author reveals many little known facts and events He makes the reader realize that to understand the character of its first president is to understand today s Indonesia Sukarno was born in 1901 as the son of a schoolteacher in a country that had been a Dutch colony for almost three centuries For most of his life he was a subject of The Netherlands at least formally Although he never set foot in The Netherlands towards the end of his life he could still recite the names of all the Frisian waterways or all the train stations between major Dutch towns Sukarno once confessed that he dreamt prayed and swore in Dutch But he loathed the colonizer As soon as he became the president he banned the speaking of Dutch His charisma oratorical talent intelligence and ruthlessness eventually allowed this former architecture student to become the leader of the nationalist movement known as Indonesia Merdeka which means Indonesia Independent Although it took another four bloody years until the Dutch would accept Indonesia s independence for Indonesians today Merdeka became a reality after August 17 1945 But the departure of the Dutch in the 1950s didn t mean that president Sukarno was suddenly without enemies At least four attempts were made on his life between 1957 and 1962 The Indonesian president was convinced that the CIA saw him as a communist threat and was behind at least one of the assassination attempts Today s Indonesia still bears the mark of its first president Sukarno developed the five pillars of Pancasila the official philosophical foundation of the Indonesian state belief in God nationalism international humanism consensus democracy and social justice For example the fifth pillar social justice still requires the Indonesian government to allocate a substantial part of the national income to social security provisions such as unemployment health and disability insurance as well as pensions Sukarno s main constitutional heritage is the fact that Indonesia has become a unitary state Indonesia is an archipelago that is as wide as the distance between Ireland and the Caucasus it is the fourth most populous nation in the world Countries of similar size and diversity all have adopted federal forms of governance But in Indonesia federation is still a loaded concept one that many see as a betrayal of the fight against the colonial power This attests to how certainly Sukarno will remain a vital part of his nation s history About the author Dr Lambert J Giebels 1935 2011 was a Dutch politician and writer who was renowned in the Netherlands for his political

biographies His two volume biography of Sukarno written in Dutch originally consisted of 1 100 pages The English translation Sukarno A biography is an abridged version of those two volumes The translation is a collaboration between the Indonesian American Raden M Gatot Kusuma Sujanto and Geert van der Linden a former vice president of the Asian Development Bank in Manila
