Sofia De Los Presagios:

Sofía de los presagios Gioconda Belli, 1992 **Sofía de los presagios** Gioconda Belli, 2013-06-06 Magia y erotismo de la mano de la autora de *La mujer habitada* A la edad de siete años la pequeña Sofía se pierde entre la gente en medio de una vehemente discusión de sus padres y del desplazamiento atropellado de los gitanos Aunque el destino le brinda otros padres entrañables y un mundo nuevo también la enfrenta a muchas situaciones dolorosas y a la prepotencia patriarcal de Ren un marido que la encierra y la priva de su libertad Protegida por seres dotados de una sabiduría milenaria la sangre y la rebeldía de las gitanas de Sofía se imponen a través de rituales y ceremonias antiguas que la conducen hacia su verdadero origen y a dar por fin con el amor de su vida Sofía de los presagios nos permite adentrarnos en el mundo mágico de una de las grandes narradoras de nuestro tiempo Como ya hiciera en *La mujer habitada* Gioconda Belli dibuja un personaje femenino fascinante guiado por su instinto natural que se perfila como el epicentro de un universo literario cargado de sensualidad erotismo y feminidad

Politically Writing Women in Hispanic Literature Martha Rubi, 2011-10-31 This groundbreaking study explores feminist theory and literary criticism embedded in seventeen works by Hispanic American authors and Latina writers in the United States The books bring out women s philosophic and historic concepts of becoming a woman politically in the public sphere of society Philosophers like Luce Irigaray and Deleuze and Guattari have realized that woman s representation in philosophic discursions are missing The universal mankind or the omnipresent self can no longer ignore that women have different experiences than man in both the private and public realm Each aesthetic work whether novel poem or short story brings a woman centered concern written by a woman author The first fourteen lie in diversity historic national cultural and ethnic experiences that Hispanic women undergo daily or during

times of social upheaval mainly dictatorships How they write imparts experience and action in her trials of becoming multiple selves or subjectivities which theorists and female critics alike identify is missing from two thousand years of Western Philosophy The stories are unique as the introduction underlines the basis of the concept of becoming which women may embrace in writing themselves politically in literature The last four works by U S Latinas is further problematized through the process of immigration Hispanic women on their way to becoming Americans have many factors to consider race gender ethnicity education and social class which applies to all the main woman characters in each selective work The criterion is set in the Introduction and applied to work which inspired it Written from a multicultural standpoint draws from an interdisciplinary perspective whether psychology economics feminist theories philosophy and history The study intends to look at ways of thinking the woman question and how she defines herself in the process

Handbook of Latin American Environmental Aesthetics Jens Andermann, Gabriel Giorgi, Victoria Saramago, 2023-09-05 The Handbook of Latin American Environmental Aesthetics offers a comprehensive overview of Latin American aesthetic and conceptual production addressing the more than human environment at the intersection between art activism and critique Fields include literature performance film and other audiovisual media as well as their interactions with community activisms Scholars who have helped establish environmental approaches in the field as well as emergent critical voices revisit key concepts such as ecocriticism post extractivism and multinaturalism while opening new avenues of dialogue with areas including critical race theory and ethnicity energy humanities queer trans studies and infrastructure studies among others This volume both traces these genealogies and maps out key positions in this increasingly central field of Latin Americanism at the same time as they relate it to the environmental humanities at large By showing how artistic and literary productions illuminate critical zones of environmental thought articulating urgent social and material issues with cultural archives historical approaches and conceptual interventions this volume offers cutting edge critical tools for approaching literature and the arts from new angles that call into question the nature culture boundary
