Books on Turkey, 2005 **By Bread Alone** Kendall Vanderslice, 2023 A satisfying offering that will prove good medicine for the hungry soul Publishers Weekly Bread is central to God's story and to your story too Our spiritual lives are deeply connected to bread the bread we break with family and friends and the Bread that is Christ's Body given and broken

for us It's easy to choose the cheapest most convenient option but the life of Jesus and the story of Scripture as well as the substance of bread itself shows us that there is more In *By Bread Alone* Kendall Vanderslice a professional baker and practical theologian who spends her days elbow deep in dough reveals that there is no food more spiritually significant than bread whether eating baking sharing or breaking Kendall has struggled with hunger ever since she can remember hunger for bread yes but also for community and for the ability to taste and see the goodness of God She knows the tension of bread as blessing and bread as burden but has learned that bread also offers a unique opportunity to heal our relationship to the body of Christ and to our own bodies In *By Bread Alone* she weaves her own faith filled journey together with original recipes and stories about the role of bread in church history revealing a God who draws near to us and creatively provides for our daily needs When words fail when we cry out in longing and loneliness when God feels impossibly far away *By Bread Alone* displays the tangible expression of God's presence and provision for us in the form of bread It's the story of hunger and family of friendship and unmet longing It's the story of a God who meets us in both sacred and mundane ways In the mixing and kneading in the waiting and partaking may God also meet you **The ChopChop Family Cookbook** Sally
