legacies of colonialism that persist today Bringing together essays from two decades of prolific publishing on international colonial history Webs of Empire establishes Tony Ballantyne as one of the leading historians of the British Empire

Re-orienting Western Feminisms Chilla Bulbeck,1998 The agenda of contemporary western feminism focuses on equal participation in work and education reproductive rights and sexual freedom But what does feminism mean to the women of rural India who work someone else s fields young Thai girls in the sex industry in Bangkok or Filipino maids working for wealthy women in Hong Kong In this 1998 book Chilla Bulbeck presents a bold challenge to the hegemony of white western feminism in this incisive and wide ranging exploration of the lived experiences of women of colour She examines debates on human rights family relationships sexuality and notions of the individual and community to show how their meanings and significance in different parts of the world contest the issues which preoccupy contemporary Anglophone feminists She then turns the focus back on Anglo culture to illustrate how the theories and politics of western feminism are viewed by non western women

The Chinese Overseas Wang Gungwu,2009-06-01 The Chinese overseas now number 25 to 30 million yet the 2 000 year history of Chinese attempts to venture abroad and the underlying values affecting that migration have never before been presented in a broad overview Despite centuries of prohibition against leaving the land and traveling and settling overseas the earthbound Chinese first traders then peasants and workers eventually found new sources of livelihood abroad The practice of sojourning being always temporarily away from home was the answer the Chinese overseas found to deal with imperial and orthodox concerns Today their challenge is to find an alternative to either returning or assimilating by seeking a new kind of autonomy in a world that will come to acknowledge the ideal of multicultural states In pursuing this story international scholar Wang Gungwu uncovers some major themes of global history the coming together of Asian and European civilizations the ambiguities of ethnicity and diasporic consciousness and the tension between maintaining one s culture and assimilation

To the Islands Paul Battersby,2007-08-21 To the Islands offers a unique perspective on the evolution of economic social and political interconnections between Australia and its island region spanning two centuries from the early years of British colonization to the present day The book advances the argument that globalizing processes are drawing Australia incrementally closer to modern day South East Asia and the wider Asia Pacific While globalization is a term commonly associated with the twentieth century world this study traces the history of Australia s regionalisation back to the nineteenth century to the lived experiences of Australian travelers tourists prospectors mining entrepreneurs in the Netherlands Indies Malaya and Siam or Thailand as it is known today To the Islands challenges the orthodox view that Australia s relations with its regional neighbors were insignificant before the outbreak of war in the Pacific in 1941 By the early 1900s Java was a popular tourist destination for Australians while Malaya and Siam were emerging as major Australian foreign investment destinations In placing economic and social interactions ahead of political and security concerns in the analysis of Australia s regional relations the book highlights the role of non state actors and people to people connections in

shaping the contours of Australian diplomatic engagement with South East Asia and the South West Pacific To the Islands is an essential book for advanced students and researchers of the history and politics of the Asia Pacific and Australia

Cultural Curiosity Josephine M.T. Khu,2001-07-11 This anthology of autobiographical essays reveals the human side of the Chinese diaspora Written by ethnic Chinese who were born or raised outside of China these moving pieces full of the poignant details of everyday life describe the experience of growing up as a visible minority and the subsequent journey each author made to China The authors whose diverse backgrounds in countries such as New Zealand Denmark Sri Lanka England Indonesia and the United States mirror the complex global scope of the Chinese diaspora describe in particular how their journey to the country of their ancestors transformed their sense of what it means to be Chinese The collection as a whole provides important insights into what ethnic identity has come to mean in our transnational era Among the pieces is Brad Wong s discussion of his visit to his grandfather s poverty stricken village in China s southern Guangdong province He describes working with a few of the peasants tilling vegetables and compares life in the village with his middle class upbringing in a San Francisco suburb In another essay Milan Lin Rodrigo tells of her life in Sri Lanka and of the trip she made to China as an adult She describes the difficult and sometimes humorous cultural differences she experienced when she met her Chinese half sister and her father s first wife Josephine Khu s lively afterword provides background information on the Chinese diaspora and gives a theoretical framework for understanding the issues raised in the essays This intimate and rich anthology will be compelling reading for all who are seeking answers to the increasingly complex issue of ethnic and personal identity

S.T. Gill & His Audiences Sasha Grishin,2015-07-01 Samuel Thomas Gill or STG as he was universally known was Australia s most significant and popular artist of the mid nineteenth century For his contemporaries he epitomised Marvellous Melbourne basking in the glow of the gold rushes He worked in South Australia Victoria and New South Wales and left some of the most memorable images of urban and rural life in colonial Australia A passionate defender of Indigenous Australians and of the environment Gill in his art celebrated the emerging quintessential Australian character This is the first major comprehensive book to be devoted to Gill and presents a radical reassessment of one of the most important figures in Australian colonial art and reproduces in some instances for the first time some of the most startling images from nineteenth century Australian art There will be an exhibition of S T Gill s work at the State Library of Victoria in July 2015 and at the National Library of Australia in June 2016 plus smaller shows in regional Victorian galleries In association with the State Library of Victoria

Chinese Migration and Families-At-Risk Ko Ling Chan,2015-10-05 Migration has played a

significant role throughout Chinese history Over the past few decades the movements of the Chinese people representing as they do a huge proportion of the world population have attracted increasing attention both domestically and globally Chinese migration is often a particularly complex phenomenon On one hand its characteristics have been shaped in many ways by numerous social political and economic changes throughout the world while on the other it has profound influences on the host countries and on China itself Detailed investigation of the changing profiles of Chinese migrants the reasons behind their movements the challenges they face and the strategies they use to cope with these problems will have significant implications for future policy making and practice Chinese Migration and Families At Risk contributes to a better understanding of the various facets of Chinese migration Its chapters address different concerns related to Chinese migration in the modern world including the patterns and influences of internal migration within China the issues related to migration from mainland China to Hong Kong a special administrative region in China and the history features and impact of Chinese migration to Western countries Grounded in recent and contemporary research and scholarly inquiry Chinese Migration and Families At Risk provides a comprehensive and critical review of the essential issues related to Chinese migrant families and is undoubtedly a vital book for all who want to have a deeper understanding of the trends and current situation of Chinese migration

Gold Iain McCalman, Alexander Cook, Andrew Reeves, 2001-03-12 Throughout history gold has been the stuff of legends fortunes conflict and change The discovery of gold in Australia 150 years ago precipitated enormous developments in the newly settled land The population and economy boomed in spontaneous cities The effects on both the environment and indigenous Aboriginal peoples have been profound and lasting In this book a team of prominent historians and curators have collaborated to produce an innovative cultural history of gold and its impact on the development of Australian society

Chinese Migrant Entrepreneurship in Australia from the 1990s Jia Gao, 2015-08-08 For more than two decades Australia has not only prospered without a recession but has achieved a higher growth rate than any Western country This achievement has been credited to Australia's historic shift to Asia the transformation of the relationship between these two countries is one of the most important changes in the Asia Pacific region However the role of new Chinese migrants in transforming Sino Australian relations through their entrepreneurial activities has not been deeply explored Chinese Migrant Entrepreneurship in Australia from the 1990s adds new theoretical considerations and empirical evidence to a growing interest in entrepreneurship and presents an account of a group of new Chinese migrant entrepreneurs who have succeeded in their business ventures significantly contributing to both Australia and China The first chapter introduces the history between Australia and China followed by chapters focusing on post migration realities economic opportunities Chinese outbound tourism and the use of community media The final chapter concludes with a summary Focuses on the people whose entrepreneurial activities have spread across industries and facilitated trade and cultural contacts Analyses the experiences of the new migrants from China Offers evidence that challenges outdated but still widely held assumptions about

ethnic Chinese entrepreneurs Presents longitudinal research on the new Chinese migrant community in Australia since the late 1980 s Demonstrates a dynamic process that challenges the overemphasis on the impact of globalisation on Chinese entrepreneurs

Asian Material Culture Marianne Hulsbosch, Elizabeth Bedford, Martha Chaiklin, 2009 This richly illustrated volume offers the reader unique insight into the materiality of Asian cultures and the ways in which objects and practices can simultaneously embody and exhibit aesthetic and functional characteristics as well as everyday and spiritual aspirations Though each chapter is representative rather than exhaustive in its portrayal of Asian material culture together they clearly demonstrate that objects are entities that resonate with discourses of human relationships personal and group identity formations ethics values trade and above all distinctive futures
