Sola Scriptura:

Sola Scriptura ,2017-11-06 Sola Scriptura offers a multi disciplinary reflection on the theme of the priority and importance of Scripture in theology from historical biblical theological and systematic theological perspectives aiming at the interaction between exegesis and dogmatics Brian Brock and Kevin J Vanhoozer offer concluding reflections on the theme bringing the various contributions together The Shape of Sola Scriptura Keith A. Mathison,2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries Scripture Alone? Joel Peters,1999-12 Here are the classic reasons why the Protestant dogma of Sola Scriptura Scripture Alone is absolutely wrong is unscriptural man made and prevents Protestants from ever having a firm doctrinal foundation The book shows that Christ gave us Tradition and the teaching authority of His Church the first Christians did not have a complete Bible and Scripture itself states that it is insufficient of itself calling the Church and not the Bible the pillar and ground of the truth **Sola Scriptura!** John MacArthur,Robert Godfrey,R. C. Sproul,James White,1995 A sequel to Justification by Faith Alone this aims to restore the confidence of Protestants in the Reformation cry of sola scriptura the sufficiency of the Scriptures as the final authority for faith and practice **The Fight for Sola Scriptura** Matthew Cserhati,2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is

because the authority of the Scriptures themselves are cast into doubt *Sola Scriptura* Sidney Greidanus,2001-10-31 This book deals with a key question every pastor faces nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students *Sola Scriptura Topical Bible: What Does The Bible Say About Prayer?* Daniel John,2020-08-30 84 pages What does The Bible say about Prayer and Praying Read every reference to angels and angelic beings from The Bible in order from the Book of Genesis to Revelation Sola Scriptura means only the Scriptures and as a concordance lists where in The Bible each keyword appears this book lists each of those references in full context so that you can quickly read everything that The Bible itself says about Prayer When you read all of the references to a spiritual topic you will reach the balance point of personal truth and understanding about what The Bible itself says You can mark or highlight those verses that are or most interest or importance Look for other topics in this series of booklets such as Angels Healing and The Sabbath Also look on Amazon for the Sola Scriptura Topical Bible Top 20 Spiritual Symbols which features 20 of the most important spiritual topics and symbols from the Bible that every person should know including Baptism Commandments Covenant Miracles Heaven The Holy Spirit Resurrection The Son of God and more *Fundamentals of the Faith* Peter Kreeft,1988 A collection of essays in which Peter Kreeft examines the fundamental elements of Christianity and Catholicism and their relation to everyday life **Sola Scriptura Topical Bible: What Does The Bible Say About Healing?** Daniel John,2020-08-23 70 pages What does The Bible say about Health and Healing Read every reference to angels and angelic beings from The Bible in order from the Book of Genesis to Revelation Sola Scriptura means only the Scriptures and as a concordance lists where in The Bible each keyword appears this book lists each of those references in full context so that you can quickly read everything that The Bible itself says about Healing When you read all of the references to a spiritual topic you will reach the balance point of personal truth and understanding about what The Bible itself says You can mark or highlight those verses that are or most interest or importance Look for other topics in this series of booklets such as Angels Prayer and The Sabbath Also look on Amazon for the Sola Scriptura Topical Bible Top 20 Spiritual Symbols which features 20 of the most important spiritual topics and symbols from the Bible that every person should know including Baptism Commandments Covenant Miracles Heaven The Holy Spirit Resurrection The Son of God and more *Sola Scriptura* Ben Witherington (III),2023 Chronicles the development of beliefs about Scripture s authority and the concept of Sola Scriptura to the present *The Sola Scriptura Challenge* Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both

Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church

Sola Scriptura Keith E. D. Buhler, 2012-06-10 Ever wondered how to interpret Scripture correctly Are you Catholic Protestant or confused Sola Scriptura A Dialogue explores the history and definition of the doctrine that defined the Reformation In a fictional Platonic dialogue form that mixes stage play and novel each viewpoint is carefully articulated by a character who actually believes it The Sola Scriptura debate can get intense You ll be fascinated as five friends from varying viewpoints Roman Catholic Eastern Orthodox Anglican Methodist and Evangelical journey together through a discussion of Holy Scripture and tradition These crucial questions may shake their friendships and their faith Though divided by denomination these friends are united by a love for Christ and a search for truth Their dialogue gives you the reader a chance to dialogue with them Test yourself as they test the Word of God and the traditions of men

Retrieving the Tradition and Renewing Evangelicalism Daniel H. Williams, 1999 A learned and uniquely constructive book that gently urges suspicious Christians to reclaim the patristic roots of their faith This is the first book of its kind meant to help Protestant Christians recognize the early church fathers as an essential part of their faith Writing primarily to the evangelical independent and free church communities who remain largely suspicious of church history and the relationship between Scripture and tradition D H Williams clearly explains why every branch of today s church owes its heritage to the doctrinal foundation laid by postapostolic Christianity Based on solid historical scholarship this volume shows that embracing the catholic roots of the faith will not lead to the loss of Protestant distinctiveness but is essential for preserving the Christian vision in our rapidly changing world

The Drama of Doctrine Kevin J. Vanhoozer, 2005-01-01 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church s witness as prophetic and apostolic

The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity Casey J.

Chalk,2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There s a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out

Sola Scriptura Joel R. Beeke,Don Kistler,2009 Keith Mathison clearly investigates the development of this doctrine from the days of the early church to the fourth century assault on it from its recovery during the Reformation to the relativism and individualism that permeates it in today s teaching In addition Mathison demonstrates that the widespread misunderstanding of the doctrine of sola Scriptura is eroding the church from within fueling conversions from Protestantism to other religions and undermining the relationship among Scripture church tradition and individual believers as set forth by the early church and restated by the Reformers

Pillars of Sola Scriptura Dave Armstrong,2012-09-02 Sola Scriptura Scripture Alone is considered one of the two pillars along with sola fide or faith alone of the Protestant Revolt of the sixteenth century It s fundamental in Protestant thinking with regard to the all important issue of Christian authority and determination of true theology Most Protestant defenders of Scripture Alone contend that it is taught in the Bible I maintain that their alleged prooftexts are invariably logically circular and fatally weak William Whitaker 1548 1595 was an Anglican apologist His masterwork was Disputation on Holy Scripture published in 1588 William Goode 1801 1868 also an Anglican wrote The Divine Rule of Faith and Practice in 1842 These two works are considered by many Protestants to be the best defenses of sola Scriptura ever penned I contend that they fail in their task and that if indisputable biblical evidences for the position can t be found it collapses in a heap of self contradiction

Dead on Arrival David L. Gray,2010-12-20 The Doctrine of Sola Scriptura Bible Only teaches that Scripture the Bible alone is the sole source of authority for the Christian and the Church Coined and promulgated by Martin Luther and John Calvin 1500 s this doctrine has become the ground floor upon which all of the doctrine of Protestant Christianity has been built If it can be proven that Sola Scriptura is in error and that it is an innovation to orthodox Christianity the entire body of purely Protestant doctrine will be subsequently rendered void Using Scripture itself reason and a spoon full of humor David L Gray also called Yoseph Daviyd brilliantly reduces the doctrine of Sola Scripture to absolute absurdity thus rendering all of Protestantism Dead on

Arrival This book is a must have for all Christians who love sacred Scripture and desire to use it as God intended This the Second Edition The changes to the text from the previous version include additional material modification to images and correction of typos **Sola Scriptura in Asia** Yongbom Lee, Andrew R. Talbert, 2018-11-09 The echo of Luther's hammer resounds in Asia five hundred years after the Wittenberg controversy the cross is a flashpoint in China Korea seeks ecclesiastical reform the mystical union thrives in Laos even Kant whispers in old Batavia The diversity of ideas and influences of the Reformation is as broad and fascinating as the continent resisting reduction to the postcolonial movement and demonstrating an affinity with Protestant foundations that somehow remains uniquely Asian This volume brings together the reflections of Christian academics from the continent to offer a sample of the theological work that remains largely inaccessible to the broader scholarly community with contributions in the fields of theology biblical studies philosophy and Christian higher education If the quincentennial of the Reformation has revealed anything it is the inauguration of Asia as the locus of biblical and theological scholarship for the next five hundred years
