Soldier L Embaby Seige:

Soldier L: The Embassy Siege Shaun Clarke, 2013-12-12 Ever since its formation during World War II the Special Air Service had operated under conditions of such secrecy that few members of the public even knew of its existence By the evening of 5 May 1980 all this had changed drastically On the morning of 30 April the Iranian Embassy at No 16 Price s Gate in London was seized by six well armed terrorists members of the Revolutionary Movement for the Liberation of Arabistan Nineteen Iranian nationals and four British citizens were captured During the subsequent negotiations between the terrorists and the British police a number of the hostages were released When on the fifth day of the siege one of the hostages was shot dead and his body pushed out through the door of the Embassy the police decided that the time for negotiation was over and asked the military to end the siege The only men deemed to possess enough skill and daring for this dangerous task were those of the legendary Special Air Service the SAS In fact convinced that they would eventually be called in to rescue the hostages the SAS had already mapped out and practised a high risk operation in their top secret Killing House in Hereford and in some army barracks two miles from the Embassy On the evening of 5 May their well rehearsed plans were put into action when twelve SAS soldiers dressed in black in wearing anti gas respirators and NBC hoods made their courageous assault on the Embassy Using a combination of abseiling ropes stun grenades sub machine guns and 9mm high power handguns and in the full glare of the international media they routed the terrorists and succeeded in rescuing the hostages Within hours the SAS once relatively unknown had become the most celebrated regiment in the history of modern warfare

Soldier R: Death on Gibraltar Shaun Clarke, 2013-12-12 In May 1987 a successful SAS ambush resulted in the deaths of eight IRA terrorists in Loughgall Aware that retaliation was certain British intelligence went on the alert and eventually established that the IRA had selected Gibraltar as being a soft target and one identified with British imperialism In November the terrorism experts of Madrid s Servicios de Informaci n informed British intelligence that two male members of the IRA had arrived in Southern Spain under false names British intelligence assumed immediately that the two men were intending wither to murder some of the British residents on the Costa del Sol or to attack a British Army target on Gibraltar The changing guard outside the Governor of Gibraltar s residence was judged to provide the most likely opportunity for such an attack The most likely date was 8 March 1988 when the band parade ceremony of the 1st Battalion of the Royal Anglian Regiment was due to take place For the next few months British and Spanish intelligence services kept the two men under surveillance waiting for them to travel from Spain to Gibraltar In February MI5 reported that an Irishwoman travelling under a false identity had repeatedly visited the rock and attended the guard ceremony Now that there appeared to be little doubt about the target the British government decided to send a hit team to Gibraltar to prevent the planned bombing if necessary by killing the terrorists The only men even considered for this dangerous operation were the legendary Special Air Service the SAS Soldier R SAS Death on Gibraltar tells the story of what was to become the most controversial of all SAS campaigns

a deadly cat and mouse game that called into play all the expertise and tenacity at the SAS team's disposal **Soldier W: Guatemala - Journey Into Evil** David Monnery, 2013-12-12 In the Central American republic of Guatemala government sponsored torture and mass murder had reduced the Mayan Indian population to a despairing acquiescence and after five hundred years of struggle it began to seem as if the conqueror's peace could at last be claimed in the capital Then at the beginning of 1995 a guerrilla leader whom the authorities had long believed dead sprang mysteriously back to life No loyal Guatemalan could identify him and the government was compelled to seek help elsewhere from one of the two SAS soldiers who had helped to mediate a hostage crisis with the guerrilla almost fifteen years earlier To the government in Whitehall it appeared a straightforward enough exercise but for the soldier and his comrades the mission soon turned into a nightmare of impossible choices and then land of Guatemala magical and cruel by turns proved much easier to enter than to escape

Soldier P: Night Fighters in France Shaun Clarke, 2013-12-12 In September 1944 following the successful Anvil landings of the previous month the Allies were planning airborne landings in the Orly Gap In order to soften the enemy before the landings they decided to drop a squadron of men and jeeps by parachute in central France These men were tasked with engaging in a series of daring hit and run night raids against enemy positions to distract attention from the landings taking place elsewhere Only one group of men was deemed resourceful enough for such a high risk mission the legendary Special Air Service the SAS Operation Kipling began when 46 jeeps and 107 well armed SAS men from C Squadron were parachuted in with orders to establish a base and make contact with the Maquis Frenchmen living in makeshift camps in the forest having fled from the Germans to conduct sabotage missions behind enemy lines Even as the SAS men were setting up their secret base camp the airborne landings were cancelled and the SAS was ordered to conduct aggressive patrolling Over the next six weeks C Squadron carried out a succession of perilous raids against the Germans racing into occupied towns I jeeps firing on the move and racing out again The SAS continually harassed the enemy and inflicted heavy casualties By the Operation Kipling had ended the very mention of the SAS was enough to make even the crack troops of the German Army tremble with fear and in many cases throw down their arms and surrender *Soldier P: SAS Night Fighters in France* is the story of this daredevil World War Two operation little known but utterly vital

Soldier G: The Desert Raiders Shaun Clarke, 2013-12-12 In the North African desert in 1941 the war is being won by the brilliant German commander General Rommel and the British are in retreat on all fronts A young British army lieutenant David Stirling believes that the only way to reverse this situation is to attack the enemy behind their own lines using small groups of men who can insert by land sea or air as required The first of these men are dropped by parachute to attack enemy airfields in the Gazala area but the raid is a disaster with many lives lost The following year the survivors of that operation now working hand in hand with the Long Range Desert Group mount a series of spectacular successful raids in heavily armed jeeps against airfields in the Benghazi region destroying nearly a hundred enemy aircraft leaving the German army reeling and reversing the course of the war In

September 1942 having proved their worth that group of bold resourceful men is formed into a new British army regiment to be used for special and especially dangerous operations behind enemy lines They are listed officially as the 1st Special air Service Regiment the SAS Soldier G SAS The Desert Raiders is the colourful story of the birth of the most renowned regiment in the history of the British Army forged with fire and steel in the vast sun scorched plains of the North African desert pitting themselves against the might of the formerly invincible German Army and gaining a reputation that would make them a legend in their own time *Marine G SBS* David Monnery,2016-01-20 South China Sea 1995 Pirates rule the waves and ships are disappearing in deadly ocean blackspots To combat these cut throats a SBS team is sent to Singapore to play a game of high stakes hide and seek across the tropical seas picking up a trail which leads them north towards Hong Kong Meanwhile as the Communist Chinese takeover looms for the British colony Inspector Rosalie Kai is investigating a barbaric cross border trade in unwanted female babies Soon both she and the SBS team find themselves in the underworld jungle up against a criminal organization that stretches from one end of the South China Sea to the other fighting rogue elements of the Indonesian Army corrupt policemen and the foot soldiers of the fearsome Triads This is classic military fiction at its best **Soldier B: Heroes of the South Atlantic** Shaun Clarke,2013-12-12 On June 14 1982 after a bloody war on land and sea and in the air British forces forced the Argentinians to surrender in the Falkland Islands Vital to that great victory but hidden behind a veil of secrecy were the many daring exploits of the legendary Special Air Service the SAS Landed on enemy territory by boat submarine helicopter aeroplane and parachute the SAS performed tasks too dangerous for the average soldier Surviving hunger thirst freezing cold isolation silence and constant danger the SAS gathered vital intelligence engaged in espionage disrupted enemy communications and when necessary attacked and killed the enemy Now at last in fictional form for reasons of security but firmly based on fact the extraordinary story of the SAS s involvement in the Falklands can be told Soldier B SAS Heroes of the South Atlantic is the second in a series of novels based on this extraordinary regiment a thrilling factoid adventure about the most daring soldiers in military history the SAS *Soldier H: The Headhunters of Borneo* Shaun Clarke,2013-12-12 In 1963 the former British colony of Malaya was lobbying for the formation of a new political entity the Federation of Malaysia Singapore Sabah North Borneo Brunei and Sarawak Viewing this as a threat to his dreams of expansion President Sukarno of Indonesia began infiltrating insurgents into Borneo In response the British organised a force of Malay British and Commonwealth troops to contain the rebels What was most desperately needed however was a specialist group who could perform highly dangerous and arduous military tasks in the inhospitable perilous terrain The only men suitable for such operations were the legendary Special Air Service the SAS Soldier H SAS The Headhunters of Borneo is the story of one of the least known most extraordinary wars in British history The SAS braved jungle and swamp infested with snakes lizards leeches wild pigs and all kinds of poisonous insects to live with the primitive headhunting natives in their longhouses by the rivers winning their hearts and minds with medical aid and

other assistance then training them as paramilitaries who would eventually become known as the Border Scouts While some of the SAS remained for months with the headhunters other moved even deeper into the unexplored jungle the Gap to establish ambush sites and helicopter landing zones They also conducted daring Claret raids across the border when as the renowned Tiptoe Boys who hit hard and vanished fast they set booby traps and ambushed enemy troops moving along the many jungle tracks and rivers They fought a bloody nightmarish war and won it

Soldier F: Guerillas in the Jungle Shaun Clarke,2013-12-12 In 1948 Communist terrorists were waging a bloody war against estates and rubber plantation owners in Malaya Chased into the interior by British Army units the guerrillas soon became experts at survival and evasion emerging from the jungle only to launch increasingly ferocious attacks In 1952 on the recommendation of Lieutenant Colonel Mad Mike Calvert veteran of the Chindit campaigns in Burma 22 SAS was formed as a special counter insurgency force Three years later the re formed SAS began their jungle patrols They learned how to survive for weeks at a time in hostile terrain often waist deep in water and under attack from wild animals leeches and poisonous insects That extraordinary campaign climaxed in a nightmarish two weeks in the Telok Anson swamp tracking the troops of the notorious Baby Killer Ah Hoi while the regiment s dreadful and unforgettable experiences in the Malayan jungle laid the foundations for the SAS s legendary survival skills

Soldier K: Mission to Argentina David Monnery,2013-12-12 In May 1982 as the British Task Force prepared for the recapture of the Falkland Islands a lone Sea King helicopter made an apparently forced landing in the southernmost reaches of Chile Its crew barely credibly claimed to have been propelled off course by a combination of adverse weather conditions and engine trouble The reality never officially disclosed was rather different The only threat to the Task Force and the enemy's only hope of ultimate victory lay in Argentina's Super Extended aircraft and their sea-skimming Exocet missiles Since radar could not be relied upon as an adequate means of detection the British opted for a less conventional warning system Before landing in Chile the stray Sea King dropped a team of men into Argentina where they were tasked with remaining hidden within sight of the airfields and within easy reach of the enemy's security patrols The only men who could be entrusted with this difficult and dangerous mission were members of the legendary Special Air Service the SAS Getting the men in was easy enough but once they were there staying unobserved was another matter and eventual escape far from certain despite help from an unexpected quarter in the shape of a beautiful woman guerrilla a survivor of Argentina's dirty war Soldier K SAS Mission to Argentina tells the electrifying story of this SAS operation from the inside a heart-stopping hair-raising thriller about the regiment equalled by no other the SAS

Monnery,2013-12-12 Guillermo Macias disappeared in 1976 in Argentina s Dirty War Twenty years later in 1996 his terminally ill father was determined that someone should find out what had happened to him and why He had the names of two men he wanted questioned one in Mexico City the other in a prison on the Colombian island of Providencia but no one to ask the questions A friend of the family suggested retired SAS hero Jamie Docherty now living with his Argentine wife in neighbouring Chile Marysa Salcedo had disappeared on a picnic the previous year along with four other young women Her family had given her up for dead when her older sister Carmen stumbled upon a Miami newspaper story that mentioned two of the friends One had just died of a drug overdose the other half deranged told a garbled story of sexual slavery on a Caribbean island which sounded suspiciously like Providencia MI6 and the British Government were also more than a little interested in the island They were certain that a huge drug trafficking empire was run from the prison and knew that at least some of the profits were being funnelled by its Argentine guest into the financing of a mercenary invasion of the Falklands Ignored by the Colombian authorities and mysteriously obstructed by their American allies the British had no choice but to send their own elite force the SAS **Soldier U: Bandit Country** Peter Corrigan,2013-12-12 July 1989 South Armagh the

cheering mobs stood over the body of a British soldier He was the ninth to have been killed by the so called Border Fox an IRA sniper whose activities had helped to make this area of the United Kingdom the most feared killing ground in Western Europe The British government was determined to break the tightly knit South Armagh Brigade of the IRA before more lives were lost This task would demand unique skills skills possessed only by the men of the Special Air Service The SAS men of Ulster Troop are the best in the world at surveillance unsurpassed in counter insurgency techniques And now once again they were going to have to prove it Soldier U SAS Bandit Country tells the story of their hunt for the Border Fox and the terrorists of South Armagh a murderous little publicised war in which every encounter whether in or out of uniform was potentially a battle to the death **Soldier M: Invisible Enemy in Kazakhstan** Peter Cave,2013-12-12 In the 1990s in the

bleak snow capped mountains of Kazakhstan the SAS return to settle a score which goes back almost half a century and to face a new and terrifying enemy an enemy that is silent deadly and invisible and that will test their endurance and their equipment to the limit Almost fifty years earlier in 1945 even as treaties were being signed in Berlin treachery was being planned An SAS patrol on a routine mission was ambushed and massacred by a cynical and ruthless Russian KGB Major with an insane dream of a new and terrible form of biological warfare In the post war years captured Nazi medical personnel and the cream of the USSR s scientists were established in a high security research facility in the remote mountainous region of Kazakhstan close to the Mongolian border Although the complex s inhuman experiments were devastatingly successful and although it was still funded by the KGB by the early 1980s the virtually autonomous complex with its well armed security unit

and fanatically independent community was almost forgotten by the Soviet authorities Until that is sketchy reports of an accident possibly a plague or leak of a mutated virus from a biological experiment filtered through to American intelligence A Russian army team sent in to investigate disappeared without trace The Chinese terrified that their territory might be threatened by the leak turned to Britain an unlikely ally for help Only one group of men was deemed capable of discovering the truth behind the underground facility the legendary Special Air Service the SAS *Soldier T: War on the Streets* Peter Cave, 2013-12-12 Terrorist bombs in town and city streets an ever rising tide of crime and a teenage drug problem that was rapidly escalating out of control this was the ugly face of Great Britain in 1995 The conventional police forces were already stretched beyond their limit and now a new threat was looming A fanatical right wing movement that in recent months had wreaked murder and chaos in mainland Europe was spreading its evil tentacles into the UK Using terrorism and crime to fund its undercover activities and a frightening new drug to spur on its growing army of bullyboys to unprecedented extremes of violence it threatened to turn the streets of Britain's towns and inner cities into battlegrounds of anarchic brutality In desperation the civil authorities turned to the only group of men who might be able to confront and beat these fanatics on their own terms the legendary Special Air Service the SAS Guided by a maverick undercover drug cop the SAS team were pitted against an enemy as ruthless and deadly as any the regiment had faced in its chequered and splendid history The SAS were at war and that war was just outside the window a war on the streets
