Soldier X Operation Takeaway:

Soldier X: Operation Takeaway Doug Armstrong, 2013-12-12 For Captain Don Headley of the SAS the police anti terrorist exercise on the outskirts of Heathrow Airport was to have been just another training job But in the grey suburban sprawl on the edge of London another far more sinister plot was about to unfold a plot that would suck him in relentlessly and send him off on a hostage rescue mission to the Indian subcontinent Under the auspices of the inscrutable Intelligence chief Sir Anthony Briggs the operation would reunite him with some of the hardest troopers from Hereford for only such a hand picked team was capable of storming a terrorist stronghold among the mountain fastnesses of Pakistan And only the very best would have a chance of coming back alive Central to the mission was the mysterious Mr Sanji It was at the cost of precious lives that Don and his men would learn the horrific secret of this world weary man and understand at last that the roots of the kidnap plot lay buried in the dying days of the British Raj

Soldier Z: For King and Country David Monnery, 2013-12-12 By early 1944 the tide of the war was flowing steadily against the Germans but to the Western Allies the need for a speedy victory was becoming more apparent with each new Russian advance and each new hint of the horror at work in the camps of occupied Europe The SAS born in North Africa as a strategic raiding force behind enemy lines was well suited to performing a similar role in the different terrain of the Italian mountains and French forests Here after making common cause with the local partisans they could cut the road and rail lines which served the front line German armies Hitler knew as much and was determined that the SAS should pay a terrible price for their efforts In October 1942 he had issued the infamous Commando Order which decreed that the raiders captured behind enemy lines whether in or out of uniform would be summarily executed Denied the safety net usually provided by the rules of war the SAS embarked on each new mission knowing that it would end in either success or death Soldier Z SAS For King and Country tells the riveting story of the undertaking and execution of these death defying operations and of how later in the final days of war and the opening weeks of peace the survivors at last began to seek out the murderers of their comrades and bring them to justice

Soldier Y: Days of the Dead David Monnery, 2013-12-12 Guillermo Macias disappeared in 1976 in Argentina's Dirty War Twenty years later in 1996 his terminally ill father was determined that someone should find out what had happened to him and why He had the names of two men he wanted questioned one in Mexico City the other in a prison on the Colombian island of Providencia but no one to ask the questions A friend of the family suggested retired SAS hero Jamie Docherty now living with his Argentine wife in neighbouring Chile Marysa Salcedo had disappeared on a picnic the previous year along with four other young women Her family had given her up for dead when her older sister Carmen stumbled upon a Miami newspaper story that mentioned two of the friends One had just died of a drug overdose the other half deranged told a garbled story of sexual slavery on a Caribbean island which sounded suspiciously like Providencia MI6 and the British Government were also more than a little interested in the island They were certain that a huge drug trafficking empire was run from the prison and knew

that at least some of the profits were being funnelled by its Argentine guest into the financing of a mercenary invasion of the Falklands Ignored by the Colombian authorities and mysteriously obstructed by their American allies the British had no choice but to send their own elite force the SAS

Soldier T: War on the Streets Peter Cave,2013-12-12 Terrorist bombs in town and city streets an ever rising tide of crime and a teenage drug problem that was rapidly escalating out of control this was the ugly face of Great Britain in 1995 The conventional police forces were already stretched beyond their limit and now a new threat was looming A fanatical right wing movement that in recent months had wreaked murder and chaos in mainland Europe was spreading its evil tentacles into the UK Using terrorism and crime to fund its undercover activities and a frightening new drug to spur on its growing army of bullyboys to unprecedented extremes of violence it threatened to turn the streets of Britain s towns and inner cities into battlegrounds of anarchic brutality In desperation the civil authorities turned to the only group of men who might be able to confront and beat these fanatics on their own terms the legendary Special Air Service the SAS Guided by a maverick undercover drug cop the SAS team were pitted against an enemy as ruthless and deadly as any the regiment had faced in its chequered and splendid history The SAS were at war and that war was just outside the window a war on the streets

Soldier G: The Desert Raiders Shaun Clarke,2013-12-12 In the North African desert in 1941 the war is being won by the brilliant German commander General Rommel and the British are in retreat on all fronts A young British army lieutenant David Stirling believes that the only way to reverse this situation is to attack the enemy behind their own lines using small groups of men who can insert by land sea or air as required The first of these men are dropped by parachute to attack enemy airfields in the Gazala area but the raid is a disaster with many lives lost The following year the survivors of that operation now working hand in hand with the Long Range Desert Group mount a series of spectacular successful raids in heavily armed jeeps against airfields in the Benghazi region destroying nearly a hundred enemy aircraft leaving the German army reeling and reversing the course of the war In September 1942 having proved their worth that group of bold resourceful men is formed into a new British army regiment to be used for special and especially dangerous operations behind enemy lines They are listed officially as the 1st Special air Service Regiment the SAS

Soldier G SAS The Desert Raiders is the colourful story of the birth of the most renowned regiment in the history of the British Army forged with fire and steel in the vast sun scorched plains of the North African desert pitting themselves against the might of the formerly invincible German Army and gaining a reputation that would make them a legend in their own time

Soldier V: Into Vietnam Shaun Clarke,2013-12-12 In June 1966 after completing final training for Vietnam on Exercise Traiim Nau in the jungles and swamps of New Guinea 3 Squadron SAS Australian Special Air Service embarked by boat and plane from Australia to set up a Forward Operating Base in Phuoc Tuy province a swampy hell of jungle and paddy fields forty five miles east of Saigon The Viet Cong main forces units had a series of bases in the jungle and the political cadres controlled most of the villages Arriving in Phoc Tuy province the Australians found they had to build their camp in the middle

of wet season which had turned the ground into a mud bath They were also compelled to build in the heart of an enemy dominated region while living under ponchos and being constantly sniped at The Aussies were still working under these appalling conditions when three members of the legendary 22 SAS arrived secretly from Bradbury Lines Hereford to give assistance in what was to be a major assault against the Viet Cong These three were Sergeant Jimmy Jimbo Ashman who had been with the Regiment since its foundation in North Africa in 1941 Sergeant Richard Dead eye Dick Parker who had previously fought with the SAS in Malaya Borneo and Aden and Lieutenant Colonel Patrick Paddy Callaghan who had been pulled out of administration specially for this secret mission The presence of the British SAS among the proud Australians initially a source of resentment and conflict eventually led to mutual respect Working side by side Brits and Aussies forged themselves into a potent fighting machine which was tasked with the fearsome job of rooting the Viet Cong out of the labyrinth tunnel system where they lived and died It was a journey into hell from which some would never return *Soldier U: Bandit Country* Peter Corrigan, 2013-12-12 July 1989 South Armagh the cheering mobs stood over the body of a British soldier He was the ninth to have been killed by the so called Border Fox an IRA sniper whose activities had helped to make this area of the United Kingdom the most feared killing ground in Western Europe The British government was determined to break the tightly knit South Armagh Brigade of the IRA before more lives were lost This task would demand unique skills skills possessed only by the men of the Special Air Service The SAS men of Ulster Troop are the best in the world at surveillance unsurpassed in counter insurgency techniques And now once again they were going to have to prove it Soldier U SAS Bandit Country tells the story of their hunt for the Border Fox and the terrorists of South Armagh a murderous little publicised war in which every encounter whether in or out of uniform was potentially a battle to the death *Soldier L: The Embassy Siege* Shaun Clarke, 2013-12-12 Ever since its formation during World War II the Special Air Service had operated under conditions of such secrecy that few members of the public even knew of its existence By the evening of 5 May 1980 all this had changed drastically On the morning of 30 April the Iranian Embassy at No 16 Price s Gate in London was seized by six well armed terrorists members of the Revolutionary Movement for the Liberation of Arabistan Nineteen Iranian nationals and four British citizens were captured During the subsequent negotiations between the terrorists and the British police a number of the hostages were released When on the fifth day of the siege one of the hostages was shot dead and his body pushed out through the door of the Embassy the police decided that the time for negotiation was over and asked the military to end the siege The only men deemed to possess enough skill and daring for this dangerous task were those of the legendary Special Air Service the SAS In fact convinced that they would eventually be called in to rescue the hostages the SAS had already mapped out and practised a high risk operation in their top secret Killing House in Hereford and in some army barracks two miles from the Embassy On the evening of 5 May their well rehearsed plans were put into action when twelve SAS soldiers dressed in black in wearing anti gas respirators and NBC hoods made their courageous assault on the Embassy

Using a combination of abseiling ropes stun grenades sub machine guns and 9mm high power handguns and in the full glare of the international media they routed the terrorists and succeeded in rescuing the hostages Within hours the SAS once relatively unknown had become the most celebrated regiment in the history of modern warfare

Soldier O: The Bosnian Inferno David Monnery,2013-12-12 In 1993 as civil war continued to rage in Bosnia a strange story began to emerge In the isolated mountain town of Zavik a small army of Serbs Muslims and Croats had been formed under the command of a renegade Briton by the name of Reeve Originally organised to defend the town against the tides of war and ethnic cleansing this force had subsequently started mounting raids further afield in search of food fuel and medical supplies All sides in the war were enraged by the exploits and the very existence of this maverick army even the UN mediators recognised the need for its suppression But there were only two people Reeve would be likely to listen to his ex wife and an ex comrade in the SAS The latter was willing to take a team of SAS men into Zavik the former had first to be found she was either trapped in Sarajevo or imprisoned in a Serbian concentration camp Rescuing her would be only the beginning The SAS team would then have to traverse the mountainous war zone and force their way into the besieged town This would be difficult enough Fighting their way out of the war ravaged territory with a convoy of the sick the old and the very young would be next to impossible

Soldier W: Guatemala - Journey Into Evil David Monnery,2013-12-12 In the Central American republic of Guatemala government sponsored torture and mass murder had reduced the Mayan Indian population to a despairing acquiescence and after five hundred years of struggle it began to seem as if the conqueror s peace could at last be claimed in the capital Then at the beginning of 1995 a guerrilla leader whom the authorities had long believed dead sprang mysteriously back to life No loyal Guatemalan could identify him and the government was compelled to seek help elsewhere from one of the two SAS soldiers who had helped to mediate a hostage crisis with the guerrilla almost fifteen years earlier To the government in Whitehall it appeared a straightforward enough exercise but for the soldier and his comrades the mission soon turned into a nightmare of impossible choices and then land of Guatemala magical and cruel by turns proved much easier to enter than to escape

Soldier F: Guerillas in the Jungle Shaun Clarke,2013-12-12 In 1948 Communist terrorists were waging a bloody war against estates and rubber plantation owners in Malaya Chased into the interior by British Army units the guerrillas soon became experts at survival and evasion emerging from the jungle only to launch increasingly ferocious attacks In 1952 on the recommendation of Lieutenant Colonel Mad Mike Calvert veteran of the Chindit campaigns in Burma 22 SAS was formed as a special counter insurgency force Three years later the re formed SAS began their jungle patrols They learned how to survive for weeks at a time in hostile terrain often waist deep in water and under attack from wild animals leeches and poisonous insects That extraordinary campaign climaxed in a nightmarish two weeks in the Telok Anson swamp tracking the troops of the notorious Baby Killer Ah Hoi while the regiment s dreadful and unforgettable experiences in the Malayan jungle laid the foundations for the SAS s legendary survival skills
