LONDENBERG Lord Biron, 2013-02-11 There is but one chance to grab hold of this rare adventure then keep it for yourself and tell everyone you know about it As a night sky falls many rumors fill this once peaceful cottage town of Cifice There are many townsfolk who have been wondering about the many strange disappearances Many of them have warned others that traveling at night may not be such a wise thing to do in these dark times Some have said that the reason why there are so many tragic events is because of a royal decree which happened to exile a once popular and ancient order of clerics Others have said the reason why there is so much hardship is because the last remaining fighter's guild has been ordered to disband But none the less hideous green creatures have begun to lurk about the land in darkness as if they have been seeking out their next hunt And yet one brave outcast of a youth by the name of Paul has no other choice but to take action as he packs up his ruck sack Looking into his elderly father's tearful eyes Paul grabs his hooded green cloak and then his sturdy wooden longbow He realizes that he has accepted the risk of losing his life and has decided to venture outside the comforts of his village of Cifice into this dark unknown world
