Solidarity And Treason Resistance And Exile 1933 1940:

Solidarity and Treason Lisa Fittko, 1993 Lisa Fittko s Escape through the Pyrenees Northwestern 1991 told the extraordinary true tale of her life as an enemy alien in France before and after the Nazi invasion of 1940 when she and her husband smuggled small groups of refugees to safety along a tortuous route through the mountains Solidarity and Treason Resistance and Exile 1933 1940 is Fittko's equally gripping memoir of the preceding years in the underground and exile The Rescue, Relief, and Resistance Catherine Collomp, 2021-04-05 How American labor leaders volume opens with Hitler's came to the rescue of political and Jewish victims of Nazi persecution Rescue Relief and Resistance The Jewish Labor Committee's Anti Nazi Operations 1934 1945 is the English translation of Catherine Collomp's award winning book on the Jewish Labor Committee JLC Formed in New York City in 1934 by the leaders of the Jewish Labor Movement the JLC came to the forefront of American labor's reaction to Nazism and antisemitism Situated at the crossroads of several fields of inquiry Jewish history immigration and exile studies American and international labor history World War II in France and in Poland the history of the JLC is by nature transnational It brings to the fore the strength of ties between the Yiddish speaking Jewish worlds across the globe Rescue Relief and Resistance contains six chapters Chapter 1 describes the political origin of the JLC whose founders had been Bundist militants in the Russian empire before their emigration to the United States and asserts its roots in the American Jewish Labor movement of the 1930s Chapters 2 and 3 discuss how the JLC established formal links with the European non communist labor movement especially through the Labor and Socialist International and the International Federation of Trade Unions Chapter 4 focuses on the approximately 1 500 European labor and socialist leaders and left wing intellectuals including their families rescued from certain arrest and deportation by the Gestapo Chapter 5 deals with the special relationship the JLC established with currents in the Resistance in France partly financing its underground labor and socialist networks and operations Chapter 6 is devoted to the JLC's support of Jews in Poland during the war humanitarian relief for those in the occupied territory under Soviet domination and political and financial support of the combatants of the Warsaw ghetto in their last stand against annihilation by the Wermacht The JLC has never commemorated its rescue operations and other political activities on behalf of opponents of fascism and Nazism nor its contributions to the reconstruction of Jewish life after the Holocaust Historians to this day have not traced its history in a substantial way Students and scholars of Holocaust and American studies will find this text vital to their continued studies

We Must Not Forget: Holocaust Stories of Survival and Resistance (Scholastic Focus) Deborah Hopkinson, 2021-02-02 Sibert Honor author Deborah Hopkinson unearths the heroic stories of Jewish survivors from different countries so that we may never forget the past Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able

to analyze and understand our past participate in essential discussions about our present and work to grow and build our future As World War II raged millions of young Jewish people were caught up in the horrors of the Nazis Final Solution Many readers know of Adolf Hitler and the Nazi state s genocidal campaign against European Jews and others of so called inferior races Yet so many of the individual stories remain buried in time Of those who endured the Holocaust some were caught by the Nazis and sent to concentration camps some hid right under Hitler's nose some were separated from their parents some chose to fight back Against all odds some survived They all have stories that must be told They all have stories we must keep safe in our collective memory In this thoroughly researched and passionately written narrative nonfiction for upper middle grade readers critically acclaimed author Deborah Hopkinson allows the voices of Holocaust survivors to live on the page recalling their persecution survival and resistance Focusing on testimonies from across Germany the Netherlands France and Poland Hopkinson paints a moving and diverse portrait of the Jewish youth experience in Europe under the shadow of the Third Reich With archival images and myriad interviews this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims but calls young readers to action by reminding them that heroism begins with the ordinary everyday feat of showing compassion toward our fellow citizens Changing Places Caitlin Murdock, 2010-06-10 Changing Places is an interesting meditation on the varying identities and rights claimed by residents of borderlands the limits placed on the capacities of nation states to police their borders and enforce national identities and the persistence of such contact zones in the past and present It is an extremely well written and engaging study and an absolute pleasure to read Dennis Sweeney University of Alberta Changing Places offers a brilliantly transnational approach to its subject the kind that historians perennially demand of themselves but almost never accomplish in practice Pieter M Judson Swarthmore College Changing Places is a transnational history of the birth life and death of a modern borderland and of frontier peoples changing relationships to nations states and territorial belonging The cross border region between Germany and Habsburg Austria and after 1918 between Germany and Czechoslovakia became an international showcase for modern state building nationalist agitation and local pragmatism after World War I in the 1930s and again after 1945 Caitlin Murdock uses wide ranging archival and published sources from Germany and the Czech Republic to tell a truly transnational story of how state regional and local historical actors created and eventually destroyed a cross border region Changing Places demonstrates the persistence of national fluidity ambiguity and ambivalence in Germany long after unification and even under fascism It shows how the 1938 Nazi annexation of the Czechoslovak Sudetenland became imaginable to local actors and political leaders alike At the same time it illustrates that the Czech German nationalist conflict and Hitler's Anschluss are only a small part of the larger more complex borderland story that continues to shape local identities and international politics today Caitlin E Murdock is Associate Professor of History at California State University Long Beach Jacket Credit Cover art courtesy of the author A Hero of Our Own: The Story of Varian Fry Sheila Isenberg, 2019-08-08 Varian Fry was the American

Schindler He even had a list He arrived in Vichy controlled Marseille on Aug 15 1940 with 3 000 taped to his leg and a charge from the organization he worked for the Emergency Rescue Committee to help save some 200 endangered refugees mainly artists writers and intellectuals from the Nazis He expected to stay a month but quickly realized that the job was much larger and more complicated than he or his sponsors had imagined He stayed for 13 months until he was thrown out of the country and assisted approximately 2 000 people among them an all star lineup that included Hannah Arendt Marc Chagall Max Ernst Andr Breton Arthur Koestler Alma Mahler Werfel and Max Ophuls A Hero of Our Own helps rescue Fry from obscurity And with its stories of desperate exiles menacing Nazis forged documents and midnight escapes through the mountains it reads at times like the script for some old Hollywood movie Think Warner Brothers in the 1940 s Think Casablanca even down to the transit visas for Portugal All that s missing is Peter Lorre Throughout his months in France no issue haunted Fry more than the question of selection Human needs seemed limitless resources were not He could not help everyone Word quickly spread through the refugee community that an American had arrived who could offer hope and within weeks Fry was receiving 25 letters a day a dozen telephone calls an hour He and his staff conducted between 100 and 120 interviews each day Altogether around 15 000 refugees about half the total number residing in Vichy France got in touch with Fry and in effect it was up to him to determine who among them would live and who would die Impossible choices spies and counterspies the ominous knock on the door it was all heady stuff and after Fry was forced to return to the United States in late 1941 he like so many who peak early went into decline Nothing could ever match his glory days in France The experiences of 10 15 and even 20 years have been pressed into one he wrote Sometimes I feel as if I had lived my whole life Fry drifted from job to job from journalism to magazine editing to film production to corporate writing to high school and college teaching Barry Gewen The New York Times The story of Varian Fry is important on many levels historical and personal Skillfully evoking a crucial moment in recent history Sheila Isenberg tells the compelling and dramatic story of how an ordinary person thrust into a situation of extreme danger did extraordinary things for one year in wartime France then drifted almost lost through the rest of his own life It is also a story of institutionalized bureaucratic stupidity that must never be forgotten so that it is never repeated Richard Holbrooke U S diplomat The only American to be honored at Yad Vashem Israel s Holocaust Memorial Fry saved the lives of thousands of refugees from the Nazis Isenberg delivers a moving workmanlike account of Fry's heroics She ably renders prewar and war time public ignorance and apathy in America and the extraordinary heroism of the sole volunteer for a dangerous rescue mission Publishers Weekly see also this Publishers Weekly interview with Sheila Isenberg One of the BEST BOOKS of 2001 Fry comes across as a genuine saint this little book is a life of a saint equal to any medieval tome St Louis Post Dispatch A Hero of Our Own is significant for its implicit investigation into the combination of heroism pure goodness and personal need that made Fry undertake the rescue of strangers at considerable personal risk and with no promise of reward It also provides an unpleasant reminder that nations

and their bureaucrats have both private concerns and a tremendous tropism toward indifference David Margolis The Jerusalem Report Using Fry s own words and the testimony of refugees and compatriots Isenberg skillfully evokes the tense atmosphere of wartime Marseille where a hoard of desperate refugees found precarious asylum She describes the extreme measures Fry took to save as many endangered souls as he could far more than the 200 intellectuals scientists writers and artists he had been sent to aid gathering others to help him arrange escapes from internment camps forge documents bribe officials and spirit refugees across the border into Spain Skirting danger and side stepping the law Fry and his group ultimately provided financial or travel assistance to approximately 4 000 refugees and enabled almost half of them to escape all on limited resources and with little or no assistance from the United States consulate in Marseille United States Holocaust Memorial Museum Featured Book This highly readable biography tells the exciting escape stories of the underground railroad Fry organized to lead refugees from southern France across the Pyrenees to freedom Isenberg sets the rescue stories against the background of American isolationism and anti Semitism at the time documenting her dramatic narrative with more than 70 pages of fascinating notes including references to letters interviews personal papers and government reports The drama here is in the thrill of rescue the realistic portrait of a complex leader and the decidedly nonheroic truths about WWII at home Hazel Rochman Booklist Now that America has been shocked into a new appreciation of heroism the story of the late Varian Fry is especially timely Sheila Isenberg devotes most of the book to the specifics of Fry s action packed months in Marseilles when he ferried numerous Jews Marc Chagall Max Ernst Andre Breton and Hannah Arendt to name a few out of occupied France Isenberg builds a convincing case against America's refugee policy and recognizes that the State Department's resistance to Fry's efforts was often a matter of plain old anti Semitism Jonathan Mahler Washington Post Sheila Isenberg has written a masterful biography of this most enigmatic man She pulls no punches in exhibiting his flaws but shows no restraint in praising his virtues Fry s life is truly unique and compelling and Isenberg tells it with considerable compassion The book is well worth the attention of anyone interested in reading about a most unlikely 20th century hero The Roanoke Times A Hero of Our Own comes at a time when we need to remind ourselves of the high price of sticking one's neck out for others Isenberg's work is a painstakingly documented book that presents human nature at its best and worst In this dark work she portrays Fry as a flawed but dedicated idealist The Free Lance Star Fredericksburg VA You ll want to read Sheila Isenberg's riveting biography of Varian Fry It is the flashback to Fry's early life that gave this reader the clearest insight not only into the man but into the times he lived in He was a man who chafed at the world a rebel against authority and a hero abroad He died in 1967 an ordinary person who had done extraordinary things just once in his life The American Bibliography of Slavic and East European Studies Patt Leonard, Rebecca Routh, 2020-02-27 Taconic Times This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social

The Sovereigns Eric Lucas,2001 This memoir is a moving testament to the power of family The Lucas clan was a close knit successful family of rural German Jews butchers and meat dealers whose strength and pride was challenged by the rise of Nazism As the family grew so did its prosperity and power and the sons daughter and their relatives became known as the Sovereigns But anti Semites under the protection of the Nazi regime began to settle old scores and targeted the economically successful rural Jews New laws
