## Solitary Summer:

**The Solitary Summer** Elizabeth Von Arnim, 2007-10-01 Hailed as one of the three finest wits of her day the Countess Elizabeth von Arnim cemented her literary reputation with this companion work to her extraordinarily popular first novel the semi autobiographical *Elizabeth and Her German Garden* also available from Cosimo Classics First published in 1899 this is a proto feminist account of one woman's attempt to carve out of a space of her own away from the husband she only half jokingly refers to as her Man of Wrath in the rambling gardens of the family's country estate By turns bitingly satirical and achingly lovely this will delight fans of von Arnim's friends and fellow writers E M Forster and Katherine Mansfield British novelist ELIZABETH VON ARNIM 1866 1941 is also the author of *Enchanted April*

**The Solitary Summer** Elizabeth Von Arnim, 2007-06 The *Solitary Summer* written by author Elizabeth Von Arnim is a companion to her popular *Elizabeth and Her German Garden* In *The Solitary Summer* she focuses on a summer filled with rejuvenation in the midst of a search for finding identity and meaning in her life Successful in life with marriage and children the main character finds that she needs to find herself as she feels a large void in her life This is an excellent book for those who are fans of the works of Elizabeth Von Arnim and for individuals who have read *Elizabeth and Her German Garden*

[The Solitary Summer, by Elizabeth Von Arnim](#) Elizabeth Arnim, 2016-04-05 This delightful companion to the famous *Elizabeth and Her German Garden* is a witty lyrical account of a rejuvenating summer Descriptions of magnificent larkspurs and burning nasturtiums give way to those of cooling forest walks and of clambering up the mud bank when the miller is not in view Rainy days prompt a little philanthropy until the sun returns the gardener to the refuge of her beloved plants Yet the months are not as solitary as she'd planned there's the Man of Wrath to pacify and the April May and June babies to amuse Here with the pleasing astringency for which she is noted Elizabeth von Arnim returns to the heroine and the garden she immortalized

Solitary Summer Arnim Elizabeth von, 2023-07-13 First published in 1899 The Solitary Summer picks up where Elizabeth and Her German Garden left off Instead of a year's diary of the previous book this sequel relates a summer in the life of Elizabeth in her patterings about the garden care of her babies various escapades with servants and towns folk and several appearances of her husband The Man of Wrath

*The Solitary Summer* Elizabeth Von Arnim, 2010-03-01 The Solitary Summer by Elizabeth von Arnim author of Elizabeth and her German Garden has captivated many This book is a diary May September of a woman with 3 small babies who wants to spend the entire summer to herself The first page of The Solitary Summer begins May 2nd Last night after dinner when we were in the garden I said I want to be alone for a whole summer and get to the very dregs of life I want to be as idle as I can so that my soul may have time to grow Nobody shall be invited to stay with me and if any one calls they will be told that I am out or away or sick I shall spend the months in the garden and on the plain and in the forests I shall watch the things that happen in my garden and see where I have made mistakes On wet days I will go into the thickest parts of the forests where the pine needles are everlastingly dry and when the sun shines I'll lie on the heath and see how the broom flares against the clouds I shall be perpetually happy because there will be no one to worry me And so begins The Solitary Summer filled with books the garden nature thoughts and reflections She also has conversations with her husband who does not believe she can endure an entire summer without visitors The Solitary Summer is a sweet and relaxing read just as restful as Elizabeth and her German Garden Readers will find it easy to get lost in the beautiful prose and become so removed from my everyday stresses that it seems as if they were meditating instead of reading The Solitary Summer answers the desire that most people have felt the desire for peace and solitude as so aptly described in this poignant work
