Solo Faces A Novel:

Solo Faces James Salter, 2012-06-05 A novel about a lonely mountain climber from the author of *All That Is Beautifully Composed* will remind readers of Camus and Saint Exupéry. The Washington Post's Vernon Rand is a charismatic figure whose great love whose life in fact is climbing. He lives alone in California where he combats the drudgery of a roofing job with the thrill of climbing in the nearby mountain ranges. Sure of only his talent and nerve, Rand decides to test himself in the French Alps with their true mountaineering and famed fearsome peaks. He soon learns that the most perilous moments are for him the moments when he feels truly alive. One of the great novels of the outdoors, *Solo Faces* is as thrilling, beautiful, and immediate as the Alpine peaks that have enthralled climbers for centuries. This ebook features an illustrated biography of James Salter including rare photos from the author's personal collection. *Solo Faces* James Salter, 1979 **Solo Faces**

James Salter, 1988-06 With prose at once stark and lyrical, Salter elucidates the spirit of those who abandon material pursuits in search of an unspoiled honesty. He tells of one man's quest to rise above the mundane in search of peace and self fulfillment.

Conversations with James Salter Jennifer Levasseur, Kevin Rabalais, 2015-11-23 James Salter 1925-2015 has been known throughout his career as a writer's writer, acclaimed by such literary greats as Susan Sontag, Richard Ford, John Banville, and Peter Matthiessen for his lyrical prose, his insightful and daring explorations of sex, and his examinations of the inner lives of women and men. *Conversations with James Salter* collects interviews published from 1972 to 2014 with the award-winning author of *The Hunters*, *A Sport and a Pastime*, *Light Years*, and *All That Is Gathered*; here are his earliest interviews following acclaimed but moderately selling novels, conversations covering his work as a screenwriter and award-winning director, and interviews charting his explosive popularity after publishing *All That Is*, his first novel after a gap of thirty-four years. These conversations chart Salter's progression as a writer, his love affair with France, his military past as a fighter pilot, and his lyrical explorations of gender relations. The collection contains interviews from Sweden, France, and Argentina, appearing for the first time in English. Included as well are published conversations from the United States, Canada, and Australia, some of which are significantly extended versions, giving this collection an international scope of Salter's wide-ranging career and his place in world literature.
