performance history of the Solo for Piano The critical commentary examines each of Tudor s methods of realization which notations from Cage s score Tudor selected and why how Tudor interpreted Cage s often ambiguous performance instructions how Tudor distributed the resulting sounds temporally and the ways in which Tudor s realization fulfills transcends and sometimes contravenes the instructions of Cage s score **Kaleidoscope Solos, Book 1** Jon George, A sparkling collection of graded pieces for the progressing piano student In Book one of the series the student is introduced to most of the basic elements of notation The melodies are divided between the hands which remain in five finger position
