American Jewry and the Re-Invention of the East European Jewish Past Markus Krah, 2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival liberal consensus and suburban middle class comfort Rather it was a period marked by restlessness and insecurity born of the shock about the Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical Fiddler on the Roof illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day Tradition and Modernity Michael A. Meyer, David Myers, 2014-10-20 Bringing together leading Jewish historians anthropologists sociologists philosophers and liturgists Between Jewish Tradition and Modernity offers a collective view of a historically and culturally significant issue that will be of interest to Jewish scholars of many disciplines Conscious History Natalia Aleksiun, 2021-07-08 Thoroughly researched this study highlights the historical scholarship that is one of the lasting legacies of interwar Polish Jewry and analyses its political and social context As Jewish citizens struggled to assert their place in a newly independent Poland a dedicated group of Jewish scholars fascinated by history devoted themselves to creating a sense of Polish Jewish belonging while also fighting for their rights as an ethnic minority The political climate made it hard for these men and women to pursue an academic career instead they had to continue their efforts to create and disseminate Polish Jewish history by teaching outside the university and publishing in scholarly and popular journals By introducing the Jewish public to a pantheon of historical heroes to celebrate and anniversaries to commemorate they sought to forge a community aware of its past its cultural heritage and its achievements though no less important were their efforts to counter the increased

hostility towards Jews in the public discourse of the day In highlighting the role of public intellectuals and the social role of scholars and historical scholarship this study adds a new dimension to the understanding of the Polish Jewish world in the Studies in Contemporary Jewry Jonathan Frankel, 1998-02-05 Was the Holocaust a natural product of a long German history of Anti Semitism Or were the Nazi policies simply a wild mutation of history not necessarily connected to the past Or does the truth lie somewhere in between This latest volume in the acclaimed Studies in Contemporary Jewry series edited by internationally known scholars at the Hebrew University in Jerusalem presents essays on the origins of the Holocaust The works in this volume are diverse in scope and opinion ranging from general philosophical discourses to detailed analyses of specific events and often reflecting the divergent ideologies and methods of the contributors But each adds to the whole and the result is a fascinating panorama that is sure to be indispensable to all students and scholars of the **The 1995 Genealogy Annual** Thomas Jay Kemp, 1997 The Genealogy Annual is a comprehensive bibliography of the year's genealogies handbooks and source materials It is divided into three main sections FAMILY HISTORIES cites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book GUIDES AND HANDBOOKS includes reference and how to books for doing research on specific record groups or areas of the U S or the world GENEALOGICAL SOURCES BY STATE consists of entries for genealogical data organized alphabetically by state and then by city or county The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed Social Change and Halakhic Evolution in American Orthodoxy Chaim I. 2021-01-07 The ubiquity of friendship in human culture contributes to the fallacy that ideas about friendship have not changed and remained consistent throughout history It is only when we begin to inquire into the nature and significance of the concept in specific contexts that we discover how complex it truly is Covering the vast expanse of Jewish tradition from ancient Israel to the twenty first century this collection of essays traces the history of the beliefs rituals and social practices surrounding friendship in Jewish life Employing diverse methodological approaches this volume explores the particulars of the many varied forms that friendship has taken in the different regions where Jews have lived including the ancient Near East the Greco Roman world Europe and the United Shulamit Magnus, 2015-12-10 In 1908 Pauline Wengeroff published the first piece of writing by a woman in the history of Jewish literature to tell the story of a life and a family with historical consciousness and purpose It is also the first account in this literature to make women and men the focus of inquiry Shulamit Magnus s biography of this extraordinary woman lets readers share Wengeroff's life her aspirations and her disappointments making a significant contribution both to women s history and to our understanding of the emergence and shape of Jewish modernity of a Grandmother Pauline Wengeroff, 2010-06-25 Pauline Wengeroff the only nineteenth century Russian Jewish woman to publish a memoir sets out to illuminate the cultural history of the Jews of Russia in the period of Jewish enlightenment when traditional culture began to disintegrate and Jews became modern Wengeroff a gifted writer and astute social observer paints a rich portrait of both traditional and modernizing Jewish societies in an extraordinary way focusing on women and the family and offering a gendered account and indictment of assimilation In Volume 1 of Memoirs of a Grandmother Wengeroff depicts traditional Jewish society including the religious culture of women during the reign of Tsar Nicholas I who wished his Iews to be acculturated to modern Russian life Volume 10, Tome III: Kierkegaard's Influence on Theology Jon Stewart, 2016-12-05 Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions Tome III explores the reception of Kierkegaard's thought in the Catholic and Jewish theological traditions In the 1920s Kierkegaard's intellectual and spiritual legacy became widely discussed in the Catholic Hochland Circle whose members included Theodor Haecker Romano Guardini Alois Dempf and Peter Wust Another key figure of the mid war years was the prolific Jesuit author Erich Przywara During and especially after World War II Kierkegaard s ideas found an echo in the works of several trend setting Catholic theologians of the day such as Hans Urs von Balthasar Henri de Lubac and the popular spiritual author Thomas Merton The second part of Tome III focuses on the reception of Kierkegaard s thought in the Jewish theological tradition introducing the reader to authors who significantly shaped Jewish religious thought both in the United States and in Israel These theologians represent a variety of religious and political backgrounds the spiritual world of Hasidism Modern Orthodox Judaism of Mithnaggedic origin and Modern Religious Zionism The Shochet (Vol. 2) Pinkhes-Dov Goldenshteyn, 2025-01-28 A fitting conclusion to a well researched and meticulously edited memoir translation

The En Yaaqov Marjorie Lehman, 2011-10-15 Examines the origins of the En Yaaqov in the tumultuous medieval period and the motivations of its creator exiled Spanish rabbi Jacob ibn Habib After his expulsion from Spain in 1492 Jacob ibn Habib created the En Yaaqov a collection of Talmudic aggadah non legal material by removing the majority of the Talmud s legal portions but preserving the chapter order of the remaining material and adding his own introduction and running commentary In The En Yaaqov Jacob ibn Habib s Search for Faith in the Talmudic Corpus author Marjorie Lehman argues that the En Yaaqov s anthologizer Jacob ibn Habib purposely sought to create a Talmud look alike in order to prove that Judaism s foundational legal tract could also be seen as a theological document By considering the factors that influenced ibn Habib Lehman argues that his En Yaaqov was a reaction to the way that the Talmud was perceived and studied during the late medieval period among Spanish Jewry In four chapters Lehman explores the first printed edition of the En Yaaqov delving into the intellectual culture and theological intricacies surrounding its creation and elaborating on the contributions of the En Yaaqov to the development of faith Chapter 1 considers the political turmoil and challenges of resettlement that ibn Habib encountered after expulsion and that prompted him to produce the En Yaaqov Chapter 2 focuses on the intellectual framework within which ibn Habib s attitude toward Talmudic aggadah developed and explains why few running commentaries on the aggadot of the Talmud existed prior to his work Chapter 3 discusses ibn Habib s editorial decisions in choosing to construct the En Yaaqov as a Talmud look alike In Chapter 4 Lehman analyzes key passages in ibn Habib s

commentary to the En Yaaqov to examine how he integrated text and context to provide a resource that Jews could utilize for spiritual growth and continuity of faith In her conclusion Lehman addresses the evolving printing history of the collection which was quite different from that of the Talmud Lehman argues that ibn Habib's experiences as a Spanish Jew who was forced to flee Spain prompted him to make decisions not only about how the Talmud should be studied in the name of spiritual restoration but also about how Jews could survive future expulsions by cultivating a sustainable faithful relationship with God This insightfully researched book will be informative to scholars of Talmud and Rabbinic Literature late medieval intellectual history and culture Sephardic history and the history of the Jewish book as well as to readers interested in the still popular En Yaaqov
