Soviet Jewish Aliyah 1989 To 1992 Impact And Implications For Israel And The Middle East

Hassan A. Barari

Soviet Jewish Aliyah 1989 To 1992 Impact And Implications For Israel And The Middle East:

Soviet Jewish Aliyah, 1989-1992 Clive Jones, 1996 Soviet Jewish Aliyah 1989-92 provides new insights into a period of fundamental change in Israel and the Middle East. It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel. Clive Jones's argument is that by placing its ideological commitment to the retention of the West Bank above other priorities, the Likud leadership made itself beholden to the United States for financial assistance which was then denied. The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab-Israeli peace process.

Soviet Jewish Aliyah, 1989-92 Clive A. Jones, 2013-10-18 This book provides new insights into a period of fundamental change in Israel and the Middle East. It explains how the Israeli government failed to effectively handle the integration of new emigres from the Soviet Union and how it alienated traditional Likud supporters among Oriental Jews in Israel. Clive Jones's argument is that by placing its ideological commitment to the retention of the West Bank above other priorities, the Likud leadership made itself beholden to the United States for financial assistance which was then denied. The resulting fundamental change in the composition and orientation of the Israeli political leadership has had a major influence on the course of the Arab-Israeli peace process.

Israel and Europe Howard M. Sachar, 2010-03-24 A remarkable feat: clear, compelling and accessible. Critical background for any appreciation of the Jewish state. The New York Times Book Review. With his characteristic grace and lucidity, Howard M. Sachar, renowned author of thirteen earlier books on Middle Eastern and Jewish history, brings to life the complex and dramatic story of the friendships and fallings out between Israel and the various European powers over the last half century. Dr. Sachar chronicles the always uneasy relationship between Israel and Great Britain, its early love affair and nasty break up with France, the shifting Soviet policies toward Israel and the unlikely emergence of Germany as the new nation's chief European benefactor. A master of historical narrative, Sachar once again enlightens us with fine scholarship, insightful analysis and an unerring knowledge of human and national motivations.

University Theses in Russian, Soviet and East European Studies, 1907-2006 Gregory Piers Mountford Walker, John Simon Gabriel Simmons, 2008 The bibliography records doctoral and selected masters theses over 3,300 in all from British and Irish universities in the field of Russian, Soviet and East European studies. This is broadly interpreted to include all disciplines in the humanities and social sciences as they relate to the area of Russia, the former USSR and Eastern Europe. Taken as a whole, the work probably forms the fullest and longest record of British and Irish postgraduate research in any sector of area studies. Besides its primary function as a bibliographic tool, it makes it possible to trace the effects of academic developments, institutional policies and the changes in direction in this highly diversified field of study over the last hundred years. Entries are arranged by subject and area, supported by full author and subject indexes to aid searching. Dr. Gregory Walker is a former Head of Slavonic and East European Collections at the Bodleian Library.

University of Oxford The late John S G Simmons OBE was Senior Research Fellow and Librarian All Souls College Oxford

Israel Clive Jones, Emma C. Murphy, 2005-07-25 Often regarded as the only true manifestation of political pluralism in the contemporary Middle East the state of Israel has dominated the history and politics of the region for over fifty years Yet despite its position as a regional superpower Israel continues to struggle with the whole issue of its own identity the complexities of which have exposed deep clefs throughout Israeli society that threaten to undermine the collective ideal of a viable Jewish polity in the Middle East The authors explore the complex challenges facing Israel and the extent to which its present state structures and institutions can adapt and accommodate themselves to the diversity of security threats that it now faces This book will be of interest to those who wish to understand the dynamics that have shaped and continue to shape the state of Israel and the extent to which these have influenced its search for security in the modern Middle East Let My

People Go Pauline Peretz, 2017-07-05 American Jews mobilization on behalf of Soviet Jews is typically portrayed as compensation for the community's inability to assist European Jews during World War II Yet as Pauline Peretz shows the role Israel played in setting the agenda for a segment of the American Jewish community was central Her careful examination of relations between the Jewish state and the Jewish diaspora offers insight into Israel's influence over the American Jewish community and how this influence can be conceptualized To explain how Jewish emigration moved from a solely Jewish issue to a humanitarian question that required the intervention of the US government during the Cold War Peretz traces the activities of Israel in securing the immigration of Soviet Jews and promoting awareness in Western countries Peretz uses mobilization studies to explain a succession of objectives on the part of Israel and the stages in which it mobilized American Jews Peretz attempts to reintroduce Israel as the missing yet absolutely decisive actor in the history of the American movement to help Soviet Jews emigrate in difficult circumstances **Consumption and Market Society in Israel** Kalman

Appelbaum, Yoram S. Carmeli, 2020-05-26 Over the past two decades Israel has been remaking itself in line with the commercial models of Western market societies Nowhere is this trend more evident than in private consumption patterns Most Israelis crave parity with Western lifestyles private automobiles mobile phones spacious housing fashionably furnished accessibility to shopping malls and leisure travel abroad Alongside these new aspirations internationally branded commodities and franchises such as McDonald's Office Depot Benetton IKEA and Toys R Us increasingly feature in the Israeli landscape and advertising has emerged as a primary vehicle for persuasion competition and cultural expression This book is the first to explore fully the significance of these transformations The authors show how different groups kibbutzniks Israeli Arabs Ultra Orthodox Jews new immigrants and middle class Israelis alternately exhibit a suspicion towards and enthusiasm for the enhanced individual freedoms of a consumer market society Lifestyle consumerism is recognized as an alien import potentially disruptive of the ethos of communality common destiny and national purpose At the same time because consumption helps unite diverse groups to the greater whole of the nation the globe and modernity it conveys a sense of

normalcy and affluence in a time of major social transition and political turmoil Consumption and Market Society in Israel is not only innovative in its research but it is a timely contribution to a hotly debated topic **The Resilience of Democracy** Peter Burnell, Peter Calvert, 2022-09-27 This volume brings together studies of the small number of previously established states that have retained and or restored democracy despite in many cases formidable economic social or political challenges It seeks to establish common themes whether or not they appear to fit a grand casual theory It is after all the very adaptability of democratic systems that characterises their persistence durability and resilience *Israel Since the Six-Day War* Leslie Stein, 2014-08-13 Completing his acclaimed trilogy on the history of Israel Leslie Stein brings readers right up to contemporary events in Israel Since the Six Day War Stein vividly chronicles Israel s wars and military engagements but he also incorporates fascinating assessments of many other issues including Israel s economic development the nature of the PLO and Palestinian Authority and Israeli settlements in the West Bank and Gaza Furthermore Stein explores broader social issues such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia to convey clearly a sense of the diversity and complexity of modern Israel Wide ranging and judicious Stein s cogent and compellingly readable account of Israel s recent past will engage students and general readers alike Israeli Politics and the Middle East Peace Process, 1988-2002 Hassan A. Barari, 2004-07-31 This book argues that domestic Israeli politics have been a key factor in determining Israeli Palestinian peacemaking in the period from 1988 to the present
