Charlton, Jana Matson Everett, 1989-01-01 This book reflects the most current scholarship on states socioeconomic development and feminist theory to emerge this decade Addressed are issues such as the role of state policies and ideologies in defining gender differences state influence over the boundaries between public and domestic spheres state control over women s productive and reproductive lives and the efforts of women to influence state policy *Women the State and Development* shows that state elites promote male domination as one way of maintaining social order when nation states are created and strengthened and that issues defined as male by the sexual division of labor are given priority in state policies that promote security and economic development such as foreign policy international trade agricultural development and resource extraction It analyzes these policies in terms of their impact on gender relations and also identifies ways in which women have responded The Feminization of Poverty Gertrude Schaffner Goldberg, Eleanor Kremen, 1990-11-09 This comprehensive and carefully organized collection provides an overview of the relationship between gender and economic stratification in seven industrialized countries Everywhere as a Polish commentator notes men have too much power and women too much work Nevertheless these studies reveal large differences in the circumstances of women in different countries and help to illuminate the several developments in the labor market the family and public policy which explain the extreme feminization of poverty in the United States Frances Fox Piven City University of New York Lucid careful and systematic the book builds a compelling explanation for the needless impoverishment experienced by millions of American women and offers a sensible realistic agenda for its reduction Michael B Katz University of Pennsylvania This study asks whether the feminization of poverty the tendency of women and their families to become the majority of the poor is unique to the United States where the phenomenon was first discovered Seven industrialized nations both capitalist and socialist with different degrees of commitment to social welfare are compared Canada Japan France Sweden Poland the Soviet Union and the United States In each of the countries the authors analyze information about women labor market conditions equalization policies social welfare programs and demographic variables such as the rates of divorce and single parenthood According to Goldberg and Kremen it is possible to predict the feminization of poverty when three conditions are present 1 insufficient efforts to reduce work place and wage inequities for women 2 the absence or ineffectiveness of social welfare programs which can redress the cost both economic and personal of the dual role that women have assumed in industrialized societies and 3 the presence of increasing rates of divorce and single motherhood An array of labor market and social welfare programs in use in the six other industrialized nations are then reviewed by the authors for possible adaptation in the United States This important work will be a valuable resource for

scholars across the academic and professional disciplines of political science sociology economics social work and women s studies **Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin,Irina

Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **Fruits of Her Plume: Essays on Contemporary Russian Women's Culture** Helena

Goscilo,2015-05-20 The 1980s witnessed the ascendancy of Russian women in multiple spheres of artistic creation including literature film and painting This volume may thus be said to engage not only women s artistic production but indeed the best and most colourful of recent Russian culture Treating contemporary Russian women s creativity it approaches women s texts films and canvasses from a range of perspectives from anti gendered to feminist Some of the essays introduce writers not previously well studied others challenge conventional interpretations and assumptions while still others yield original viewpoints through novel juxtapositions In addition to offering insights into the various artists under analysis the essays map the wide terrain of issues and methodologies proliferating in cultural criticism today and mirror the diversity that is one of the most appealing features of women s creativity in contemporary Russia **Everyday Life in Russia** Choi

Chatterjee,David L. Ransel,Mary Cavender,Karen Petrone,2015-01-29 A panoramic interdisciplinary survey of Russian lives and a must read for any scholar engaging with Russian culture The Russian Review In this interdisciplinary collection of essays distinguished scholars survey the cultural practices power relations and behaviors that characterized Russian daily life from pre revolutionary times through the post Soviet present Microanalyses and transnational perspectives shed new light on the formation and elaboration of gender ethnicity class nationalism and subjectivity Changes in consumption and communication patterns the restructuring of familial and social relations systems of cultural meanings and evolving practices in the home at the workplace and at sites of leisure are among the topics explored Offers readers a richly theoretical and empirical consideration of the state of play of everyday life as it applies to the interdisciplinary study of Russia Slavic Review An engaging look at a vibrant area of research Highly recommended Choice Volumes of such diversity frequently miss the mark but this one represents a welcomed introduction to and a must read for anyone seriously interested in the subject Cahiers du Monde russe *Writing New Identities* Gisela Brinker-Gabler,Sidonie Smith,1997 **Genders 22** Ellen E.

Berry,1995-07-01 The epidemic of mass rape in the former Yugoslavia has illustrated once again and in particularly brutal fashion the inextricable relationship between national politics sexual politics and body politics The nexus of these three forces is highly charged in any culture at any time in history but especially so among cultures in which rapid even cataclysmic changes in material realities and national self conceptions are eroding or overwhelming previously secure boundaries The postcommunist moment in the so called Second World Central and Eastern Europe and the former Soviet Union has dramatically exposed the opportunities and dangers that arise when the political cultural and economic foundations of a society are de and then re structured Gender roles and relations expressions of sexuality or attempts to recontain them representations of the body especially the female body and the larger cultural meanings it assumes are particularly marked sites to witness the performance of complex national dramas of crisis and change This groundbreaking volume turns its attention to the Second World specifically to such subjects as the birth of the sex media and porn industry in Russia Russian women and alcoholism cinema in post communist Hungary patriotism and gender in Poland sexual dissidence in Eastern Europe and women in the former Yugoslavia go to the Genders website [Promissory Notes](#) Sonia Kruks,Rayna Rapp,Marilyn Blatt Young,1989 Revolutionary socialist movements have held out the promise in both theory and practice that women can achieve liberation through their participation in the revolutionary process But many women in post revolutionary societies have watched in frustration as this promise has been pushed into the future or dropped from the agenda altogether The essays in Promissory Notes renew the debate about the connections between feminism and socialism by examining the position of women in socialist thought from the time of Marx to the present The book looks at the central theoretical formulations of the Woman Question in classical Marxist thought then explores their applications first in the Soviet Union and China then in a series of third world regimes and contemporary Eastern European countries The volume ends with a roundtable debate in which a number of scholars and activists take up the central theoretical issues raised throughout the book Contributors include Joan B Landes Elizabeth Waters Wendy Zeva Goldman Christina Gilmartin Muriel Nazzari Maxine D Molyneux Sonia Kurks and Ben Wisner Christine Pelzer White Amrita Basu Marilyn B Young Mary Buckley Barbara Einhorn Martha Lampland Lourdes Beneria Zillah Eisenstein Delia D Aguilar Delia Davin Kumari Jayawardena and Rayna Rapp
