Kaplan, 1988 This four volume work analyzes the stability problems in the Soviet system Volume 1 contains the conflicting views of scholars from America Europe and Australia all of whom predict changes that they believe will soon shape the Soviet future The interrelated topics of economics and society are discussed in volume 2 Economic difficulties in the USSR are always problems of political power Gorbachev's economic reforms if successful could lead to the creation of a society that is self sufficient in many respects That in turn would reduce the extent of the state and the power of its apparatus and would undermine Soviet leaders economic decision making power on which the political system rests The ideological and cultural crisis is perhaps the most fundamental and fateful one facing the USSR today Volume 3 devoted to the many aspects of this crisis deals with the issues of multinationalism and predicts the collapse of the Soviet system in Russia as unavoidable Volume 4 consists of 19 analyses of the Soviet future by Sovietologists

Soviet Union Challenge Future 4 Alexander Shrtomas, 1998-11-30 This four volume work analyzes the stability problems in the Soviet system Volume 1 contains the conflicting views of scholars from America Europe and Australia all of whom predict changes that they believe will soon shape the Soviet future The interrelated topics of economics and society are discussed in volume 2 Economic difficulties in the USSR are always problems of political power Gorbachev's economic reforms if successful could lead to the creation of a society that is self sufficient in many respects That in turn would reduce the extent of the state and the power of its apparatus and would undermine Soviet leaders economic decision making power on which the political system rests The ideological and cultural crisis is perhaps the most fundamental and fateful one facing the USSR today Volume 3 devoted to the many aspects of this crisis deals with the issues of multinationalism and predicts the collapse of the Soviet system in Russia as unavoidable Volume 4 consists of 19 analyses of the Soviet future by Sovietologists *Future Survey Annual 1991* Michael Marien, 1991-01-01 *The Soviet Union and the Challenge of the Future* Alexander Shtromas, Morton A.

Kaplan, 1988 Empire D. C. B. Lieven, 2002-01-01 Focusing on the Tsarist and Soviet empires of Russia Lieven reveals the nature and meaning of all empires throughout history He examines factors that mold the shape of the empires including geography and culture and compares the Russian empires with other imperial states from ancient China and Rome to the present day United States Illustrations **Getting Russia Right** Thomas Graham, 2023-09-12 As US Russian relations scrape the depths of cold war antagonism the promise of partnership that beguiled American administrations during the first post Soviet decades increasingly appears to have been false from the start Why did American leaders persist in pursuing it Was there another path that would have produced more constructive relations or better prepared Washington to face the

challenge Russia poses today With a practitioner s eye honed during decades of work on Russian affairs Thomas Graham deftly traces the evolution of opposing ideas of national purpose that created an inherent tension in relations Getting Russia Right identifies the blind spots that prevented Washington from seeing Russia as it really is and crafting a policy to advance American interests without provoking an aggressive Russian response Distilling the Putin factor to reveal the contours of the Russia challenge facing the United States whenever he departs the scene Graham lays out a compelling way to deal with it so that the United States can continue to advance its interests in a rapidly changing world Also available as an audiobook

The Soviets, Germany, And The New Europe Robbin F Laird,2019-07-19 This book assesses the evolution of the Soviet approach toward European security policy since the mid 1980s as seen from the prism of assessments of and policy toward the Federal Republic of Germany examining basic Soviet analyses of West Germany in the period prior to unification **The Soviet Union and the Challenge of the Future: Russia and the world** Alexander Shtromas,Morton A.
