**The Farmer Ways of Sowing** Connie M. Brown,2014-07-29 Be like the farmers and sow for a change in your life circumstances In due season you will reap your harvest it s time to grow in GRACE you have been in kindergarten for too many years God has blessed you to care for children but yet you are still acting as a child when it comes to honoring GOD Grow up and honor GOD Give and it shall be given unto you good measure press down shaken together and running over Stop Stop looking at your pastor as getting your money it s a seed that you sow to honor GOD It didn t matter much where you sow your money when you didn t know any better You ve tried everything and anything that came with a convincing line telling you to sow your money into this are that and you will win more The instruction didn t come with a defi nite fact that you are going to win it guarantees a chance That s man traditional way of sowing and believing God s way for sowing is throughout the Bible GOD s promises are Trust in the Lord with all your heart and lean not on your understanding God will direct your path With a path like this any person seeking for new direction can t go wrong with trusting GOD Get the rope from around your neck during slavery days people didn t have a choice when the rope was place around their neck They were tied down like cattle bound and sail to sea for some they hung from a tree Today you have a choice Farmer s believe in the process of a seed sown A farmer can have only one seed plant the seed and simultaneously have faith that the one seed will reproduce after its own kind We should have faith like a farmer If we can just believe that seeds reproduce after its own kind and believe as the farmer believes our circumstances will change while going through the process Are you planting seeds

**Secrets of Seed Planting** Jeffrey Okaekwu,2020-09-05 Discover the great mystery behind seed sowing and the abundant blessings that one could get from doing that There are many questions to this and understanding it more will open doors of benefits and opportunities Most times the seed is covered by the fruit which represents blessings and many find it difficult to differentiate the seed from the fruit The fruit is edible but the seed is to be planted for more harvest of blessings Some other things that we fail to identify are the when how where and mindset of sowing seeds Revelations have shown me this and I shared it here to enlighten you about it and help you multiply your blessings This book will open your eyes to understanda How to identify and differentiate the seeds from the fruits in order not to eat both up b Knowing the right place which is also known as the fertile soil for sowing how to sow and when to sow the blessings cuts across so many generations and multiplication is awesome

**SOWING Seeds of Your Wishes & REAPING the Fruits of Your Work** Wusu Takyi (Ph.D),2014-05 Sowing and Reaping is one of the most invoked principles

from the Bible In as much as it is an essential principle it is either misunderstood or deliberately misinterpreted Either misunderstood or misinterpreted it does not assist the sincere truth seeker in his effort to faithfully apply the principle for his benefit to glorify God To misunderstand it or buy into the misinterpreted forms of it denies a person what would have been his rightful reward if he understood and applied the right Biblical version of the law Worse still the distorted version lays the basis for potentially firm separation of that person from God This happens when a person realises that what he has long been promised to reap if he sows into a ministry or pastor s life does not materialise Something which from day one of the promise was not going to happen because every seed brings forth the fruit of its kind but not the fruit of other seed which is not of its kind This book is not primarily concerned about the interpreters who consciously distort the message of grace as indicated in Jude 1 4 but concerned about the faithful who have misunderstood the law and even fallen prey to the interpreters spoken about by Jude The faithful is here in this book delivered from sowing wrong seeds and born again into sowing the right seeds which brings forth their kind by the immutable power of the just God The illuminating power of God enshrined in his word is used to shed light on life changing seeds and the fruits they bear
