Discovery Teaching Like Jesus Kathy Hoppe,Jeff Hoppe,2020-04-29 *Discovery Teaching Like Jesus* critiques the current assumptions models and delivery methods of adult religious education Based on a constructivist theory it examines the unique ways in which Jesus proclaimed his message to followers and then applies that to current teaching practices in religious settings It focuses on adult learning theory andragogy and transformative learning while applying the

discovery teaching methods in adult spiritual formation classes and groups The authors identify four ways that Jesus implements constructivist methods he creates teachable moments he employs powerful narratives he sparks curiosity and he makes his listeners think Using these techniques as a framework the authors demonstrate how to use these in adult religious education settings In the final section the authors offer suggestions for excellence in teaching through recruiting training and supporting reflective teachers Included in this final section are ways that adult facilitators can use self reflection and examination to enhance their teaching ability A Still More Excellent Way Joseph Durepos,2010-06 In 1 Corinthians 12 31 St Paul exhorts the early Christians in Corinth to follow a still more excellent way The way he is speaking of is love genuine selfless love For Paul the ultimate meaning and perfect example of this love is found solely in the crucified risen and reigning Christ With unwavering devotion Paul s post conversion life was focused on one goal to point people to Jesus so they too could experience the unsurpassed joy that Paul himself had come to know through his Lord A Still More Excellent Way encourages and inspires readers through fifty two brief selections from Paul s writings Each Scripture selection short enough to be easily memorized is followed by a story or meditation that supports the verses And although the apostle Paul evangelized in the first century Roman world author Joseph Durepos uses plenty of twenty first century cultural references to make the material highly relevant for people today Equally appropriate for personal reflection or small group study A Still More Excellent Way is an excellent opportunity for anyone to draw closer to Jesus through the unabashedly Christ centered message of St Paul American Book Publishing Record ,2003 *Whitaker's Book List* ,1991 *Subject Guide to Books in Print* ,1996 **Paperbound Books in Print 1995** Reed Reference Publishing,Reference Reed,1995-12 *Forthcoming Books* Rose Arny,2003
