Fourth Connection Robert David Bagnall, 1975 Space 1999 and Critical Theory John K. Balor, 2017-11-11 The television series *SPACE 1999* was in its first series shaped by the late sixties and early seventies counterculture movements making *SPACE 1999* into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate *SPACE 1999* went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **An**
