Space Sex A Novel:

Space Sex Keith Kirts,1994-10-01 **Sex, Time, and Space in Contemporary Fiction** Ben Davies,2016-08-24

Combining close readings of literature and theory Sex Time and Space in Contemporary Fiction opens up new ways to consider the sex time space nexus In an exciting and compelling contribution to contemporary literary studies this book takes the concept of exceptionality as its point of departure as developed through an exploration of Giorgio Agamben s theory of the state of exception and the work of theorists including Jacques Derrida and Michel Foucault Through an analysis of a range of widely read contemporary fiction including On Chesil Beach Gertrude and Claudius The Act of Love and Room Ben Davies provides a rigorous exploration of narrative form and offers original theories of the prequel narrative relations in terms of set theory and the practice of reading itself **The Space of Sex** Shelton Waldrep,2021-05-20 As film and

television become ever more focused on the pornographic gaze of the camera the human body undergoes a metamorphosis becoming both landscape and building part of an architectonic design in which the erotics of the body spread beyond the body itself to influence the design of the film or televisual shot The body becomes the mise en sc ne of contemporary moving imagery Opening The Space of Sex Shelton Waldrep sets up some important tropes for the book the movement between high and low art the emphasis on the body looking and framing the general intermedial and interdisciplinary methodology of the book as a whole The Space of Sex s second half focuses on how sex gender and sexuality are represented in several recent films including Paul Schrader s The Canyons 2013 Oliver Stone s Savages 2012 Steven Soderbergh s Magic Mike 2012 Lars Von Trier s Nymphomaniac 2013 and Joseph Gordon Levitt s Don Jon 2013 Each of these mainstream or independent movies and several more are examined for the ways they have attempted to absorb pornography if not the pornography industry specifically into their plot According to Waldrep the utopian elements of seventies porn get reprocessed in a complex way in the twenty first century as both a utopian impulse the desire to have sex on the screen to re eroticize sex as something positive and lacking in shame with a mixed feeling about pornography itself with an industry that can be seen in a dystopian light In other words sex in our contemporary world still does not come without compromise Sci-Fi Ultimate Collection:

Space, Place, and Sex Lynda Johnston, Robyn Longhurst, 2010 This accessible and engaging book explores the ways that space place and sex are inextricably linked from the micro to the macro level from the individual body to the globe Drawing on queer feminist gender social and cultural studies Lynda Johnston and Robyn Longhurst highlight the complex nature of sex and sexuality and how they are connected to both virtual and physical spaces and places Their aim is to enrich our understanding of sexual identities and practices whether they be lesbian gay bisexual transsexual asexual queer or heterosexual They show that bodies are defined and connected through media such as television movies ads and the Internet as well as through real places such as homes churches sports arenas city streets beaches and wilderness Drawing on a diverse array of historical and contemporary examples the authors argue convincingly that sexual politics permeate all places and spaces at every level of geographical scale Thus they illustrate sexuality affects the way people live in and interact with space and place as space and place in turn affect people's sexuality
