**Spaces of Chillida** Eduardo Chillida, Gabriel Celaya, 1974      **Spaces of Chillida Espacios** Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, Rh Value Publishing, 1980-01-09      **Creative Cognition and the Cultural Panorama of Twentieth-Century Spain** C. Gala, 2015-05-20 This multidisciplinary study focuses on the creative state as the nucleus of the work of numerous poets artists and philosophers from twentieth century Spain Beginning with cognitive science Gala explores the mental processes and structures that underline creative thinking for poets like Jos Mar a Hinojosa Clara Jan s and Jorge Guill n      **The Architecture of the Playing Field** Richard L. Cleary, 2025-05-06 A novel exploration of playing fields as aesthetic and architectural spaces that frame athletes creativity and spectators evolving experiences of sport The playing field is more than an arena for sporting rivalry It is a laboratory of invention where athletes and coaches create new uses for the human body in response to the constraints and affordances of space Indeed Richard Cleary argues that from translucent squash courts to the NBA three point line to the city streets used by skateboarders all sports have embedded spatial relationships that are also charged with social significance The Architecture of the Playing Field explores the aesthetic and physical experiences of the grounds on which we compete Cleary digs into the perspectives of spectators athletes coaches and umpires perspectives that have changed along with the shifting configuration and mediation of the field from early live sports coverage to today s TV broadcasts overlaid with high tech graphics and observed from every angle Cleary shows how rules governing the size shape and divisions of the field reflect sports entwinement with societies at large in particular the politics of race and gender Mindful as well that some sports resist containment he analyzes the disruptive use of space by snowboarders and parkour athletes The Architecture of the Playing Field sensitizes us to the interplay of settings and bodies in motion fundamental to the power of sport      **Spatial Transparency in Architecture** Camilo Rosales, 2022-08-12 This volume explores the concept of spatial transparency a form of spatial continuity that articulates depth through permeable layered or porous three dimensional organizations where interstitial light is present Although transparency is a concept largely associated with the modern movement the use of glazed components and twentieth century architectural discourse spatial transparency is a form of depth awareness through intermediate domains takes place through the interstitial fabric of a structure and occurs when several consecutive domains are spatially and visually connected These immersive environments invite active participation not as one way communication but as a series of visual and experiential exchanges interdependencies and relationships Divided into four parts the book examines spatial transparency in massive opaque constructions light constructions glass assemblies and hybrid systems It analyzes both the phenomenon of visual connectivity and continuity through intermediate spaces and spatial transparency s capacity for promoting and enabling graded interflowing environmental transactions Using historical and contemporary examples it catalogs some of the most common and recurring configurations that manifest these characteristics Over 20 international

case studies from the Americas to Japan are presented to argue that environments exist in porous mediums and that by studying the openings voids light and materials of layered and or permeable organizations important insights about space making can be revealed Written for students and academics this book explores various expressions of spatial transparency in architecture and helps connect their abstract ideas with significant built works analytical drawings and comparison charts

**The Greening of Psychoanalysis** Gregorio Kohon, Rosine Jozef Perelberg, 2018-03-26 The influence of Andre Green on psychoanalysis has been immeasurable his theoretical clinical and cultural contributions have identified him as one of the most important psychoanalytic thinkers of our times The present book brings together a group of eminent psychoanalysts from different parts of the world all of whom presented the papers included in this volume at the 2015 Conference on The Greening of Psychoanalysis Every one of these texts conveys a rich sense of continuing a conversation always creative albeit challenging forever engaging and fruitful with Andre Green This book is an invitation to the reader to join in

*Chillida--questions and Space* Eduardo Chillida, 1986      *The Place of Silence* Mark Dorrian, Christos Kakalis, 2020-02-06 The Place of Silence explores the poetics and politics of silence in architecture Bringing together contributions by internationally recognized scholars in architecture and the humanities it explores the diverse practices affects politics and cultural meanings of silence silent places and silent buildings in historical and contemporary contexts What counts as silence in specific situations is highly relative and the term itself carries complex and varied significations which make it a revealing field of study Chapters explore a range of themes from the apparent loss of silence in the contemporary urban world through designed silent spaces to the forced silences of oppression catastrophe or technological breakdown The book unfolds a rich and complementary array of perspectives which address through the lens of architecture and place questions of sound atmosphere and attunement together building a volume which will form the key scholarly resource on architecture and silence      *Chillida* Eduardo Chillida, J. M. Tasende, 1986\*      **Heidegger Among the Sculptors** Andrew Mitchell, 2010-07-16 Heidegger Among the Sculptors is a provocative illustrated examination of Heidegger s sculptural writings that shows how they rethink the relationship between bodies and space and the place of art in our lives
