

Spain Between War And Revolution

Francisco J. Romero Salvadbo

Spain Between War And Revolution:

The Spanish Anarchists and the Russian Revolution, 1917-24 Arturo Zoffmann Rodriguez, 2023-10-02 The Spanish Anarchists and the Russian Revolution 1917 24 explores the impact of the Russian Revolution on the world's most powerful anarchist movement the Spanish National Confederation of Labour The monograph traces the curve of euphoria followed by scepticism that characterized anarchist reactions to the Soviet experiment in 1917 24 This book unearths the interactions between anarchists and Bolsheviks and assesses their significance for social conflict in Spain and for the foundation of international communism The Spanish anarchists are a window to examine the global appeal of the Bolsheviks among diverse non Marxist militant groups at a time of cross fertilization for the left internationally Through the case study of the Spanish anarchists this book highlights how identification with the victorious Russian Bolsheviks became a rousing device and a political asset at a time of intense social effervescence when in the eyes of many world revolution seemed imminent However for heterodox non Marxist forces such as the Spanish anarchists the Soviet model had to be negotiated and adapted to local conditions and political traditions This book later traces the ending of this phase of cross fertilization at a time of defeat and demoralization for the labour movement in Spain and across Europe

Spain, 1833-2002 Mary Vincent, 2007-12-06 A lively and concise introduction to the politics and national life of Spain in the 19th and 20th centuries covering both cultural and political history and exploring the complicated questions of citizenship and national identity that characterized Spain's political life even into the 1970s

Spain and the Great Powers in the Twentieth Century Sebastian Balfour, Paul Preston, Professor Paul Preston, 2002-01-31 Spain and the Great Powers in the Twentieth Century examines the international context to and influences on Spanish history and politics from 1898 to the present day Spanish history is necessarily international with the significance of Spain's neutrality in the First World War and the global influences on the outcome of the Spanish Civil War Taking the Defeat in the Spanish American war of 1898 as a starting point the book includes surveys on the crisis of neutrality during the First World War foreign policy under the dictatorship of Primo de Rivera the allies and the Spanish Civil War Nazi Germany and Franco's Spain Spain and the Cold War relations with the United States This book traces the important topic of modern Spanish diplomacy up to the present day

Spain 1914-1918 Francisco J. Romero Salvado, Francisco Jose Romero Salvado, 2012-10-12 This work analyses the Spanish experience of the First World War in terms of the general crisis in Europe at this time In Spain as elsewhere the impact of four years of devastating conflict resulted in ideological militancy economic dislocation and social struggle The author examines the slow decay of the ruling Liberal Monarchy during the war years and the failure of the neutrality policy to save the existing regime He looks at challenges to the Administration from the labour movement the bourgeoisie the army international powers Romero shows a politically apathetic population galvanised by the war into fierce debate about belligerence or neutrality The debate divides the nation and the new political awareness leads to a questioning of the Administration's authority There is also vast

economic and social change as Spain exploits its privileged position as supplier to both sides of the war. These factors lead to galloping inflation, civil unrest and political turmoil, finally resulting in the revolutionary strike of 1917.

Modern Spain
 Francisco J. Romero Salvadó, 2024-08-22 Using a wealth of varied sources, this book is an inspiring and essential gateway to understanding the foundations of modern Spain. Francisco J. Romero Salvadó employs a chronological framework to chart the country's experience commencing with the Restoration of the Bourbon Monarchy in 1874 up to the present day. Modern Spain is a vital contribution to the study and debate of this country's history and politics. It provides a thorough yet concise study of nearly 150 years of tumultuous historical evolution. It examines the crisis of traditional liberal politics and the subsequent ill-fated attempts at reform through the military dictatorship headed by General Miguel Primo de Rivera and the progressive Second Republic that ensued. The outcome being three years of tragic civil war followed by the long 40-year dictatorship of General Francisco Franco. It concludes by exploring Spain's successful and surprisingly rapid transition to democracy and the challenges that it now faces in the 21st century. Romero Salvadó uproots the many myths and blatant distortions that have often surrounded the history of Spain. By offering an analysis within a European context, he also challenges the traditional view of the exceptional character of the country encapsulated in the motto 'Spain is different'. On the contrary, this book so convincingly contends that Spain is a perfect example to show the troubled and often violent path to modernity that western societies had to undergo in their transition from elite to mass politics.

The Dominican Republic and the Beginning of a Revolutionary Cycle in the Spanish Caribbean
 Luis Álvarez-López, 2009-07-29 In this book, Álvarez-López details the history of revolution in the Dominican Republic, which was an infant independent nation struggling to preserve its political independence from Haiti and from the expansionist policies of northern European countries and the United States. In 1861, the Dominican Republic was annexed to Spain. The Spanish empire's expansionist policy sought to preserve Cuba and Puerto Rico, and the acquisition of the Dominican Republic strengthened Spain's hold on the Antilles. Spain's policies strengthened the political objectives of the Dominican ruling class, which were political stability and control of the political power under a Caucasian empire. While both these objectives were achieved, the new colonial experiment was a total failure. The exclusion of the native ruling class, overtaxation, economic exploitation, coercive imposition of the Catholic Church, customs, prejudice against blacks and mulattos led to war, ending with the defeat of the Spanish Empire. This defeat opened a revolutionary cycle in the Spanish Caribbean.

Twentieth-Century Spain
 Julián Casanova, Carlos Gil Andrés, 2014-07-03 A much-needed new overview of twentieth-century Spanish social and political history, which sets developments within a European context.

Spain 1914-1918
 Francisco J. Romero Salvadó, 1999 This work analyses the Spanish experience of the First World War in terms of the general crisis in Europe at this time. In Spain, as elsewhere, the impact of four years of devastating conflict resulted in ideological militancy, economic dislocation and social struggle. The author examines the slow decay of the ruling Liberal Monarchy during the war years and the failure of the neutrality policy to save the existing regime.

He looks at challenges to the Administration from the labour movement the bourgeoisie the army international powers Romero shows a po

An International History of Terrorism Jussi M. Hanhimäki, Bernhard Blumenau, 2013 The aim of this book is to provide readers with the tools to understand the historical evolution of terrorism and counterterrorism over the past 150 years In order to appreciate the contemporary challenges posed by terrorism it is necessary to look at its evolution at the different phases it has gone through and the transformations it has experienced The same applies to the solutions that states have come up with to combat terrorism the nature of terrorism changes but still it is possible to learn from past experiences even though they are not directly applicable to the present This book provides a fresh look at the history of terrorism by providing in depth analysis of several important terrorist crises and the reactions to them in the West and beyond The general framework is laid out in four parts terrorism prior to the Cold War the Western experience with terrorism non Western experiences with terrorism and contemporary terrorism and anti terrorism The issues covered offer a broad range of historical and current themes many of which have been neglected in existing scholarship it also features a chapter on the waves phenomenon of terrorism against its international background This book will be of much interest to students of terrorism studies political violence international history security studies and IR

Americans in a World at War Brooke L. Blower, 2023 Americans in a World at War tells the panoramic and often surprising story of seven worldly Americans their personal histories their politics and the paths that led them to board a Pan American Airways seaplane bound for Lisbon in February 1943 When the Yankee Clipper crashed in the Tagus River it took numerous lives but left a paper trail that leads to a richer deeper understanding of Americans diverse global commitments during the first half of the twentieth century as well as how the Second World War would transform those engagements
