Spanish Civil War A Very Short Introduction

Julián Casanova

Spanish Civil War A Very Short Introduction:

The Spanish Civil War Helen Graham, 2005-03-24 This Very Short Introduction offers a powerfully written explanation of the war's complex origins and course and explores its impact on a personal and international scale. It also provides an ethical reflection on the war in the context of Europe's tumultuous twentieth century, highlighting why it has inspired some of the greatest writers of our time and how it continues to resonate today in Britain, continental Europe, and beyond. Throughout the book, the focus is on the war as an arena of social change where ideas about culture were forged or resisted and in which both Spaniards and non-Spaniards participated alike. These were conflicts that during the Second World War would stretch from Franco's regime, which envisaged itself as part of the Nazi new order to Europe and beyond. Accordingly, this book examines Spanish participation in European resistance movements during World War II and also the ongoing civil war waged politically, economically, judicially, and culturally inside Spain by Francoism after its military victory in 1939. History writing itself became a battleground, and the book charts the Franco regime's attempt to appropriate the past. It also indicates its ultimate failure, as evident in new writings on the war and above all in the return of Republican memory now occurring in Spain during the opening years of the twenty-first century. ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Spanish Civil War Helen Graham, 2005 Amid the catastrophes of the 20th century, the Spanish Civil War continues to exert a particular fascination. This text provides a powerfully written explanation of the war's complex origins and course and explores its impact on a personal and an international scale. The Spanish Civil War: A Very Short Introduction Helen Graham, 2005-03-24 Helen Graham highlights the domestic and international context of the Spanish Civil War and reveals its origins in the political and cultural anxieties provoked by the rapid modernization of Europe. Using personal narratives, she combines a powerfully human account of the war and its aftermath with a disturbing ethical enquiry into its legacy for the 21st century. BOOK JACKET **A Short History**

of the Spanish Civil War Julián Casanova, 2021-09-23 In this revised edition of *A Short History of the Spanish Civil War*, Julián Casanova tells the gripping story of the Spanish Civil War. Written in elegant and accessible prose, the book charts the most significant events and battles alongside the main players in the tragedy. Casanova provides answers to some of the pressing questions such as the roots and extent of anticlerical violence that have been asked in the 70 years that have passed since the painful defeat of the Second Republic. Now with a revised introduction, Casanova offers an overview of recent historiographical shifts, not least the wielding of the conflict to political ends in certain strands of contemporary historiography towards an alarming neo-Francoist revisionism. It is the ideal introduction to the Spanish Civil War. The Spanish Civil War Andy Durgan, 2007-06-21 Andy Durgan provides a clear introductory overview and evaluation of the key

debates and recent research on the origins outbreak course and implications of the Spanish Civil War including the impact of foreign powers the socio political situation the Republican failure and Nationalist success and the nature of the emerging Franco regime

The Spanish Civil War Paul Preston,2012-08-27 The definitive work on the Spanish Civil War a classic of modern historical scholarship and a masterful narrative Paul Preston is the world s foremost historian of Spain This surging history recounts the struggles of the 1936 war in which more than 3 000 Americans took up arms Tracking the emergence of Francisco Franco s brutal and ultimately extraordinarily durable fascist dictatorship Preston assesses the ways in which the Spanish Civil War presaged the Second World War that ensued so rapidly after it The attempted social revolution in Spain awakened progressive hopes during the Depression but the conflict quickly escalated into a new and horrific form of warfare As Preston shows the unprecedented levels of brutality were burned into the American consciousness as never before by the revolutionary war reporting of Ernest Hemingway John Dos Passos Herbert Matthews Vincent Sheean Louis Fischer and many others Completely revised including previously unseen material on Franco s treatment of women in wartime prisons

The Spanish Civil War is a classic work on this pivotal epoch in the twentieth century

Memory Battles of the Spanish Civil War Sebastiaan Faber,2021-04-30 The ability to forget the violent twentieth century past was long seen as a virtue in Spain even a duty But the common wisdom has shifted as increasing numbers of Spaniards want to know what happened who suffered and who is to blame *Memory Battles of the Spanish Civil War* shows how historiography fiction and photography have shaped our views of the 1936 39 war and its long painful aftermath Faber traces the curious trajectories of iconic Spanish Civil War photographs by Robert Capa Gerda Taro and David Seymour critically reads a dozen recent Spanish novels and essays interrogates basic scholarly assumptions about history memory and literature and interviews nine scholars activists and documentarians who in the past decade and a half have helped redefine Spain s relationship to its past In this book Faber argues that recent political developments in Spain from the grassroots call for the recovery of historical memory to the indignados movement and the foundation of Podemos provide an opportunity for scholars in the humanities to engage in a more activist public and democratic practice

The Roots and Consequences of Civil Wars and Revolutions Spencer C. Tucker,2017-02-16 This book treats 30 important civil wars and revolutions across the world including Africa Asia the Americas Europe and the Middle East covering a broad swath of recorded history from ancient times to the present Human history as a whole results from social changes technological advances and evolutions in thinking and religion all of which often lead to wars and conflicts Behind each major war are myriad interrelated causes This book examines 30 of the most significant civil wars and revolutions in recorded history from ancient times to the modern era identifying the origins consequences and subtle impacts of many of these conflicts that are still being felt today A comprehensive overview essay as well as explanations of the causes and consequences of each conflict give readers the context needed to understand the importance of these seminal events Additional learning tools include a detailed timeline that sets all of the key events in the

conflict in the proper context maps of several of the key battles that help readers visualize the strategies of both sides and a lengthy bibliography that offers a wealth of options to students looking to investigate any of the conflicts further Spanish Women Writers and Spain's Civil War Maryellen Bieder, Roberta Johnson, 2016-12-01 The Spanish Civil War 1936 1939 pitted conservative forces including the army the Church the Falange fascist party landowners and industrial capitalists against the Republic installed in 1931 and supported by intellectuals the petite bourgeoisie many campesinos farm laborers and the urban proletariat Provoking heated passions on both sides the Civil War soon became an international phenomenon that inspired a number of literary works reflecting the impact of the war on foreign and national writers While the literature of the period has been the subject of scholarship women s literary production has not been studied as a body of work in the same way that literature by men has been and its unique features have not been examined Addressing this lacuna in literary studies this volume provides fresh perspectives on well known women writers as well as less studied ones whose works take the Spanish Civil War as a theme The authors represented in this collection reflect a wide range of political positions Writers such as Maria Zambrano Merc Rodoreda and Josefina Aldecoa were clearly aligned with the Republic whereas others including Mercedes Salisachs and Liberata Masoliver sympathized with the Nationalists Most however are situated in a more ambiguous political space although the ethics and character portraits that emerge in their works might suggest Republican sympathies Taken together the essays are an important contribution to scholarship on literature inspired by this pivotal point in Spanish history

The Roots and Consequences of 20th-Century Warfare Spencer C. Tucker, 2016-09-06 This unique reference book introduces readers to the causes and effects of the 20th century s most significant conflicts and explains how the impact of these conflicts still resonates today The Roots and Consequences of 20th Century Warfare Conflicts That Shaped the Modern World introduces students to the causes and effects of the 20th century s most significant conflicts Covering conflicts that occurred in all regions of the world readers will gain knowledge on the causes and consequences of each conflict and become familiar with the historical context needed to understand the roots and consequences of these seminal events The text also identifies key opponents in each conflict and illuminates the reasons why each country or group decided to fight the scope of their involvement in the war and the impact of the war Reference entries on key battles are presented in chronological order supplying engaging details on the events and people who shaped each war The book also supplies maps of the key battles to illuminate the strategic movements of both sides of the conflict A lengthy bibliography offers a wealth of options to readers seeking more sources of information on any of the conflicts

Spanish Civil War A Very Short Introduction: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Spanish Civil War A Very Short Introduction : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Spanish Civil War A Very Short Introduction : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spanish Civil War A Very Short Introduction : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
