The Spanish Pastoral Romances Hugo Albert Rennert, 1912 The Spanish Pastoral Romances (Classic Reprint) Hugo A. Rennert, 2015-07-21 Excerpt from The Spanish Pastoral Romances The first edition of this work was accepted by the faculty of the University of Freiburg i B as a dissertation for the degree of Doctor of Philosophy in 1891 and was published in Baltimore in the following year In its day it was not unfavorably received and as it has long since been out of print it has seemed that a new edition might not be unwelcome In the long period that has intervened the Pastoral Romance never entirely lost for me its old attraction and as I gradually acquired many of the early editions of these works and re read them I determined to re issue these primicias de mi corto ingenio adding such new facts as subsequent researches had brought to light The result is the present work which has been almost entirely rewritten and now appears as I hope in a much improved form I have not seen fit to change in any material degree the opinions originally expressed concerning the various romances repeated reading has convinced me more than ever that the Diana of Montemayor which was the first is also the best of these pastorals while it has increased my admiration for the poetical portions of the Arcadia of Lope de Vega The Pastoral Romance was essayed by some of the greatest ingenios that Spain has produced and while many of these poets had no true vocation for the business as Professor Fitzmaurice Kelly says of Cervantes and as a consequence their works are of widely varying degrees of merit yet they cannot be entirely neglected by the student for the pastoral is a product of the most flourishing period of Spanish literature a literature unsurpassed by any in the modern world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Spanish Pastoral Romances Hugo Albert Rennert, 1912 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *The Spanish Pastoral Romances* ,1960 The Spanish Pastoral Romances Hugo Albert Rennert, 2016-12-02 Excerpt from The Spanish Pastoral Romances A Dissertation Presented to the Philosophical Faculty of the University of Freiburg I B For the Degree of Doctor of Philosophy The marked favor with which the Spanish pastoral romance was greeted and the signal success it immediately enjoyed may perhaps be explained in addition to the reason already given by the fact that the Diana its first representative was a work of real genius while the peculiar temperament and susceptibility of the Spanish people were doubtless also a factor in its success The pastoral

romance was not however originally a growth Of the Spanish soil but was transplanted from Italy its home About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
