Teaching Art And Design In The Primary School:

Teaching Art & Design in the Primary School Gloria Callaway, Abigail Leach, Mary Kear, 2013-12-19 First Published in 1999 It is difficult to imagine a world without arts with no drawing music or painting for example Few if any cultures are without these elements This accessible book roots the practical in the theoretical to explain carefully the principles which underpin practice as well as offering a day to day reference book for classroom use It includes ideas and examples of cross curricular work which retain the integrity of visual arts teaching within the structures and strictures of today s primary schools

Teaching Primary Art and Design Susan Ogier, 2017-06-05 Trainee and beginning teachers often find it hard to plan for and teach good art lessons as there is little guidance on subject knowledge and outstanding practice This key text will provide primary trainee teachers with subject knowledge expert advice and guidance along with practical solutions that are necessary to offer children the best possible experiences in art craft and design to ensure that they have access to a broad and balanced curriculum Through guidance and support it will enable them to develop an understanding of the principles and values that underpin high standards and high expectations and show good progress in the subject

Mastering Primary Art and Design Peter Gregory, Claire March, Suzy Tutchell, 2020-02-20 Mastering Primary Art and Design introduces the primary art and design curriculum and helps trainees and teachers learn how to plan and teach inspiring lessons that make learning art and design irresistible Topics covered include Current developments in art and design Art and design as an irresistible activity Art and design as a practical activity Skills to develop in art and design Promoting curiosity Assessing children in art and design Practical issues This guide includes examples of children s work case studies readings to reflect upon and reflective questions that all help to show students and teachers what is considered to be best and most innovative practice and how they can use that knowledge in their own teaching to the greatest effect The book draws on the experience of three leading professionals in primary art and design Peter Gregory Claire March and Suzy Tutchell to provide the essential guide to teaching art and design for all trainee and qualified primary teachers

Teaching Art and Design 3-11 Sue Cox, Robert Watts, 2016-08-25 Whether you are beginning a teacher education course or embarking on a career in teaching this introductory textbook provides comprehensive information on how to meet the standards for the effective teaching of art and design in foundation and primary settings The authors offer comprehensive guidance on everything from reflecting on your own subject knowledge as a teacher to organizing the classroom planning your lessons using a variety of art processes and using artists work in your teaching

Teaching Primary Art Jean Edwards, 2014-06-03 Teaching Primary Art is an introductory textbook for those training to teach and support learning in art in the primary school The book first explores the underpinning philosophy and pedagogy of teaching and learning art including why we teach it planning and assessment and teaching and support strategies Then it covers the practical aspects of teaching art including a list of useful vocabulary to encourage talk around art and links to cross curricular learning

Teaching Art to Young Children Rob Barnes, 2015-04-24 How can teachers develop best practice in art teaching This fully updated third edition of Rob Barnes classic text blends practical ideas with sound principles of art education Teachers and student teachers will find a range of ideas and tried and tested classroom examples whilst for those looking for firm principles of art teaching and best practice this book presents many important issues in art education with clarity and insight Based on first hand experience of teaching children this text uses many examples from early years and primary school contexts and tackles essential topics with realism and imagination such as developing skills through using media how children draw encouraging artistic confidence in children producing original artwork and making use of digital imagery Rob Barnes unique approach encourages teachers to develop and think about art as part of a rich curriculum of learning highlighting how it shouldn't be taught in isolation but with purposeful links to other areas of the curriculum *Teaching Primary Art and Design* Paul Key, Jayne Stillman, 2009-09-07 This book introduces trainees and newly qualified primary teachers to the teaching of art and design in primary schools It helps students gain an appreciation of what constitutes good practice in primary art and design and how they can go about achieving it To meet the different needs of students the book identifies varying levels of experience creativity and confidence and offers suggestions for applying these levels to the classroom The book covers key areas of the art and design curriculum for Early Years Foundation Stage Key Stage 1 and Key Stage 2 considering both their discrete and developmental characteristics **Primary Arts Education** David Holt, 1997 First published in 1997 Routledge is an imprint of Taylor Francis an informa company Art in Education D. Atkinson, 2002 Distinctive and unique in its approach this book opens up art education to the broader field of social enquiry into practice subjectivity and identity It draws upon important developments in contemporary philosophy and the social sciences and applies this to the professional field of art in education It opens new perspectives for teachers teacher educators and student teachers Learning to Teach Art and Design in the Secondary School Nicholas Addison, Lesley Burgess, 2007-12-19 Learning to Teach Art and Design in the Secondary School advocates art craft and design as useful critical transforming and therefore fundamental to a plural society It offers a conceptual and practical framework for understanding the diverse nature of art and design in education at KS3 and the 14-19 curriculum It provides support and guidance for learning and teaching in art and design suggesting strategies to motivate and engage pupils in making discussing and evaluating visual and material culture With reference to current debates Learning to Teach Art and Design in the Secondary School explores a range of approaches to teaching and learning it raises issues questions orthodoxies and identifies new directions The chapters examine ways of learning planning and resourcing attitudes to making critical studies values and critical pedagogy The book is designed to provide underpinning theory and address issues for student teachers on PGCE and initial teacher education courses in Art and Design It will also be of relevance and value to teachers in school with designated responsibility for supervision **Understanding Art in Primary Schools** Les Tickle, 1996 Young children are required not only to produce

art but also to study it understanding the huge variety of art from different places and time How do teachers tackle this when most of them have not studied art themselves

Teaching the Arts in the Primary Curriculum Susan Ogier,Suzy Tutchell,2021-05-29 Learning in the arts does not fit in with simple conventional methodologies for teaching and assessing in the traditional sense but it has an immense power to transform children s understanding of the world around them and their lives Many jobs currently and of the future will demand the skills that learning in the arts will develop This book brings Arts Education sharply into focus as a meaningful learning experience for children of pre school and primary age 3 11 years It reinforces the potential for the wide range of physical mental and emotional development through learning opportunities that engagement in arts practice facilitates Provides insight into how teachers can support children to consider contemporary challenges that face their generation Includes expert voices from the world of education to demonstrate an expansive and perhaps surprising view of where and how the Arts can be found Shows how we can bring the arts so easily into our curriculum and into our classrooms

The Pictorial World of the Child Maureen Cox,2005-11-17 This lavishly illustrated book gives a comprehensive and scholarly account of children s understanding and appreciation of art and their developing ability to produce their own pictures It discusses the main influences on children s picture making and considers the intriguing question does children s art follow the same pattern of development as the history of art As well as discussing the artistic development of typically developing children the book also includes a discussion of children with intellectual disabilities and those with a talent for art some of whom are children with autism

Readings in Primary Art Education Steve Herne,Sue Cox,Robert Watts,2009 Readings in Primary Art Education focuses on the challenges of and approaches to teaching art to primary school students Drawn from articles originally published in the International Journal of Art and Design this volume gathers the work of the best scholars in the field and provides a critical framework for developing methods of teaching art to young students Capturing the key issues and debates that are shaping both curricula and practice Readings in Primary Art Education is an essential starting point for anyone involved in art education This collection of essays will be a welcome addition to art and design education and will be of interest to those active in primary art and design education including practicing teachers and scholars
