

## Lesson 3- FTC 1 – General Domains of Teaching Competence

### Introduction

In this chapter is the result of research in teacher education and observation of different teachers in various levels of the country. It also includes activities that will encourage pre-service teachers to examine and reflect on the activities done in classroom, in school, and in society.

The teaching profession is a dynamic field that requires teachers to excel in different domains.

#### A. Educational Foundations

Teachers should have solid understanding of educational foundations – subjects and disciplines that have important contributions to your understanding of education as a field of study and educational processes. These subjects and disciplines are as follows:

**History of Education, Philosophy, Legal Foundations of Education, Sociological and Anthropological Foundations of**
