Wise Women Phyllis Freeman, Jan Schmidt, 2013-12-02 *Wise Women* is a collection of autobiographical essays by important and renowned teachers at mid life The essays which are deeply personal will focus on how these women negotiate the psychological physical and social changes brought on by menopause and how the aging process affects their lives as professionals feminists writers mentors and instructors in the academy The book addresses such questions as the following What challenges are left for the feminists who came of age during the women's movement and now have achieved academic success How do women teachers experience their aging selves in the classroom What legacy will mid life women leave their younger women colleagues All of these questions as well as many others are covered in this insightful and groundbreaking work

Women in Power Barbara K. Curry, 2000 In this exciting addition to the field of leadership development author Barbara Curry charts a course for women as leaders on their own terms Curry moves beyond traditional formulaic conceptions to examine leadership as a fluid adaptive process closely entwined with adult development Drawing from philosophical sociological and physiological explorations of the leader persona Curry approaches leadership as an interdisciplinary art She casts aside mythical characterizations of leadership to illuminate a more holistic conceptual framework that fosters the development of authentic leadership Using portraits of eight women in high level leadership roles Curry probes the kinds of conflict that often accompany women's ascendancy to positions of power Thoughtfully Curry examines the constellation of character traits and environmental circumstances that enable individuals to perceive of

themselves as leaders and to function productively in such roles The book's dynamic approach provides a bridge between explanation and proactive intervention offering guidance for organizations and institutions aiming to encourage employees ascendancy to leadership positions Through incisive analysis of the psychological and sociological evolution of women's emergence in leadership roles the Developing Leader Persona will enable both women and men to don the mantle of leadership with increased confidence Ms. Mentor's Impeccable Advice for Women in Academia Emily Toth, 2012-07-24 In question and answer form Ms Mentor advises academic women about issues they dare not discuss openly such as How does one really clamber onto the tenure track when the job market is so nasty brutish and small Is there such a thing as the perfectly marketable dissertation topic How does a meek young woman become a tiger of an authority figure in the classroom and get stupendous teaching evaluations How does one cope with sexual harassment grandiosity and bizarre behavior from entrenched colleagues Ms Mentor's readers will find answers to the secret queries they were afraid to ask anyone else They'll discover what it really takes to get tenure what to wear to academic occasions when to snicker when to hide what to eat and when to sue They'll find out how to get firmly planted in the rich red earth of tenure They'll learn why lunch is the most important meal of the day
