The Educator's Handbook for Teaching with Primary Sources Scott M. Waring, 2023 Educators

across subject areas are striving to integrate primary sources into their pedagogy and teaching. Yet despite their importance to authentic disciplined inquiry the implementation of primary source activities in the pre K 12 classroom has been limited. This lack of utilization can largely be attributed to the perception that these activities are too complex to design implement and grade. Many teachers also feel that primary source analysis and the construction of evidence based narratives is too difficult for students to complete in the traditional classroom. Waring argues that this is not the case and with this handbook provides teacher candidates and inservice teachers with detailed and specific perspectives activities approaches and resources to help them effectively and authentically use primary sources in their classrooms.
