

If God is for us,
who can be against us?

The Lord is with me,
he is my helper. I
look in trouble on
my enemies.

"A sword for
the Lord and
for Gideon!"

The Lord is my
strength and my
shield.

My heart trusts
in him, and he
helps me.

Teaching Kids To Care And Share 300 Mission And Service Ideas For Children:

Learning God's Stories Together Dorothy Henderson, 2007-08-25 In this valuable resource Dorothy Henderson explains encourages and enables all ages learning People looking for help in developing an all ages learning program will be heartened by the wealth of practical advice LearningGod s Stories Together provides The first part of the book explains the theory and practice of all ages learning Dorothy opens our eyes to its myriad benefits It s fun It builds community It lets us hear points of view from groups we might not normally have a chance to mingle with Dorothy presents her ideas in an easily accessible style that will fit with almost any congregation large or small There is a section describing the five generations that might form an all ages learning group which is interesting and useful and not only for church group use We also learn about the advantages of all ages learning which are many Dorothy provides step by step insructions for setting up all ages learning and ideas to use for our first gatherings The information is complete and inspires us to go ahead and try this if we haven t done it before it will provide depth and insight and new ideas for those who already have all ages learning happening in their church The second part of the book consists of 20 story sessions each of which contains suggestions for gathering for telling and talking about the story and for exploring the story and making it part of your life Again lots of practical suggestions that will appeal to both children and adults Dorothy presents her information in a friendly tone that encourages educators to be enthusiastic about embracing this rewarding style of learning What other institution do you know where five generations come together every week worshipping drinkg juice and coffee talking eating doing important mission work and learning together what it means to love God and love a neighbour as oneself The church provides a natural environment for all ages gatherings But as Edward Loper reminds us There was a time not all that long ago when we did not need to intentionally talk about the relationships between generations The relationships were plain for all to see Most of us lived in the context of an extended family Members of several generations lived in a close proximity to one another kenw each other and supported each other This is no longer the case It is time once again to become intentional in building connections among the generations *The Children's Sermon* Janet S. Helme, 2010-09-01 Written by an educator minister and writer of children s curriculum materials this book provides easy to do and easy to understand methods for developing good children s sermons Using appropriate scriptures for insight into our relationship with the children in our midst author Janet Helme takes you step by step through the process of developing a successful children s sermon Topics include why you should do a children s sermon how to craft it what to do about the adults in the pews tools insights and sample sermons *Teaching Kids to Care and Share* Jolene L. Roehlkepartain, 2000 This volume provides over 300 inventive hands on activities that involve children in service to one another their churches and local communities and the world Within these pages children s workers and leaders will find short and long term active service learning opportunities that encourage the youngest members of their congregation to follow Jesus example of living their faith by caring for others The book features lively age

appropriate projects and activities for 3 to 5 year olds 6 to 9 year olds and 10 to 12 year olds guidance for working with children of different ages and abilities ready to use reproducible pages and a Scripture and topic index and contact information for numerous national and international service organizations and programs that work with and relate to children The Kindness Advantage Dale Atkins, Amanda Salzhauser, 2018-09-11 In homes and school communities nationwide there is re energized interest in the values of community compassion and tolerance and in finding our way to a kinder culture a culture that starts with our families Headlines speak of hate crimes intolerance and us versus them divisiveness Recent political events have left many Americans yearning for unity respect and compassion in our national discourse In our schools bullying continues to be a pervasive problem and in our homes screen time poses a constant threat to family time Research shows that connection and social engagement are key to successful fulfilling lives and yet we have never been less connected than we are now Perhaps more than any other group parents recognize the potential damage of this trend Children who are raised in a culture where giving and compassion are valued become happier and more positively engaged with those around them They are less likely to treat others disrespectfully With increased concern about meanness and bullying you may be among the many parents who see the need for more civil respectful and considerate behavior among our children The Kindness Advantage is a practical and concrete guide for you to equip your child with the skills they need to have a positive influence on the world We all benefit when children are raised with the understanding that they can have an impact by making conscious choices It s never too early to start your child on a path of fulfillment through meaningful connection with others Designed to be read with children as young as four the book presents ten fundamental concepts to weave into your family s daily life Using text quotes questions and real life stories The Kindness Advantage is the first book parents need to think about and teach the necessary skills to be a kind compassionate person Each idea on its own is simple and unintimidating yet together they form the powerful foundation parents need to go beyond teaching please and thank you to form kindness habits that will last a lifetime In a world where kindness is so greatly needed The Kindness Advantage offers inspiration and activities to teach kids empathy inspire a culture of compassion and connection and empower children to make a difference in their community and the world Response ,2001 American Book Publishing Record ,2000
