But it's hard to tell. There are a lot of people in the industry who are not sure if it's a good idea to invest in a company that is not yet profitable. The company is still in the early stages of development, and it's not clear if it will be successful. The company is still in the early stages of development, and it's not clear if it will be successful.

These points indicate a positive impact from community art centres. This is different from the findings of the previous studies.

## JANSEN ON THE FARM

Every day through the same chores for Jensen. He stayed with Papa on his farm every summer, but Jensen was tired of doing the same work every day. Jensen's parents worried him to learn responsibility and spend time with his grandpa, but Jensen didn't like waking up early and doing the farm work. One day, Jensen did his last summer evening in the porch.

One day, Jensen decided to stay in bed instead of getting up to help with farm chores. He just rolled over and went back to sleep instead of joining Papa. Jensen finally got up and told Papa how he wasn't going to help him. He said, "I'm too old."

## BASKETBALL TRYOUTS

Adrienne stood at a basketball court at a popular university. The school's name was on their winning records and the successes they had reached. Many people thought that eight-year-old Adrienne would naturally be a good basketball player, and she was feeling nervous.

Adrienne was a really playful basketball player. She was a really playful basketball player. She was a really playful basketball player.

Academy. She had never really played soccer before. She had gone to practices and games with her dad many times, but she usually went to the concession stand for snacks and played under the bleachers instead of watching games. She had been turned off the sport on her dad's shoulders many times after he had taken her to the soccer field after he had won and she

## HOW A TOWN BECOMES A CITY

So, too, the difference between a town and a city depends on what country the place is in. The United States, for instance, usually classifies an incorporated area of 2,500 people as a town, and a city has a name for it at first. As the community grows, they might first join together in an unincorporated town and as they continue to grow, they might then become a city. In some states, a town must have at least 10,000 people, while in others, a city must have at least 50,000 people.
