A Father for Our Father The Foundation for a Flourishing Family We are losing the battle for our children Family is no longer defined as father mother and child and this trend must stop Dysfunction is the buzzword describing our families Rather than fight this trend we are accepting it The cultural shift from a God fearing family oriented society has forced our children to fend for themselves Our children are depending on us to do the right thing and frankly they deserve better than we are giving them Consider the facts 63% of youth suicides are from fatherless homes 90% of all homeless and runaway children are from fatherless homes 85% of all children that exhibit behavioral disorders come from fatherless homes These are just a few of the shocking statistics linked to the impact of a missing father in the lives of our children In A Father for Our Father we will discover how the Lord s Prayer is more than an outline for prayer but also an outline for establishing a flourishing family While this book is written with men in mind women will discover the vital role they play in facilitating the changes necessary for men to become who they were created to be And young men will find help defining their future roles as well We will discuss the reference the motivation the role and the calling that is unique to men and clearly identify their responsibilities Join me in discovering the power and influence that only you possess We can restore our families We can reverse this trend Learn what it means to be A Father for Our Father **African American Church Leadership** Paul Cannings,2013
